**The Journey in Between** Gail Gillis Post,2025-03-25 Follow the journey of a young woman who found herself trapped in a tumultuous marriage to an alcoholic A woman who endured emotional abuse for over ten years while fighting tirelessly to hold her family together only to confront betrayal in the end at the hands of a cheater That woman was me Growing up in a modest blue collar town I knew the value of hard work and so after graduating high school I juggled two jobs to make ends meet When Richard entered my life as manager of my part time employer I saw the promise of stability and a bright future in

him His college education and apparent ambition seemed like husband material in my eyes so when he proposed I accepted unwittingly sealing my fate Little did I know that Richard battled demons of his own and he soon succumbed to the grips of alcoholism By the time the truth emerged we had already uprooted our lives to further his career by moving halfway across the country leaving my support system behind Adrift and alone after my divorce I grappled with despair and was frightened at an unknown future for myself and my children Navigating the unfamiliar terrain of singlehood in a modern dating world I traversed the complexities of dating that were transformed by the arrival of the AOL internet dating services Determined to survive I fought to regain a newfound resilience to find my inner strength From the cocoon of my former life I finally recognized my self worth and emerged as a survivor who forged a stable and nurturing home for two spirited sons Join me as I recount the highs and lows of my life experiences and weave a tapestry of laughter heartache and unexpected revelations on my quest for happiness and fulfillment My story is peppered with anecdotes of motherhood and humorous encounters with suitors along with unsolicited and unfiltered wisdom from my mother while I navigated the path toward finding new love

*Journey* Marsha Mason, 2002-01-27 As an actress Marsha Mason has had a varied and very successful career Winner of the Golden Globe award as best actress and a four time Academy Award nominee she has worked in film perhaps most notably in the movies Cinderella Liberty Chapter Two and The Goodbye Girl television most recently as Sherry on Frasier and the theater having performed in London s West End on and off Broadway and in regional theater around the U S While the path she followed to achieve her success was seldom an easy one Marsha Mason never wavered in her determination She wanted to be an actress that much she knew even as a young girl growing up in a modest neighborhood in St Louis For her acting would be an escape a chance to be someone other than the girl who seemed always to disappoint and anger her parents the ticket that would take her out of their provincial strict Catholic household and transport her to another world somewhere between reality and fantasy Now in *Journey* Marsha Mason retraces the path she followed out of her difficult childhood She moved to New York City where she worked as a waitress and go go dancer before landing a role in the then popular daytime TV soap opera Love of Life After that her world started to change as one success led to another The biggest change however came when she met Neil Simon Broadway s most successful and powerful playwright the creator of such long running shows as Barefoot in the Park and The Odd Couple Cast in his play The Good Doctor Mason found herself drawn to the charismatic Simon who was still struggling with the pain of losing his wife Joan to cancer After a brief whirlwind courtship they married and nothing was ever the same The couple moved to Hollywood so Mason could pursue film work and Simon began writing a string of films to star his new wife Her journey had indeed taken her far as she realized an undreamed of level of success There was however a price to pay The marriage to Simon ended so abruptly and left such a major void that for quite some time afterward Marsha Mason seemed to have neither direction nor focus in her life Finally deciding to leave Hollywood and to undertake an entirely different career raising herbs on a ranch in New Mexico she began a new stage of

her journey the one that frames this very personal and involving memoir by packing up a lifetime of memories and setting off with friends on an odyssey that finds her today a successful farmer with a still active career as an actress Marsha Mason's Journey is revealing of the demands and sacrifices of the life of a successful actress and at the same time inspiring as she traces a lifetime spent in search of an elusive happiness As an adult child of alcoholics she has come to understand the forces that shaped her life and propelled her along a path that was as inevitable as it was debilitating And now from her present vantage point she is able to look back with a new understanding one that enables her to take comfort in the success she has found and find joy in learning to celebrate life
