Paul Valliere

Philosophy In Russia From Herzen To Lenin And Berdyaev:

Philosophy in Russia Frederick Charles Copleston, 1986 Studie over de ontwikkeling van de filosofische theorie n in Rusland vanaf de 18e eeuw *Philosophy in Russia* Frederick Copleston, 2010-01-07 Philosophy in Russia covers its subject broadly and in detail from the eighteenth century to Lenin and beyond into the post Stalin period It offers a continuous history of the development of philosophical thought in Russia and portraits of individual and influential thinkers The author devotes careful analysis to radicals such as Bakunin Herzen Chernyshevsky and Lavrov and to the Marxists such as Plekhanov and Lenin He also discusses the thought of writers such as Kireevsky Leontiev and Solovyev and examines the philosophically relevant ideas of Dostoevsky and Tolstoy He also discusses Russian thinkers in exile such as Berdyaev Frank N O Lossky and Shestov For historical reasons philosophical thought in Russia has tended to become socially or politically committed thought To what extent genuine philosophical thought has proved to be compatible with the monopoly enjoyed by Marxism Leninism in the fields of education and publishing is a crucial question discussed in this authoritative study

Lenin, Hegel, and Western Marxism Kevin B. Anderson, 2021-12-20 Still the only full length study of the achievements and limitations of Lenin s extensive writings on Hegel Hegel Lenin and Western Marxism has become a minor classic In a full critical account Anderson s book connects Lenin s dialectics to his renowned writings on imperialism anti colonial movements and the state It takes up as well the debate over Lenin s writings on Hegel among Marxists such as Georg Luk cs Henri Lefebvre C L R James Raya Dunayevskaya Lucio Colletti and Louis Althusser With a comprehensive new introduction by the author This book is an updated and expanded edition with a new Introduction by the author originally published by The University of Illinois Press 1995 978 02 52 06503 3 **The Palgrave Handbook of Leninist Political Philosophy** Tom Rockmore, Norman Levine, 2018-12-19 This intellectually discomfiting disturbingly provocative yet still thoroughly scholarly Handbook reproduces the intellectual ferment that accompanied the Russian Revolution including the wholly polarising effect at that time of Vladimir Ilyich Lenin The Palgrave Handbook of Leninist Political Philosophy does not settle for one safe interpretation of the thought of this world historic figure but rather revels in a clash of viewpoints Most interestingly it presents a contrast between the Western editors who emphasise pure democracy and Marxian humanism with many of the contributing scholars who take a more sanguine view of the Leninist political project Perhaps reflecting the current Western political crisis some of the volume s other European and North American scholars more closely align with their colleagues from the Global South Key Features Places particular emphasis on the key elements of Lenin s thought the dictatorship of the proletariat which is trenchantly defended the nature of the dialectic and the New Economic Policy Additional comprehensive coverage includes the theory of the party Bolshevism imperialism and the class struggle in the countryside Examines the relation of Lenin s thought to the ideas of his most influential contemporaries including Luxemburg Stalin and Trotsky as well as the most eminent thinker to interpret Lenin since his death Gy rgy Luk cs This Handbook is

essential reading for scholars researchers and advanced students in political philosophy political theory the history of political ideas economics international relations and world history It is also ideal for the general reader who wishes to understand some of the most powerful ideas that have shaped the modern world and that may yet shake the world again

Dictionary of Twentieth-Century British Philosophers Stuart Brown, 2005-06-01 This is a two volume work with entries on individuals who made some contribution to philosophy in the period 1900 to 1960 or soon after The entries deal with the whole philosophical work of an individual or in the case of philosophers still living their whole work to date Typically the individuals included have been born by 1935 and by now have made their main contributions Contributions to the subject typically take the form of books or journal articles but influential teachers and people otherwise important in the world of philosophy may also be included The dictionary includes amateurs as well as professional philosophers and where appropriate thinkers whose main discipline was outside philosophy There are special problems about the term British in the twentieth century partly because of human migration partly because of decolonialization and the changing denotation of the term The intention has been to include not only those who were British subjects at least for a significant part of their lives even if they mostly lived outside what is now the U K but also people who spent a significant part of their lives in Britain itself irrespective of their nationality or country of origin In the first category are included for instance a number of people who were born and educated in Britain but who subsequently taught in universities abroad In the second category are included those who were born elsewhere but who came to Britain and contributed to its philosophical culture *Nihilist Order*

Professor David Ohana, 2016-04-19 The explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers cultural critics political theorists engineers architects and aesthetes long before it materialised in flesh and blood not only in technology but also in fascism Nazism bolshevism and radical European political movements The *Nihilist Order* originally published in three hardcover volumes and now published in a consolidated paperback edition with an encompassing new Introduction inspired excellent review endorsements both amongst the academic and public spheres and has been heralded as a great achievement in European intellectual and cultural history Vasilii Rozanov and the Creation

Adam Ure, 2011-07-28 This book provides the first detailed study in English of the religious philosophy of Vasilii Rozanov one of the most influential and controversial thinkers of Russia's Silver Age It examines his subversion of traditional Russian Orthodoxy including his reverence for the Creation his focus on the family and his worship of sex Rozanov is one of the towering figures of Russian culture a major influence on thinkers and writers such as Bakhtin Maiakovskii and Mandelstam as well as many European writers He critiqued Orthodox theology and wrote extensively on philosophy literature and politics and helped reform marriage and divorce laws His enormous contribution to Russian thought has been largely neglected and much of his work has been misunderstood Ure addresses this by examining the basis of Rozanov's religious philosophy the Creation of the Earth and the Book of Genesis *Hans Urs von Balthasar and the Critical Appropriation of*

Russian Religious Thought Jennifer Newsome Martin, 2015-09-15 In Hans Urs von Balthasar and the Critical Appropriation of Russian Religious Thought Jennifer Newsome Martin offers the first systematic treatment and evaluation of the Swiss Catholic theologian's complex relation to modern speculative Russian religious philosophy Her constructive analysis proceeds through Balthasar's critical reception of Vladimir Soloviev Nikolai Berdyaev and Sergei Bulgakov with respect to theological aesthetics myth eschatology and Trinitarian discourse and examines how Balthasar adjudicates both the possibilities and the limits of theological appropriation especially considering the degree to which these Russian thinkers have been influenced by German Idealism and Romanticism Martin argues that Balthasar's creative reception and modulation of the thought of these Russian philosophers is indicative of a broad speculative tendency in his work that deserves further attention In this respect Martin consciously challenges the prevailing view of Balthasar as a fundamentally conservative or nostalgic thinker In her discussion of the relation between tradition and theological speculation Martin also draws upon the understudied relation between Balthasar and F W J Schelling especially as Schelling's form of Idealism was passed down through the Russian thinkers In doing so she persuasively recasts Balthasar as an ecumenical creatively anti nostalgic theologian hospitable to the richness of contributions from extra magisterial and non Catholic sources *Modern Orthodox Thinkers* Andrew Louth, 2015-09-25 Andrew Louth introduces us to twenty key Orthodox thinkers from the last two centuries The poets and thinkers included range from Romania Serbia Greece England and France and also include exiles from Communist Russia The book concludes with an illuminating chapter on Metropolitan Kallistos and the theological vision of the Philokalia [A Book About Books, Volume III of III](#) E. H. Bernstein, 2024-11-13 This book is Volume III of a three volume book plus accompanying website www.bookaboutbooks.com which adds to subjects already in the book or presents some books and subjects not contained in the books The other volumes are available from the same booksellers as this volume A Book about Books discusses what nonfiction books and subjects the author believes are important to know about This book tries to point to problems in how we live and to see if books have any answers Even though the books are complete the author will update the website periodically in the future E H Bernstein is a former librarian turned author The subtitle of the book describes the author's objective A handbook in three volumes to a choice of essential books writers and subjects in order to understand the world we live in about big questions and possible answers about books and writers that may improve people's lives about neglected writers and other books and subjects A Book about Books attempts to share what the author has learned from nearly 50 years of nonfiction reading and to provide the reader with samples of the most important authors and subjects from that reading While the book is based on research it is intended to be a handbook or guide by trying to make that research understandable to the general reader and to students and for teachers by pointing to what the author believes is missing from today's education A curriculum proposal for college teachers is on the author's website Note about how the volumes are related each chapter is on a separate subject So the chapters can be read individually but the full

message requires reading all the volumes Volume I is important but preliminary to the more important Volumes II and III Note also that the book is not just about books since other sources are also mentioned The author believes we should listen to many voices so the book draws on many types of writers from different times and countries The author says A contemporary writer once said that one of the purposes of writing is that books should be useful I hope that my book will be of use **The Oxford Dictionary of the Christian Church** Andrew Louth,2022-02-17 Uniquely authoritative and wide ranging in its scope The Oxford Dictionary of the Christian Church is the indispensable reference work on all aspects of the Christian Church It contains over 6 500 cross referenced A Z entries and offers unrivalled coverage of all aspects of this vast and often complex subject from theology churches and denominations patristic scholarship and the bible to the church calendar and its organization popes archbishops other church leaders saints and mystics In this new edition great efforts have been made to increase and strengthen coverage of non Anglican denominations for example non Western European Christianity as well as broadening the focus on Christianity and the history of churches in areas beyond Western Europe In particular there have been extensive additions with regards to the Christian Church in Asia Africa Latin America North America and Australasia Significant updates have also been included on topics such as liturgy Canon Law recent international developments non Anglican missionary activity and the increasingly important area of moral and pastoral theology among many others Since its first appearance in 1957 the ODCC has established itself as an essential resource for ordinands clergy and members of religious orders and an invaluable tool for academics teachers and students of church history and theology as well as for the general reader [A History of Russian Philosophy](#) Valery A. Kuvakin,1994-02 For the first time since the break up of the USSR and with the help of 21 leading historians of Russian philosophy from Moscow State University including M N Gromov Z A Kamensky M A Maslin B G Safronov and V V Serbinenko Valery A Kuvakin presents a comprehensive two volume work capturing the rich philosophical heritage of this diverse culture These scholars discuss its interpretation of the universe the essence of history and human existence the ideals of knowledge and a decent life the destiny of Russia and the life of the world community from the 10th century through the early 20th century These discussions are augmented with selected excerpts from original works which served as examples of the main schools of thought **Vladimir Solov'ëv** William Peter van den Bercken,Manon de Courten,Evert van der Zweerde,2000 Vladimir Solov ev 1853 1900 is regarded as the most original and systematic of the Russian philosophers in the 19th century He has once again become the subject of international scholarly attention both in Slavic countries and the West This volume contains selected papers presented at the international conference on Vladimir Solov ev held at Nijmegen University the Netherlands in September 1998 The scope of this conference was wide ranging dealing with theological metaphysical philosophical and historical themes Though Solov ev's broad intellectual activity defies any strict attempt at categorisation the editors have classified its major themes under the dual characteristic of reconciliation and polemics Solov ev was passionately committed to the reconciliation of all beings

under the idea of all unity which he attempted to achieve by engaging in uncompromising polemics with his contemporaries. The thirty contributors to this volume are specialists from Russia, Ukraine, Bulgaria, Western Europe, and the United States. The volume makes a significant contribution to the intellectual reassessment of Vladimir Solov'ev since the rediscovery of his philosophical heritage in his own homeland in the 1980s. *Modern Russian Theology* Paul Valliere, 2000-11-01. This volume is an introduction to the three great thinkers of the Russian school of modern Orthodox theology. It includes biographical sketches of the three and examines the creative ideas they devised or adapted, including free theocracy. *Theology in the Russian Diaspora* Aidan Nichols, 1989. The author, at the centre of this study, Russian priest-theologian Nikolai Nikolaevich Afanas'ev, was perhaps the most influential thinker about the Church Russia has produced. In Aidan Nichols's careful evaluation, he emerges as a key figure in the rapprochement of Christian East and West, and most notably of the Orthodox and Catholic churches. Nichols illustrates how Afanas'ev has been influential in two key respects: first of all, in his conviction that the Eucharist constitutes the foundation of the whole Church; and secondly, in his contribution to an Orthodox understanding of the role of the Roman Church and bishop in the context of a united Church. Afanas'ev's achievements are seen to have continuing relevance in view of the inauguration of the Orthodox-Catholic dialogue at the monastery of St John on Patmos in 1980, and the importance of his thinking in terms of contemporary ecumenism becomes clear. It is to such a reappraisal that this book is concerned, as it is with how Russian orthodoxy understands the Church, is devoted in the hope of an eventual restoration of unity between the Orthodox of all the Russias and the see of Rome. *German Idealism's Trinitarian Legacy* Dale M. Schlitt, 2016-10-20. Dale M. Schlitt presents a study of trinitarian thought as it was understood and debated by the German Idealists, broadly engaging Schelling's philosophical interpretations of Trinity as well as Hegel's, and analyzing how these Idealist interpretations influenced later philosophers and theologians. Divided into different sections, one considers nineteenth-century central Europeans: Philipp Marheineke, Isaak August Dorner, and Vladimir Sergeyevich Solovyov, under the rubric 'testimonials'. Another section studies twentieth-century Germans: Karl Barth, Karl Rahner, and Wolfhart Pannenberg, who share family resemblances with the Idealists; and a third addresses the work of twentieth- and twenty-first-century Americans: Robert W. Jenson, Catherine Mowry LaCugna, Joseph A. Bracken, and Schlitt himself, whose work reverberates with what Schlitt terms 'transatlantic Idealist echoes'. The book concludes with reflection on the overall German Idealist trinitarian legacy, noting several challenges it offers to those who will pursue creative trinitarian reflection in the future. *Ayn Rand* Chris Matthew Sciabarra, 2015-06-13. Author of *The Fountainhead* and *Atlas Shrugged*. Ayn Rand (1905-1982) is one of the most widely read philosophers of the twentieth century. Yet despite the sale of over thirty million copies of her works, there have been few serious scholarly examinations of her thought. *Ayn Rand: The Russian Radical* provides a comprehensive analysis of the intellectual roots and philosophy of this controversial thinker. It has been nearly twenty years since the original publication of Chris Sciabarra's *Ayn Rand: The Russian Radical*. Those years have witnessed an explosive increase in Rand

sightings across the social landscape in books on philosophy politics and culture in film and literature and in contemporary American politics from the rise of the Tea Party to recent presidential campaigns During this time Sciabarra continued to work toward the reclamation of the dialectical method in the service of a radical libertarian politics culminating in his book *Total Freedom Toward a Dialectical Libertarianism* Penn State 2000 In this new edition of Ayn Rand Chris Sciabarra adds two chapters that present in depth analysis of the most complete transcripts to date documenting Rand s education at Petrograd State University A new preface places the book in the context of Sciabarra s own research and the recent expansion of interest in Rand s philosophy Finally this edition includes a postscript that answers a recent critic of Sciabarra s historical work on Rand Shoshana Milgram Rand s biographer has tried to cast doubt on Rand s own recollections of having studied with the famous Russian philosopher N O Lossky Sciabarra shows that Milgram s analysis fails to cast doubt on Rand s recollections or on Sciabarra s historical thesis

The Dawn of Political Nihilism Professor David Ohana,2008-12-04 In the turbulent period between 1870 and 1930 the contours on modernity were taking shape especially the connections between technology politics and aesthetics The trilogy *The Nihilist Order* traces the genealogy of the nihilist totalitarian syndrome Until now nihilism and totalitarianism were considered opposites one an orderless state of affairs the other a strict regimented order On closer scrutiny however a surprising affinity can be found between these two concepts that dominated the history of the first half of the twentieth century Starting with Nietzsche s philosophy this book traces the development of an intellectual school characterised by the paradoxical dual purpose of a wish to destroy coupled with a strong desire to create imposing structures This explosive combination of nihilist leanings together with a craving for totalitarianism was an ideal of philosophers cultural critics political theorists engineers architects and aesthetes long before it materialised in flesh and blood not only in technology but also in fascism Nazism bolshevism and radical European political movements Friedrich Nietzsche Georges Sorel the Italian Futurists led by Filippo Tommaso Marinetti and Ernst J nger were all well known intellectual and cultural figures Here they are seen and understood in a different light as creators of a modern political mythology that became a source of inspiration for belligerent ideological camps Among the ideas propagated by this school and later adopted by totalitarian regimes were historical nihilism a revolt against the rationalistic and universalistic pretensions of the Enlightenment an affirmation of the dynamism of modern life and the replacement of the traditional Judeo Christian values of good and evil by other dualities such as authenticity and decadence Concurrently there took place affirmation of the technological era the creation of a new man and a violent order and the birth of a new political style in place of traditional world views When channelled into the political sphere these aesthetic nihilist ideas paved the way for the rise of totalitarianism

Journeys to a Graveyard Derek Offord,2006-07-01 *Journeys to a Graveyard* examines the descriptions provided by eight Russian writers of journeys made to western European countries between 1697 and 1880 The descriptions reveal the mentality and preoccupations of the Russian social and intellectual elites during this period The

travellers perceptions of western European countries are treated here as an ambivalent response to a civilization with which Russia was belatedly coming into close contact as a result of the imperial ambition of the Russian state and the westernization of the Russian elites The travellers perceived the most advanced European countries as superior to Russia in terms of material achievement and the maturity and refinement of their cultures but they also promoted a view of Russia as in other respects superior to the western nations Heavily influenced from the late eighteenth century by Romanticism and by the rise of nationalism in the west they tended to depict European civilization as moribund By this means they managed to define their own emergent nation in a contrastive way as having youth and promising futurity *Russia's Plato* Frances Nethercott, 2019-07-31 This title was first published in 2000 This work identifies the differences between the Russian intellectual approach to reading Plato and that of other European countries This study offers a complex perspective on Russian philosophical learnings up to 1930 The book contains five chapters with the first aiming to provide the general institutional context in which Russian 19th century Plato scholarship developed caught as it were between the rise of the historical sciences and the heavy hand of state interference in standardizing the educational system in the name of nation building and modernization The second chapter attempts to illustrate how Plato served as a reference in Russian philosophical culture and the third deals with aspects of Russian philosophy of law In the fourth chapter the author shifts his approach to compare and contrast a number of reactions to a single dialogue the Republic and in the final concluding chapter addresses the question of whether it is legitimate to speak of a Russian Platonism

Enjoying the Song of Phrase: An Psychological Symphony within **Philosophy In Russia From Herzen To Lenin And Berdyaev**

In a global eaten by monitors and the ceaseless chatter of instant connection, the melodic beauty and mental symphony produced by the written word usually disappear into the backdrop, eclipsed by the relentless sound and distractions that permeate our lives. However, nestled within the pages of **Philosophy In Russia From Herzen To Lenin And Berdyaev** an enchanting literary prize overflowing with raw thoughts, lies an immersive symphony waiting to be embraced. Constructed by an elegant musician of language, this interesting masterpiece conducts visitors on a mental trip, well unraveling the hidden songs and profound impact resonating within each carefully constructed phrase. Within the depths of this poignant assessment, we can examine the book is central harmonies, analyze its enthralling writing type, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Philosophy In Russia From Herzen To Lenin And Berdyaev Introduction

Philosophy In Russia From Herzen To Lenin And Berdyaev Offers over 60,000 free eBooks, including many classics that are in the public domain. Open Library: Provides access to over 1 million free eBooks, including classic literature and contemporary works. Philosophy In Russia From Herzen To Lenin And Berdyaev Offers a vast collection of books, some of which are available for free as PDF downloads, particularly older books in the public domain. Philosophy In Russia From Herzen To Lenin And Berdyaev : This website hosts a vast collection of scientific articles, books, and textbooks. While it operates in a legal gray area due to copyright issues, its a popular resource for finding various publications. Internet Archive for Philosophy In Russia From Herzen To Lenin And Berdyaev : Has an extensive collection of digital content, including books, articles, videos, and more. It has a massive library of free downloadable books. Free-eBooks Philosophy In Russia From Herzen To Lenin And Berdyaev Offers a diverse range of free eBooks across various genres. Philosophy In Russia From Herzen To Lenin And Berdyaev Focuses mainly on educational books, textbooks, and business books. It offers free PDF downloads for educational purposes. Philosophy In Russia From Herzen To Lenin And Berdyaev Provides a large selection of free eBooks in different genres, which are available for download in various formats, including PDF. Finding specific Philosophy In Russia From Herzen To Lenin And Berdyaev, especially related to Philosophy In Russia From Herzen To Lenin And Berdyaev, might be challenging as theyre often artistic creations rather than practical blueprints. However, you can explore the following steps to search for or create your own Online Searches: Look for websites, forums, or blogs dedicated to Philosophy In Russia From Herzen To Lenin And Berdyaev, Sometimes enthusiasts share their designs or concepts in PDF format. Books and Magazines Some Philosophy In Russia From Herzen To Lenin And Berdyaev books or magazines might include. Look for these in online stores or libraries. Remember that while Philosophy In Russia From Herzen To Lenin And Berdyaev, sharing copyrighted material without permission is not legal. Always ensure youre either creating your own or

obtaining them from legitimate sources that allow sharing and downloading. Library Check if your local library offers eBook lending services. Many libraries have digital catalogs where you can borrow Philosophy In Russia From Herzen To Lenin And Berdyaev eBooks for free, including popular titles. Online Retailers: Websites like Amazon, Google Books, or Apple Books often sell eBooks. Sometimes, authors or publishers offer promotions or free periods for certain books. Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Philosophy In Russia From Herzen To Lenin And Berdyaev full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Philosophy In Russia From Herzen To Lenin And Berdyaev eBooks, including some popular titles.

FAQs About Philosophy In Russia From Herzen To Lenin And Berdyaev Books

What is a Philosophy In Russia From Herzen To Lenin And Berdyaev PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Philosophy In Russia From Herzen To Lenin And Berdyaev PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Philosophy In Russia From Herzen To Lenin And Berdyaev PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Philosophy In Russia From Herzen To Lenin And Berdyaev PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Philosophy In Russia From Herzen To Lenin And Berdyaev PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss.

Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
