Philosophy And The Christian Faith:

Philosophy and the Christian Faith Thomas V. Morris, 1988 Presents a collection of discussions on the philosophy of religion especially with regard to Christianity The essays cover such subjects as salvation the resurgence of philosophy of religion the Acts of the Apostles the Trinity original sin and the Holy Spirit **Christian Philosophy** Craig G. Bartholomew, Michael W. Goheen, 2013-10-15 This third book in a series of successful introductory textbooks by Craig Bartholomew and Michael Goheen builds on their previous projects *The Drama of Scripture* and *Living at the Crossroads* to offer a comprehensive narrative of philosophical thought from a distinctly Christian perspective After exploring the interaction among Scripture worldview theology and philosophy the authors tell the story of philosophy from ancient Greece through postmodern times positioning the philosophers in their historical contexts and providing Christian critique along the way The authors emphasize the Reformed philosophical tradition without neglecting other historical trajectories and show how philosophical thought relates to contemporary life **Philosophy & the Christian Faith** Colin Brown, 1969-03 To write a book which appeals both to the philosophy student and to the less informed reader is not an easy task But Colin Brown combines a non technical often amusing style with a scholarly mastery of the significance of philosophical trends and their relation to his faith The student will benefit from the wide picture given by this up to date survey and will make use of the detailed Notes on Books for further information The general reader will finish the book informed entertained and stimulated to further study **Philosophy and the Christian Faith** Colin Brown, 1969 Introduction to the main thinkers and schools of thought from the middle ages to the present day **Faith, Reason, and Compassion** James Earl Gilman, 2007 What is the relationship between faith and reason How should faith and reason situate themselves in relation to each other These are the chief questions that James Gilman seeks to address in *Faith Reason and Compassion A Philosophy of the Christian Faith* **Four Views on Christianity and Philosophy** Zondervan, 2016-09-13 Philosophy and Christianity make truth claims about many of the same things They both claim to provide answers to the deep questions of life But how are they related to one another *Four Views on Christianity and Philosophy* introduces readers to four predominant views on the relationship between philosophy and the Christian faith and their implications for life Each author identifies the propositional relation between philosophy and Christianity along with a section devoted to the implications for living a life devoted to the pursuit of wisdom The contributors and views include Graham Oppy *Conflict Philosophy Trumps Christianity* K Scott Oliphint *Covenant Christianity Trumps Philosophy* Timothy McGrew *Convergence Philosophy Confirms Christianity* Paul Moser *Conformation Philosophy Reconceived Under Christianity* General editors Paul M Gould and Richard Davis explain the background to the discussion and provide some historical background in the introduction as well as helpful summaries of each position in the conclusion In the reader friendly Counterpoints format this book helps readers to reflect on the strengths and weaknesses of each view and draw informed conclusions in this much debated topic **An Introduction**

to Christian Philosophical Theology Stephen T. Davis, Eric T. Yang, 2020-11-17 An accessible introduction to Christian philosophical theology Philosophical or analytic theology seeks to employ philosophical tools while studying topics in Christian theology and examining the logical consistency or intelligibility of some of the key doctrines of the Christian faith In this accessible primer *An Introduction to Christian Philosophical Theology* authors Stephen T Davis and Eric T Yang first explain the scope relevance and value of philosophical theology and then applies its conceptual tools to examine each of the core Christian doctrines Revelation and Scripture The Trinity The Incarnation Redemption and the atonement Resurrection and life after death The final chapter briefly addresses some additional theological issues including petitionary prayer eschatology and original sin Designed for beginning students and non specialists this guide provides the ideal entry point for not only understanding what philosophical theology is but also for how it can provide valuable insights for how we think about the core doctrines of the Christian faith

A Philosophy of the Christian Religion Edward J. Carnell, 2007-11-01 Introducing the Edward Carnell Library Nine Titles Listed Inside *A Philosophy of the Christian Religion* is not a defense of the Christian faith in the conventional sense The gamut of contending values and the systems of thought preoccupying the contemporary mind are analyzed here with admirable comprehension and lucidity These competing philosophies are severally evaluated by the whole perspective of the Christian system and demonstrated as partial here and now values incapable of satisfying the demands of the whole man Christianity is a coherent religion It never asks the heart to trust values which the reason is obliged to discard as contradictory No value commitment is completely satisfying until the complete man is satisfied from the preface

Philosophy for Christian Dummies Eugene N. Smith Ph. D., Eugene N. Smith, 2006-03 This book provides a short summation of Western Philosophy for the busy minister or Bible student needing a quick answer to philosophical challenges

Loving Wisdom Paul Copan, 2020-04-23 A guide to Christian philosophy that engages with the biblical story As human beings we all qualify as philosophers and Paul Copan contends that we take a position of trust faith shaped by philosophical stances but also personal heart commitments worldviews In this thoroughly revised and expanded second edition of *Loving Wisdom* Copan explores philosophy of religion from a distinctively evangelical Christian perspective biblically grounded informed by apologetics and engaging with questions about universal human longings Copan presents a distinctively and deliberately biblical philosophy of religion in *Loving Wisdom* addressing a wide range of topics and questions as they arise in the metanarrative of scripture He acknowledges the difficulties mystery and disagreements in religion while attempting to show how the Christian faith does a much more adequate job of responding to a wide range of challenges as well as addressing our deepest human yearnings With discussion questions for each chapter and an accessible approach *Loving Wisdom* is ideal for the classroom or small groups

Introduction to Philosophy Norman L. Geisler, Paul D. Feinberg, 1987-05-01 Well organized presentations of most of the significant philosophical positions make this book an excellent reference tool

A Philosophy of the Christian Religion Nancey Murphy, 2018-10-30 Each field of

study comes with its own set of questions each period of time refines and redirects those questions The Christian religion as we find it in the twenty first century presents a unique set of problems to be solved and questions to be answered In this introduction to the philosophy of the Christian religion eminent philosopher and theologian Nancey Murphy applies the tools of philosophical analysis to a set of core yet contemporary religious questions what does our historical moment mean for the possibility of knowing God Is faith still possible Does God intervene in human history Is there such a thing as universal knowledge of God Written with the needs of students encountering the philosophy of religion for the first time in mind this book provides a comprehensive introduction to the fundamental questions inherent in Christian faith Murphy also provides tools for how to answer those questions

Christian Philosophy J. Aaron Simmons, 2019 One of the marks of being a philosopher is participating in debates about what counts as philosophy Of particular note in such debates is the question of how to distinguish philosophy from theology Although a variety of answers to this question have been offered in the history of philosophy in recent decades the prominence of Christian philosophy has been heralded by many as a genuine triumph over the problematic narrowness of strong foundationalism positivism and scientism For others however it signals that philosophy continues to risk being replaced by confessional theology Wherever one comes down on such issues and however one interprets recent trends in philosophy of religion the idea of Christian philosophy continues to present pressing questions for those working in meta philosophy epistemology metaphysics hermeneutics and value theory In this volume established scholars representing a variety of cultural traditions religious perspectives and philosophical priorities all wrestle with how the idea of Christian philosophy should be understood appropriated and engaged in light of where philosophy is and where it is likely to go The volume includes classical essays that have deeply marked the field and also new essays that explore the relevance of Christian philosophy to issues in disability studies engaged pedagogy lived phenomenology the academic study of religion and the workings of social power Rather than offer a unified view that seeks to settle things the contributors demonstrate that Christian philosophy remains a topic of lively debate Wherever one comes down on the issues considered here this volume shows that Christian philosophy is neither merely of historical interest nor of interest only to Christians but instead remains a thoroughly philosophical topic worthy of serious consideration and substantive critique With a Foreword by Nicholas Wolterstorff Noah Porter Professor Emeritus of Philosophical Theology at Yale University Senior Research Fellow in the Institute for Advanced Studies in Culture at the University of Virginia and Honorary Professor of Australian Catholic University

Philosophy of Religion C. Stephen Evans, R. Zachary Manis, 2010-02-23 With over 40 000 copies in print since its original publication in 1982 Steve Evans's Philosophy of Religion has served many generations of students In this new edition Zach Manis joins Evans in a thorough revamping of arguments and information while maintaining the qualities of clarity and brevity that made the first edition so appreciated

Why Believe? C. Stephen Evans, 1996 C. Stephen Evans has written a pointed and personal book directed to those who want to have faith but whose thinking has been obscured by the

static of prevailing philosophies illuminating the attraction and reasonableness of Christianity **Faith and Philosophy**
James Richmond,1966 The Severity of God Paul K. Moser,2013-02-14 Explores what role severity plays in God s character
and how difficulties in life relate to the concept of divine salvation *For Faith and Clarity* James K. Beilby,2006-06 Leading
Christian philosophers demonstrate the contributions of philosophy to the theological task **The Christian Faith**
Friedrich Schleiermacher,1999-03-11 The classic work of Christian theology which seeks to present the Christian faith in its
entirety Schleiermacher was equally at home in the theological systems of Protestant orthodoxy and the new world of
thought shaped by the historical and natural sciences and German philosophy He follows a confident course through the
entire range of themes in dogmatics but leaves both the dogmatic task and the individual themes transformed by a powerful
and original mind A new foreword by B A Gerrish summarises the dogmatic goals of *The Christian Faith* and corrects some
common misreadings of his work The Christian Idea of God Keith Ward,2017-09-28 In this book eminent theologian Keith
Ward takes a fresh look at the ancient philosophy of Idealism connects it with findings in modern science and shows that a
combination of good science good philosophy and a passion for truth and goodness can underpin religious faith Going back to
first principles he argues for the Idealist view that all knowledge begins with experience Critically examining the idealism of
Plato Kant and Hegel Ward shows how this philosophy is strengthened by a knowledge of modern physics and how it can lead
to a new and vivid presentation of Christian faith A work of philosophical rigour that makes clear the rational nature of belief
in God this book challenges the easy assumptions of materialism and the relativity of truth that undermine both science and
religion Ward writes in an accessible and readable style that gives new life and practical usefulness to idealist philosophy
