another day at the convenience store that Alisha works at until the CDC broadcasts that people are turning into zombies Alisha's boss won't let her go home because he thinks the zombie apocalypse is a hoax But when her co-worker Francine goes missing Alisha knows it's only a matter of time before the zombies come for her All Alisha really wants to do is ride out the zombie apocalypse with the hot guy who works across the street at the rival convenience store but if she's not careful she'll get eaten or become a zombie herself      *Rebels of the Zombie Apocalypse* Call Center Taylor Ellwood, 2022-02-10 Sam's got a lead on the cure for the zombie virus But to get the cure Sam has to do something that doesn't come easily to him He's got to follow orders from Garret a no-nonsense by-the-book commander who isn't impressed with Sam's customer support skills or his lack of discipline But can Sam and Garret work together when Sam does anything but follow the rules To find the cure Garret and Sam need to infiltrate a Zombii Co factory but the factory contains more secrets than just the cure It contains Zombii Co's other experiments with zombies and an insane manager willing to do anything it takes to keep those secrets where they belong including infecting everyone in the factory with the zombie virus When Sam's mission goes sideways he has to fight his way through acid-spitting zombies and super zombies while working with Garret to keep his unit alive and keeping all of them uninfected If Sam doesn't get his act together he could lose his friends Worse He could lose the cure that can save the world from the zombie apocalypse      *The Alien Invasion Apocalypse* Prophet Taylor

Ellwood, 2022-09-06 Sam is telepathic and knows the aliens are coming The problem is he's also a zombie and no one trusts him Sam needs to find allies who can help him find the proof that the aliens exist and are invading the Earth before it's too late to prepare for the invasion Before Sam can do that he's got to escape the base he's trapped in but his every move is being watched by Michelle who will use any excuse to lock him up and toss away the key Can Sam prove that the alien threat is real in time to warn the world But if Sam's going to find the proof he needs he's got more to contend with than a vengeful ex-girlfriend because there are other people willing to do anything it takes to stop him from spreading the truth including former Zombii Co employees still fanatically loyal to their dead leader      *Inner Alchemy of Wintering* Taylor

Ellwood, 2022-02-22 Restore and reinvent yourself through the inner alchemy of wintering Sometimes we hit spiritual burnout because of events in our lives or in our spiritual work or because we've just hit the wall and can't go any further We hit a state of wintering where we need to rest reflect and reinvent ourselves In this book you will learn What wintering is and how it applies to spiritual and magical work How to make peace with spiritual burnout instead of trying to fight it Why we need to integrate rest and reflection into your spiritual and magical work How to discover what is truly essential in the face of burnout How to use the ritual of reinvention to transform your life If you've hit a state of burnout or wintering this book will help you work through those states You'll learn how to use the inner alchemy of wintering to turn the burnout in your life into inspiration that drives the reinvention of your life through practical magic
