Poor Plutocrats:

The Poor and the Plutocrats Francis Teal, 2021-03-24 Why we are poor and others are so very rich indeed why they are so rich when we are still very poor A decisive examination of inequality and its relationship to poverty and wealth The Poor and the Plutocrats explores how we live in a world of very many poor people and a very few extremely rich ones the poor and the plutocrats of the title Globally the last twenty years have seen declines in inequality between countries and the fastest fall in the numbers of absolutely poor in history those living on less than the World Bank extreme poverty line of US 1 90 per day In parallel inequality within some countries has increased markedly particularly in the US and the UK In The Poor and the Plutocrats Francis Teal explains this pattern of falling absolute poverty and rising relative poverty the decline of global inequality and the rise of inequality within countries through the lens of how over the last two centuries the value of relatively unskilled labour has changed To understand the co existence of the poor and the plutocrats Teal examines the patterns of growth in national income and how the 1% have captured in some countries an increasing share of that income This book explains how we have come to live in a world of such high levels of income and such dissatisfaction with how that income is distributed

The Poor Plutocrats Mór Jókai, Was it you who yawned so Clementina Nobody answered The questioner was an old gentleman in his eightieth year or so dressed in a splendid flowered silk Kaftan with a woollen night cap on his head warm cotton stockings on his feet and diamond turquoise and ruby rings on his fingers He was reclining on an atlas ottoman his face was as wooden as a mummy s a mere patch work of wrinkles he had a dry thin pointed nose shaggy autumnal yellow eyebrows and his large prominent black eyes protected by irritably sensitive eyelids lent little charm to his peculiar cast of countenance Well Will nobody answer Who yawned so loudly behind my back just now he asked again with an angry snort Will nobody answer Nobody answered and yet there was a sufficient number of people in the room to have found an answer between them In front of the hearth was sitting a young woman about thirty or thirty five with just such a strongly pronounced pointed nose with just such high raised eyebrows as the old gentleman s only her face was still red though the favour of Nature had not much to do with that perhaps and her eyebrows were still black but her thin lips were just as hermetically sealed as the old man s when she was not speaking This young woman was playing at Patience
