Lady in the Dark Bruce D. McClung,2009-02-16 When Lady in the Dark opened on January 23 1941 its many firsts immediately distinguished it as a new and unusual work The curious directive to playwright Moss Hart to complete a play about psychoanalysis came from his own Freudian psychiatrist For the first time since his brother George s death Ira Gershwin returned to writing lyrics for the theater And for migr composer Kurt Weill it was a crack at an opulent first class production Together Hart Gershwin and Weill with a little help from the psychiatrist produced one of the most innovative works in Broadway history With a company of 101 and an astronomical budget Lady in the Dark launched the career of a young nightclub performer named Danny Kaye and starred Gertrude Lawrence in the greatest triumph of her career With standees at many performances Lady in the Dark helped establish the practice of advance ticket sales on the Great White Way while Paramount Pictures bid for the film rights broke all records New York Times drama critic Brooks Atkinson hailed the production as splendid anointed Kurt Weill the best writer of theatre music in the country and worshiped Gertrude Lawrence as a goddess Though Lady in the Dark was a smash hit it has never enjoyed a Broadway revival and a certain mystique has grown up around its legendary original production In this ground breaking biography bruce mcclung pieces together the musical s life story from sketches and drafts production scripts correspondence photographs costume and set designs and thousands of clippings from the star s personal scrapbooks He has interviewed eleven members of the original company to provide a one of a kind glimpse into the backstage story The result is a virtual ticket to opening night the saga of how this musical play came to be and the string of events that saved the experimental show at every turn Although America was turned upside down by Pearl Harbor after the production was on the boards Lady in the Dark played an important role for the war effort and rang up 777 performances in 12 cities In what may be the most illuminating study of a single Broadway musical this biography brings Lady in the Dark back to the spotlight and puts readers in the front row

Lyrics on Several Occasions Ira Gershwin,1997 One of the most distinguished lyric writers of his time Ira Gershwin wrote for his brother George as well as Jerome Kern Kurt Weill Harold Arlen and others Limelight presents a selection of stage and screen lyrics written for sundry situations and now arranged in arbitrary categories to which have been added many informative annotations and disquisitions on their why and wherefore their whom for their how and matters associative Gershwin's comments witty and irreverent and his anecdotes about the making of many favorites are invariably interesting and frequently surprising Chicago Tribune **Ira Gershwin Songbook**,1984 **Some Enchanted Evenings** David Kaufman,2016-07-12 Mary Martin was one of the greatest stars of her day Growing up in Texas she was married early to Benjamin Hagman and gave birth to her first child Larry Hagman She was divorced even more quickly Martin left little Larry with her parents and took off for Hollywood She didn't make a dent in the movie industry and was lured to New York where she found herself auditioning for Cole Porter and his new show Leave It to Me After she sang the bawdy My Heart Belongs to Daddy she ended up on the cover of Life magazine Six years later she became the Toast of Broadway when she starred in South Pacific After that she flew as Peter Pan yodeled in The Sound of Music took Hello Dolly on the road and shared a four poster with Robert Preston in I Do I Do Her personal life was just as interesting In NYC she met and married Richard Halliday a closeted upper class homosexual who adored her Broadway and interior decorating though probably not in that order They were a powerful twosome There were rumors about Martin too being in a lesbian relationship with both Janet Gaynor and Jean Arthur Peopled with legends like Ethel Merman Ezio Pinza Noel Coward and a starry cast of thousands David Kaufman's Some Enchanted Evenings is the delectable story of the one and only Mary Martin a woman who described herself as a chicken farmer from Texas only to become Peter Pan and capture America's heart Songbook Ira Gershwin,1984 **Ira Gershwin: A Life in Words** Michael Owen,2024-11-26 The man behind some of the most memorable lyrics in the Great American Songbook steps from behind his brother's shadow The first lyricist to win the Pulitzer Prize Ira

Gershwin 1896 1937 has been hailed as one of the masters of the Great American Songbook a period which covers songs written largely for Broadway and Hollywood from the 1920s to the 1950s Now in the first full length biography devoted to his life Michael Owen brings Ira out at last from the long shadow cast by his younger and more famous brother George Drawing on extensive archival sources and often using Ira s own words Owen has crafted a rich portrait of the modest man who penned the words to many of America s best loved songs like Fascinating Rhythm Embraceable You and They Can t Take That Away from Me These fruits of Ira s lyric genius sprang from the simplest of seeds a hand drawn weekly created for a cousin an amateur newspaper co written with friend and future lyricist Yip Harburg columns in the school papers at Townsend Harris High School and later City College of New York The details of his early literary efforts demonstrate both his developing ambition and the early signs of his talent But while the road to becoming a successful lyricist was neither short nor smooth it did lead Ira to the greatest creative partnership of his life George and Ira Gershwin collaborated on a string of hit Broadway shows in the 1920s and 1930s that resulted in popular and financial success and spawned a long string of songs that have become classics Owen offers fascinating glimpses of their creative process drawing on Ira s diaries and other contemporary sources as well as the close relationship between the two brothers Hollywood soon beckons and the brothers head west to California to work in the movie business Greater fame and fortune seem right around the corner George Gershwin died in a Los Angeles hospital in July 1937 He was only 38 years old His death marked a stark dividing line in Ira s life and from that point on much of his time and energy was devoted to the management of his brother s estate and the care of his legacy Accustomed to living in his brother s shadow it now threatened to overwhelm him He worked to balance all the administrative tasks with a new series of collaborations with composers like Kurt Weill Jerome Kern Harry Warren and Harold Arlen Ira s last Broadway work was in 1946 and several films and a book project a collection of his lyrics with the stories behind them occupied his later years along with the ongoing management of George s affairs Ira Gershwin s work with George left an enduring mark on American culture as recognized by the Library of Congress in 2007 when it established the Gershwin Prize for Popular Song which has been awarded to artists like Paul Simon Carole King Tony Bennett Paul McCartney and Elton John In Ira Gershwin A Life in Words Michael Owen brings the publicity shy lyricist into the spotlight he deserves
