Philosophical Works Of Lady Mary Shepherd

Lady Mary Shepherd

Philosophical Works Of Lady Mary Shepherd:

Philosophical Works of Lady Mary Shepherd Lady Mary Shepherd, 2000-10-15 This collection confirms that Mary Shepherd is an unjustly neglected figure in modern philosophy. It will be especially interesting to students of Berkeley and Hume. David Raynor. Very little is known about the life and work of Lady Mary Shepherd 1777-1847 and yet she is undoubtedly one of the most important women philosophers of the early modern period. Whewell is reputed to have used one of her books as a text at Cambridge and Sir Charles Lyell said of her that she was an unanswerable logician in whose argument it was impossible to find a loophole or flaw. Exceptionally well read and analytically clear, she made a significant scholarly contribution to the philosophical discussion and debate surrounding the work of Hume, Berkeley and others. This, the first modern edition of Shepherd's writings, includes her two major philosophical works: *An Essay upon the Relation of Cause and Effect* (1824), a critique of Hume's view of causality; and *Essays on the Perception of an External Universe and Other Subjects* (1827), a refutation of Berkeley's idealism. Also included is her first anonymous publication, *Enquiry respecting the Relation of Cause and Effect* (1819), and two shorter pieces. There is a growing interest in the contribution of women writers to the history of philosophy. However, limited access to original texts has prevented a serious and systematic examination of their doctrines. Shepherd's philosophical works deserve the careful consideration of contemporary historians and philosophers but until now have been largely unavailable to the modern reader. A reevaluation of her works is long overdue and this new collection is a welcome addition to Thoemmes Press's list of very rare works by an eminent and increasingly prominent woman philosopher of the Scottish Enlightenment. No single library in the world has all these works available for the first time in a modern edition. Includes critical responses to leading figures of early modern philosophy, introduction with biographical detail on Shepherd and account of her works.

Philosophical Works of Lady Mary Shepherd Lady Mary Shepherd, 2000-10-15 *Philosophical Works of Lady Mary Shepherd* Lady Mary Shepherd, 2000

Philosophical Works of Lady Mary Shepherd: Essays on the perception of an external universe Lady Mary Shepherd, 2000 *Lady Mary Shepherd* Deborah Boyle, 2019-01-09 The philosophical writings of Lady Mary Shepherd 1777-1847 reveal an astute and lively intellect. In *An Essay upon the Relation of Cause and Effect* (1824) and *Essays on the Perception of an External Universe and Other Subjects Connected with the Doctrine of Causation* (1827), Shepherd engaged critically with the views of Hume, Berkeley, Reid, Stewart, de Condillac and others but she also presented an original and carefully argued philosophical system of her own. Highly regarded in her day, Shepherd's work faded into obscurity after her death; this collection of selections from her writings is intended to bring her work back into focus for students and scholars. Selections include her writings about causation, knowledge of the external world, mathematical and physical induction, belief in miracles and God, and mind and body. This volume also includes an 1828 essay Shepherd published on vision.

Mary Shepherd's Essays on the Perception of an External Universe Antonia Lolordo, 2020-03-11 This is the first modern edition of the works of Lady Mary

Shepherd one of the most important women philosophers of the early modern period Shepherd has been widely neglected in the history of philosophy but her work engaged with the dominant philosophers of the time among them Hume Berkeley and Reid In particular her 1827 volume *Essays on the Perception of an External Universe* outlines a theory of causation perception and knowledge which Shepherd presents as an alternative to what she sees as the mistaken views of Berkeley and Hume What she ultimately presents is an original and systematic metaphysics and epistemology Shepherd's *Essays* consists of two parts The first is a theory of perception and knowledge of the external world which is designed to rebut idealism and skepticism about the external world and show that our ordinary beliefs are based on reason The second is a collection of essays on topics in metaphysics and epistemology including the immateriality and eternity of the mind the relationship between mind and body the possibility of miracles the association of ideas the relationship between physical and mathematical reasoning and the epistemology of testimony Antonia LoLordo's edition of Shepherd's *Essays* includes scholarly notes throughout the text that provide historical and philosophical context and expand on the major concepts of Shepherd's system Her extensive introduction to Shepherd's life and works surveys some of the major points of Shepherd's system points out directions for future research and offers guidance for readers planning to teach her work in their courses This volume is an invaluable primary resource for scholars graduate students and undergraduates interested in metaphysics epistemology and early modern philosophy

Mary Shepherd's *An Essay Upon the Relation of Cause and Effect* Silver Professor in the Department of Philosophy Don Garrett, Don Garrett, 2024 Mary Shepherd's *An Essay upon the Relation of Cause and Effect* is a pioneering work in metaphysics and epistemology by one of the most important philosophers of her era Appearing on the bicentenary of its original 1824 publication this is the first full modern edition of the book which presents and defends the theory of causation and scientific knowledge that constitutes the cornerstone of her entire philosophy The edition includes an extensive introduction and scholarly notes throughout that provide historical and philosophical context while explaining the central ideas of the work It also includes the two essays by Shepherd published in 1828 and all of her known letters all but one of them published here for the first time which shed significant additional light on her philosophical ideas

Mary Shepherd Deborah Boyle, 2023 Scottish philosopher Lady Mary Shepherd 1777-1847 wrote two books that she conceived as one unified project *Essay Upon the Relation of Cause and Effect* 1824 and *Essays on the Perception of an External Universe* 1827 While they were well received in her day Shepherd's insightful philosophical writings have been neglected for some 150 years and are only now receiving the scholarly attention they deserve Mary Shepherd *A Guide* by Deborah Boyle part of the Oxford Guides to Philosophy series navigates students of philosophy or general readers through Shepherd's two significant works The first four chapters address topics raised in the 1824 *Essay* Shepherd's arguments for two key causal principles her objections to Hume and her alternative accounts of causation and causal inference her theory of objects as bundles of qualities her critique of Thomas Brown's defence of Humean causation and her discussion of London

surgeon William Lawrence's accounts of sentience and life which Shepherd treats as a case study of how Humean theory can lead to errors in scientific reasoning Chapter 5 covers topics central to both of Shepherd's books what she means by sensation idea will imagination understanding reasoning and latent reasoning The remaining five chapters proceed systematically through Shepherd's 1827 book where she seeks to prove against Berkeleian idealism that we can know that an external world of mind independent matter exists Boyle discusses Shepherd's proofs for such an external world her responses to various sceptical challenges and her specific objections to Berkeley Each chapter ends with a list of works for further reading and a glossary of terms that explain Shepherd's sometimes idiosyncratic philosophical vocabulary resulting in an essential guide to a philosopher who exerted considerable influence during her time

The Routledge Handbook of Women and Early Modern European Philosophy Karen Detlefsen, Lisa Shapiro, 2023-06-19 The Routledge Handbook of Women and Early Modern European Philosophy is an outstanding reference source for the wide range of philosophical contributions made by women writing in Europe from about 1560 to 1780 It shows the range of genres and methods used by women writing in these centuries in Europe thus encouraging an expanded understanding of our historical canon Comprising 46 chapters by a team of contributors from all over the globe including early career researchers the Handbook is divided into the following sections I Context II Themes A Metaphysics and Epistemology B Natural Philosophy C Moral Philosophy D Social Political Philosophy III Figures IV State of the Field The volume is essential reading for students and researchers in philosophy who are interested in expanding their understanding of the richness of our philosophical past including in order to offer expanded more inclusive syllabi for their students It is also a valuable resource for those in related fields like gender and women's studies history literature sociology history and philosophy of science and political science

The ^AOxford Handbook of Berkeley, 2022-01-18 The Oxford Handbook of Berkeley is a compendious examination of a large number of topics in the philosophy of George Berkeley 1685 1753 Anglican Bishop of Cloyne the famous idealist and most illustrious Irish philosopher This volume includes contributions from thirty four expert commentators on Berkeley's philosophy some of whom provide a state of the art account of his philosophical achievements and some of whom place his philosophy in historical context by comparing it with the views of other philosophers including predecessors contemporaries and successors

Feminist History of Philosophy: The Recovery and Evaluation of Women's Philosophical Thought Eileen O'Neill, Marcy P. Lascano, 2019-06-26 Over the course of the past twenty five years feminist theory has had a forceful impact upon the history of Western philosophy The present collection of essays has as its primary aim to evaluate past women's published philosophical work and to introduce readers to newly recovered female figures the collection will also make contributions to the history of the philosophy of gender and to the history of feminist social and political philosophy insofar as the collection will discuss women's views on these issues The volume contains contributions by an international group of leading historians of philosophy and political thought whose scholarship represents some of the very best work being done in

North and Central America Canada Europe and Australia **The Oxford Handbook of American and British Women Philosophers in the Nineteenth Century** Lydia Moland, John D and Catherine T MacArthur Professor of Philosophy Lydia Moland, Alison Stone, 2025 The Oxford Handbook of American and British Women Philosophers in the Nineteenth Century challenges the misconception that there were no female philosophers during this era It explores the diverse philosophical contributions of women including those who wrote academic texts novels pamphlets journalism and activist writings and examines women's contributions to both philosophical movements and topics in social philosophy It reveals that the nineteenth century was more conducive to women authors than commonly believed and discusses how factors like race and class influenced women's philosophical perspectives The Handbook corrects the historical narrative and broadens our understanding of philosophy by showcasing the significant contributions of women philosophers *Feminist Reflections on the History of Philosophy* Lilli Alanen, Charlotte Witt, 2006-01-17 Feminist work in the history of philosophy has come of age as an innovative field in the history of philosophy This volume marks that accomplishment with original essays by leading feminist scholars who ask basic questions What is distinctive of feminist work in the history of philosophy Is there a method that is distinctive of feminist historical work How can women philosophers be meaningfully included in the history of the discipline Who counts as a philosopher This collection is a unique collaboration among philosophers from North America and the Nordic Countries including papers written from both analytic and continental philosophical perspectives and discussing both ancient and modern philosophers Feminist Reflections on the History of Philosophy will be of interest to historians of philosophy feminist theorists women's studies faculty and students and humanists interested in canon formation and transformation **Biographical Dictionary of Scottish Women** Elizabeth L. Ewan, Sue Innes, Sian Reynolds, Rose Pipes, 2007-06-27 This single volume dictionary presents the lives of individual Scottish women from earliest times to the present Drawing on new scholarship and a wide network of professional and amateur historians it throws light on the experience of women from every class and category in Scotland and among the worldwide Scottish diaspora The Biographical Dictionary of Scottish Women is written for the general reading public and for students of Scottish history and society It is scholarly in its approach to evidence and engaging in the manner of its presentation Each entry makes sense of its subject in narrative terms telling a story rather than simply offering information The book is as enjoyable to read as it is easy and valuable to consult It is a unique and important contribution to the history of women and Scotland The publisher acknowledges support from the Scottish Arts Council and the Scottish Executive Equalities Unit towards the publication of this title *Mary Shepherd and the Causal Relation (Part One)* Jennifer McRobert, 2014-03-11 Mary Shepherd and the Causal Relation Part One Part One gives context to the life and work of Lady Mary Shepherd It weaves together the stories of her ancestors her own stories and the wider social historical and philosophical context The aim is to evoke a world from which to mark the emergence of Mary Shepherd Scotland's first female philosopher **Mary Shepherd's An Essay Upon the**

Relation of Cause and Effect Lady Mary Shepherd, 2024 Mary Shepherd's *An Essay upon the Relation of Cause and Effect* first published in 1824 was a pioneering work in metaphysics and epistemology. Together with her 1827 *Essays on the Perception of an External Universe* they make her one of the most important philosophers of her era. Although widely neglected by the history of philosophy in the decades after her death, her works have recently begun to attract the attention and sustained study they deserve. In the course of her writings, Shepherd offers trenchant and detailed rebuttals of the arguments and conclusions of many prominent predecessors including George Berkeley, Thomas Reid, Dugald Stewart, Thomas Brown, William Lawrance, and especially David Hume, but she is not merely a negative thinker. On the contrary, her critiques are always in the service of her own distinctive and highly original doctrines which are of striking contemporary interest. Appearing two hundred years after its original publication, this is the first full modern edition of her first book, which presents and defends the theory of causation and scientific knowledge that constitutes the cornerstone of her entire philosophy. The edition includes an extensive introduction and scholarly notes throughout that provide historical and philosophical context while explaining the central ideas of the work. It also includes Shepherd's two essays published in 1828 and all of her known letters, all but one of them published here for the first time, which shed significant additional light on her philosophical ideas.

Scottish Philosophy in the Nineteenth and Twentieth Centuries Gordon Graham, 2015-03-05 *A History of Scottish Philosophy* is a series of collaborative studies, each volume being devoted to a specific period. Together they provide a comprehensive account of the Scottish philosophical tradition from the centuries that laid the foundation of the remarkable burst of intellectual fertility known as the Scottish Enlightenment through the Victorian age and beyond, when it continued to exercise powerful intellectual influence at home and abroad. The books aim to be historically informative while at the same time serving to renew philosophical interest in the problems with which the Scottish philosophers grappled and in the solutions they proposed. This volume covers the history of Scottish philosophy after the Enlightenment period through the nineteenth and twentieth centuries. Leading experts explore the lives and work of major figures including Thomas Brown, William Hamilton, J. F. Ferrier, Alexander Bain, John Macmurray, and George Davie, and address important developments in the period from the Scottish reception of Kant and Hegel to the spread of Scottish philosophy in Europe, America, and Australasia, and the relation of Common Sense philosophy and American pragmatism. A concluding chapter investigates the nature and identity of a Scottish philosophical tradition. General Editor: Gordon Graham, Princeton Theological Seminary.

Miscellaneous Writings Mary Shepherd, 2000 *The Dictionary of Nineteenth-century British Philosophers* W. J. Mander, 2002 A major new source for research of the 19th century and history of ideas, this dictionary covers all of the major and a range of the less well-known thinkers and writers of the time.

Causation and Modern Philosophy Keith Allen, Tom Stoneham, 2011-02 This volume brings together a collection of new essays by leading scholars on the subject of causation in the early modern period from Descartes to Lady Mary Shepherd. Aimed at researchers, graduate

students and advanced undergraduates the volume advances the understanding of early modern discussions of causation and situates these discussions in the wider context of early modern philosophy and science Specifically the volume contains essays on key early modern thinkers such as Descartes Hobbes Spinoza Leibniz Hume Kant It also contains essays that examine the important contributions to the causation debate of less widely discussed figures including Louis la Forge Thomas Brown and Lady Mary Shepherd

Philosophical Works Of Lady Mary Shepherd Introduction

In today's digital age, the availability of Philosophical Works Of Lady Mary Shepherd books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Philosophical Works Of Lady Mary Shepherd books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Philosophical Works Of Lady Mary Shepherd books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Philosophical Works Of Lady Mary Shepherd versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Philosophical Works Of Lady Mary Shepherd books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Philosophical Works Of Lady Mary Shepherd books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Philosophical Works Of Lady Mary Shepherd books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and

researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Philosophical Works Of Lady Mary Shepherd books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Philosophical Works Of Lady Mary Shepherd books and manuals for download and embark on your journey of knowledge?

FAQs About Philosophical Works Of Lady Mary Shepherd Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Philosophical Works Of Lady Mary Shepherd is one of the best book in our library for free trial. We provide copy of Philosophical Works Of Lady Mary Shepherd in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Philosophical Works Of Lady Mary Shepherd. Where to download Philosophical Works Of Lady Mary Shepherd online for free? Are you looking for Philosophical Works Of Lady Mary Shepherd PDF? This is definitely going to save you time and cash in something you should think about.
