Peace Donald A. Hopkins, 2013-10-19 Robert E Lee is well known as a Confederate general and as an educator later in life but most people are exposed to the same handful of images of one of America s most famous sons It has been almost seven decades since anyone has attempted a serious study of Lee in photographs and with Don Hopkins s painstakingly researched and lavishly illustrated *Robert E Lee in War and Peace* the wait is finally over Dr Hopkins a Mississippi surgeon and lifelong student of the Civil War and Southern history with a recent interest in Robert E Lee s from life photographs scoured manuscript repositories and private collections across the country to locate every known Lee image 61 in all in existence today The detailed text accompanying these images provides a sweeping history of Lee s life and a compelling discussion of antique photography with biographical sketches of all of Lee s known photographers The importance of information within the photographer s imprint or backmark is emphasized throughout the book Hopkins offers a substantial amount of previously unknown information about these images how each came to be and the mistakes in fact and attribution other authors and writers have made describing photographs of Lee to the reading public Many of the images in this book are being published for the first time In addition to a few rare photographs and formats that were uncovered during the research phase of *Robert E Lee in War and Peace* the author offers for the first time definitive and conclusive attribution of the identity of the photographer of the well known Lee in the field images and reproduces a startling imperial size photograph of Lee made by Alexander Gardner of Washington D C Students of American history in general and the Civil War in particular as well as collectors and dealers who deal with Civil War era photography will find Hopkins s outstanding *Robert E Lee in War and Peace* a true contribution to the growing literature on the Civil War About the Author Born in the rural South Donald A Hopkins has maintained a fascination with Southern history since he was a child In addition to published papers in the medical field he has written several Civil War articles and *The Little Jeff* The Jeff Davis Legion Cavalry Army of Northern Virginia for which he received the United Daughters of the Confederacy s Jefferson Davis Historical Gold Medal Dr Hopkins

served as Battalion Surgeon for the 1st Battalion 9th Marines better known as The Walking Dead in Vietnam He was awarded the purple heart and the Bronze Star with combat V Dr Hopkins is a surgeon in Gulfport Mississippi where he lives with his wife Cindy and their golden retriever Dixie *Photographing History* Manuel 1890-1974 Komroff,2021-09-10 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public To ensure a quality reading experience this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy to read typeface We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Encyclopedia of**

Nineteenth-Century Photography John Hannavy,2013-12-16 The Encyclopedia of Nineteenth Century Photography is the first comprehensive encyclopedia of world photography up to the beginning of the twentieth century It sets out to be the standard definitive reference work on the subject for years to come Its coverage is global an important first in that authorities from all over the world have contributed their expertise and scholarship towards making this a truly comprehensive publication The Encyclopedia presents new and ground breaking research alongside accounts of the major established figures in the nineteenth century arena Coverage includes all the key people processes equipment movements styles debates and groupings which helped photography develop from being a solution in search of a problem when first invented to the essential communication tool creative medium and recorder of everyday life which it had become by the dawn of the twentieth century The sheer breadth of coverage in the 1200 essays makes the Encyclopedia of Nineteenth Century Photography an essential reference source for academics students researchers and libraries worldwide *The Photographer and the President* Richard Lowry,2015-05-26 A new angle on Lincoln and his legacy exploring the rich and suggestive dialogue between art image and politics at the time of the Civil War Abraham Lincoln was one of the most photographed figures of his century Richard Lowry explores Lincoln s association with Alexander Gardner the man who would create the most memorable and ultimately iconic images of the president both in his studio and on the battlefields of the Civil War Lowry s book is an accessible and lively narrative of this symbiotic relationship and an examination of the emerging role of the media at a moment of national transformation Lincoln was an early adopter of photographic technology and visionary in how he used it as FDR was with radio JFK with television and Obama with the internet By highlighting this very modern aspect of such a storied presidency Lowry opens a new door on Lincoln s relationship to politics and celebrity just as the mass culture of the image was taking root in America **Photography** Mary Warner Marien,2006 Each of the eight chapters takes a period of up to forty years and examines the medium through the lenses of art science social science travel

war fashion the mass media and individual practitioners Back Cover **Mathew Brady** Robert Wilson,2013-08-06 The first narrative biography of the Civil War s pioneering visual historian Mathew Brady known as the father of American photography Mathew Brady s attention to detail flair for composition and technical mastery helped establish the photograph as a thing of value In the 1840s and 50s Brady of Broadway photographed such dignitaries as Henry Clay Daniel Webster Dolley Madison Horace Greeley the Prince of Wales and Jenny Lind But it was during the Civil War that Brady s photography became an epochal part of American history The Civil War was the first war in history to leave a detailed photographic record and Brady knew better than anyone the dual power of the camera to record and excite to stop a moment in time and preserve it More than ten thousand war images are attributed to the Brady studio But as Wilson shows while Brady himself accompanied the Union army to the first major battle at Bull Run he was so shaken by the experience that throughout the rest of the war he rarely visited battlefields except well before or after a major battle instead sending teams of photographers to the front Mathew Brady is a gracefully written and beautifully illustrated biography of an American legend a businessman a suave promoter a celebrated portrait artist and most important a historian who chronicled America during the gravest moments of the nineteenth century **Civil War America, 1850 To 1875** Richard F.
