Photographers Peter E. Palmquist, 2000 Taming the Land: the Lost Postcard Photographs of the Texas High Plains John Miller Morris, 2009 A postcard craze gripped the nation from 1905 to 1920 as the rise of outdoor photography coincided with a wave of settlement and prosperity in Texas Hundreds of people took up cameras and photographers of note chose some of their best work for duplication as photo postcards sold for a nickel and mailed for a penny to distant friends and relatives These postcards which now enjoy another kind of craze in the collecting world left what author John Miller Morris calls a significant visual legacy of the history and social geography of Texas For more than a decade Morris has been finding and studying the photographers and methodically gathering their postcards In *Taming the Land* he shares those finds with readers introducing each photographer and providing interpretive descriptions of the places people or events depicted in the photographs The stories the cards tell in the images captured and the messages carried add an exceptional dimension to our understanding of life in rural Texas a century ago *Taming the Land* presents postcards from twenty four counties in the booming Texas Panhandle This is the first book in a set called *Plains of Light* which will collect and document turn of the twentieth century photo postcards from all over West Texas **Camera Clues** Joe Nickell, 2010-09-12 In *Camera Clues* Joe Nickell shares his methods of identifying and dating old photos and demonstrates how to distinguish originals from copies and fakes Particularly intriguing are his discussions of camera tricks darkroom manipulations retouching techniques and uses of computer technology to deceive the eye *Camera Clues* concludes with a look at allegedly paranormal photography from nineteenth century spirit photographs to UFO snapshots **Images Libraries Museums/Arch** Amy Mccoll, 2005-07-19 First Published in 1997 This is Volume IX Number I of *Visual Resources* an international journal of documentation This special issue focuses on images in libraries museums and archives description and intellectual access papers from the Philadelphia Area Consortium of Special Collections Libraries Summer Seminar of 1993 Canada in the Frame Philip J. Hatfield, 2018-06-18 *Canada in the Frame* explores a photographic collection held at the British Library that offers a unique view of late nineteenth century and early twentieth century Canada The collection which contains in excess of 4 500 images taken between 1895 and 1923 covers a dynamic period in Canada s national history and provides a variety of views of its landscapes developing urban areas and peoples Colonial Copyright Law was the driver by which these photographs were acquired unmediated by curators but rather by the eye of the photographer who created the image they showcase a grass roots view of Canada during its early history as a Confederation *Canada in the Frame* describes this little known collection and includes over 100 images from it The author asks key questions about what it shows contemporary viewers of Canada and its photographic history and about the peculiar view these photographs offer of a former part of the
