Playing the Field Mamie Van Doren,1987 **Playing the Field** Mamie Van Doren,Art Aveilhe,1988 Living a fast flamboyant life both on and off screen Mamie Van Doren once shared the Hollywood headlines with Marilyn Monroe and Jayne Mansfield But unlike them she emerged a survivor the last of a glamorous never to be forgotten era Marilyn Lois Banner,2012-08-02 An excellent book fascinating Telegraph A revelatory and intelligent tribute Good Housekeeping

Lois Banner s biography is revelatory Banner had access to material about Marilyn Munroe that no one else has seen from a trove of personal papers to facts and anecdotes about her childhood and her death Banner traces the eleven foster homes Marilyn went to uncovering the sexual abuse she suffered and her bisexuality She is also the first biographer to read Monroe s psychiatric records revealing a woman deeply rooted in paradox No biographer before has attempted to analyse much less realise most of these aspects of her personality Lois Banner has

Banner gives us a powerful portrayal of a savvy self publicist who worked tirelessly to ensure her trajectory from glamour model to screen goddess Frances Wilson Sunday Telegraph Book of the Week **Playing the Quantum Field** Brenda Anderson,2006 Have you ever experienced a sudden breakthrough when what you picture in your head actually happens and you want to pinch yourself because you cant believe its real Would you like to create these experiences more often The Law of Attraction is at work in your life every hour of every day By recognizing the patterns in your choice of thoughts you will learn how to tap into the transformative power of the quantum field the place where we are energetically connected to everything and everyone and anything is possible Author Brenda Anderson s playful and practical approach and numerous everyday examples make it easy to apply these concepts in your life right now Learn how to become a beacon so the life you want finds you Benji My Story Glenn Jackson,2011-10-11 New Zealanders have long believed Kiwis rugby league captain Benji Marshall to be the best player in the world That view was confirmed early in 2011 when he was named winner of the prestigious 2010 Golden Boot the international prize for the best player in the game He is the first Wests Tigers player to win this award and only the third New Zealander This international recognition was not surprising especially given the virtuoso performance he put on in the final of the Four Nations tournament last year when New Zealand sneaked past Australia Marshall has also been both inspirational and instrumental in many of New Zealand s victories in recent times including the World Cup win over Australia in 2008 Despite being only 26 he has crammed an awful lot into a career which first gained national prominence on both sides of the Tasman when he was selected to represent Australian Schoolboys back in 2003 Marshall s talent however had been spotted some years earlier when from his home town of Whakatane in New Zealand he was offered a scholarship to play for a high school on the Gold Coast when he was just 16 From then on it has been a one way path to the summit of the game He made his debut for NRL club Wests in 2003 at just 18 and has been with the club ever since He was a member of the Wests premiership winning team in 2005 and despite a string

of injuries including major shoulder surgery twice his star has continued to rise His performances for the Kiwis in recent years have left critics on both sides of the Tasman breathless In this book Marshall will not just talk about his great career but also his childhood in New Zealand he was raised without his biological father his move to Australia and his storybook entry into the game at the highest level **Jonah - My Story** Jonah Lomu, 2012-08-13 He was rugby's first truly international celebrity and he remains one of the game's greatest heroes A decade after the publication of his blockbuster autobiography Jonah Lomu opens up like never before about life after the All Blacks In this deeply moving sometimes explosive update to *Jonah My Story* the big man talks candidly of his life and his loves of reconciliation and betrayal and of the tragic illness that has been the one constant in his life since he first thundered on to the world's sporting stage It's 10 years since he played his final match for the All Blacks but still Jonah Lomu remains the most recognisable rugby face on the planet In this much awaited update to his 2004 best selling biography Jonah talks about the highs and lows of that last decade with candour and honesty Packed with astonishing revelations including the split with his long time manager the breakdown of his marriage and the deeply moving reconciliation with his father Jonah is also open about his on going health problems He details his brave battle with nephrotic syndrome which eventually led to a kidney transplant and talks about his current health situation which sees him again in complete renal failure and requiring a second transplant Despite the cruel hand Jonah Lomu has been dealt he remains cheery and optimistic sharing the good times along with the bad including his joy at becoming a father and how his two young sons have helped save him from the dark times **A State of Mind, My Story** J Z Knight, Judy Zebra Knight, 2004 JZ Knight's intimate and very special story of her life It is a life she was chosen for but a life with every conceivable hardship and obstacle imposed on it Throughout her life JZ Knight has fought disease prejudice and loneliness and has triumphantly overcome them all It is her and Ramtha's revealingly candid and unforgettable story that will touch anyone who ever asked the great questions Why am I here How can I truly enrich my life What does the future hold for me and the world **Jimmy** Jason Colavito, 2024-11-19 A fresh and long overdue reassessment of James Dean examining his life and legacy as a queer man Although he died at a heartbreakingly young age and appeared in only a handful of movies James Dean revolutionized American manhood As a celebrity and icon he melded vulnerability with determination sensitivity with strength in a way that offered a bracing and for some threatening new vision of masculinity His massive influence and the fascination he has always inspired are inseparable from his identity as a queer man whose complex sexuality shattered the norms of midcentury American society When asked whether he was a homosexual he reportedly said I'm certainly not going through life with one hand tied behind my back Today even though it is widely accepted that Dean was gay or bisexual the story of his life and personal character continue to be colored by the prejudices of an earlier era and the work of often unscrupulous biographers and journalists Drawing on exhaustive new research including more than four hundred previously secret pages of Dean's personal and business records *Jimmy The Secret Life of James Dean* is a
