

Leisure is the Mother
of Philosophy.

Thomas Hobbes

Philosophy Of Leisure

Josef Pieper

Philosophy Of Leisure:

Philosophy of Leisure Johan Bouwer, Marco van Leeuwen, 2017-02-17 What is leisure How does leisure relate to leading a good life This critical and intelligent study interrogates the basic principles of leisure and demonstrates the continuing relevance of these questions for our society today It not only explores the traditional philosophical concepts at the heart of leisure studies but also pursues new possibilities for reconceptualising leisure that have emerged from recent developments in society technology and the broader discipline of philosophy itself Approaching leisure from a philosophically inquisitive perspective the book argues that leisure revolves around the pursuit of happiness human flourishing and well being making it both a state of mind and a state of being Its exploration of the meaning of leisure addresses key issues such as identity ethics spirituality human experience freedom technology embodiment well being the fundamental properties of leisure and the challenge of offering a meaningful definition Revitalising the subject of leisure studies with its originality *Philosophy of Leisure Foundations of the Good Life* is fascinating reading for all students and scholars of leisure studies philosophy sociology psychology and ethics *Towards a Philosophy of Leisure* John Farina, Recreation Institute of Canada, 1969

Leisure and Ethics, 1991 **Philosophy of Recreation and Leisure** Jay Bryan Nash, 1953 **Philosophy of Leisure** Johan Bouwer, Marco van Leeuwen, 2017-02-17 What is leisure How does leisure relate to leading a good life This critical and intelligent study interrogates the basic principles of leisure and demonstrates the continuing relevance of these questions for our society today It not only explores the traditional philosophical concepts at the heart of leisure studies but also pursues new possibilities for reconceptualising leisure that have emerged from recent developments in society technology and the broader discipline of philosophy itself Approaching leisure from a philosophically inquisitive perspective the book argues that leisure revolves around the pursuit of happiness human flourishing and well being making it both a state of mind and a state of being Its exploration of the meaning of leisure addresses key issues such as identity ethics spirituality human experience freedom technology embodiment well being the fundamental properties of leisure and the challenge of offering a meaningful definition Revitalising the subject of leisure studies with its originality *Philosophy of Leisure Foundations of the Good Life* is fascinating reading for all students and scholars of leisure studies philosophy sociology psychology and ethics *Philosophy Of Leisure* Tom Winniffrith, Cyril Barrett, 2016-02-09 *An Introduction to the Philosophy of Leisure* Jason Holt, 2025-05-20 This book is a friendly and engaging introduction to the philosophy of leisure Jason Holt frames the text around a novel definition of leisure as intrinsically motivated elective activities which he defends throughout the text in comparison to other accounts of leisure Beginning with Aristotle's influential theory and following its monumental legacy in Western culture this book also includes Asian African and Indigenous philosophies and traditions Topics discussed include leisure in relation to concepts of time consumerist vs reflective leisure play and games the place of freedom in leisure active vs idle leisure and what makes for authentic leisure Along with coordinating philosophies from many different times and places on the same

conceptual map this book proposes a pluralist theory of how leisure fits into a meaningful and fulfilling life

The Philosophy of Leisure Tom Winnifrith, 1989 **Man and Leisure** Charles Kestner Brightbill, 1973 **Philosophy of Recreation and Leisure** Jay B. Nash, 1960 *Wanted* Ontario. Ministry of Community and Social Services. Sports and Recreation Branch, 1974 *Transformative Leisure* Annette Holba, 2013

Our impressions of leisure today often involve rest relaxation and freedom from work These impressions are simply misguided This book reveals the truth about leisure by repositioning it as a philosophy of communication that cultivates the mind body The transformative nature of leisure is illuminated and with that one can experience a reawakening of the contemplative spirit in action

Reclaiming Leisure H. Ramsay, 2005-09-20

Leisure activities account for much of our time and money But are contemporary forms of leisure good for us Are they really leisure And how much does and should leisure matter Classical philosophers paid attention to these questions Increasingly modern philosophers too are realizing the importance of leisure and of a good leisure work balance Hayden Ramsay looks at the meaning of leisure and the links between recreation relaxation virtue and happiness By focussing on leisure activities such as sport travel music and reading Ramsay explores the need for good play in a good life

Leisure and Ethics , 1991 **Constructing Leisure** K. Spracklen, 2011-10-12

This book looks back at the meaning and purpose of leisure in the past But this is not a simple social history of leisure It is not enough to write a history of leisure on its own in fact it is impossible without engaging in the debate about what counts as leisure in the present and in the past Writing a history of leisure then entails writing a philosophy of leisure and any history needs to be a philosophical history as well That is the purpose of this book It provides an account of leisure through historical time how leisure was constructed and understood by historical actors how communicative reason and free will interacted with instrumentality at different times how historians have reconstructed past leisure through historiography and finally how writers have perceived the meaning and purpose of leisure in alternative histories Providing a sweeping overview of the field Karl Spracklen charts how the concept of leisure was understood in Ancient history through to modern times and looks at leisure in different societies and cultures including Byzantium and Asian civilizations as well as looking at leisure and Islam Spracklen concludes with a chapter on future histories of leisure

Leisure Josef Pieper, 2009

One of the most important philosophy titles published in the twentieth century Joseph Pieper's *Leisure: The Basis of Culture* is more significant even more crucial than it was when it first appeared fifty years ago Pieper shows that Greeks understood and valued leisure as did the medieval Europeans He points out that religion can be born only in leisure Leisure that allows time for the contemplation of the nature of God Leisure has been and always will be the first foundation of any culture He maintains that our bourgeois world of total labor has vanquished leisure and issues a startling warning Unless we regain the art of silence and insight the ability for nonactivity unless we substitute true leisure for our hectic amusements we will destroy our culture and ourselves These astonishing essays contradict all our pragmatic and puritanical conceptions about labor and leisure Joseph Pieper demolishes the

twentieth century cult of work as he predicts its destructive consequences *The Philosophy of Recreation* Paul Franklin Douglass, 1960 **A Philosophy of Leisure Based on Josef Pieper's "Leisure the Basis of Culture"** Eugene Stephen Petersen, 1968 The Palgrave Handbook of Leisure Theory Karl Spracklen, Brett Lashua, Erin Sharpe, Spencer Swain, 2017-04-18 This is the first handbook devoted entirely to leisure theory charting the history and philosophy of leisure theories in religion and culture and rational theories of leisure in the Western philosophical tradition as well as a range of socio cultural theories from thinkers such as Adorno Bauman Weber and Marx Drawing on contributions from experts in leisure studies from around the world the four sections cover traditional theories of leisure rational theories of leisure structural theories of leisure and post structural theories of leisure The Palgrave Handbook of Leisure Theory is essential reading for students and scholars working in leisure studies social theory as well as those working on the problem of leisure in the wider humanities and social sciences **Wanted ... a Philosophy of Leisure** Claire Louise Hobbs, 1974

Philosophy Of Leisure Book Review: Unveiling the Power of Words

In some sort of driven by information and connectivity, the ability of words has be much more evident than ever. They have the ability to inspire, provoke, and ignite change.
