Popeye cartoons volume 2 (video recording). ,1989 United Artists, Volume 2, 1951-1978 Tino Balio,2009-04-08

In this second volume of Tino Balio's history of United Artists he examines the turnaround of the company in the hands of Arthur Krim and Robert Benjamin in the 1950s when United Artists devised a successful strategy based on the financing and distribution of independent production that transformed the company into an industry leader Drawing on corporate records and interviews Balio follows United Artists through its merger with Transamerica in the 1960s and its sale to MGM after the financial debacle of the film Heaven's Gate With its attention to the role of film as both an art form and an economic institution *United Artists The Company That Changed the Film Industry* is an indispensable study of one company's fortunes from the 1950s to the 1980s and a clear-eyed analysis of the film industry as a whole This edition includes an expanded introduction that examines the history of United Artists from 1978 to 2008 as well as an account of Arthur Krim's attempt to mirror UA's success at Orion Pictures from 1978 to 1991 *Bowker's Complete Video Directory* ,2000 *The Black Mind (Volume 2i)* Salvatore Palmieri,2016-01-29 What's more beautiful than a strong and careless friendship Originated by a common accident that could happen to anyone the relationship what will create between the two teenagers protagonists of one of the stories of this second volume of *The Black Mind* will become so strong to bring them to share their most gloomy passions until when the situation will come to a tragic ending Because as we well know shared passions often tend to create unity and complicity regardless the reason So free falling in science fiction you will travel in a future that got destroyed and that is characterized by death and terror The few survivors ill and completely worn out will fight to the last breath with the only desire to understand the provenience present and future time of their destiny Between the rugged dirty and metallic walls of an underground prison hidden in the deepest corners of history an alien mystery nauseating and bloodthirsty will offer you terrible nightmares *Rocketeer Adventures Vol. 2 #2* Paul Dini,Walter Simonson,Tom Taylor, The second star studded issue of *Rocketeer Adventures* streaks into the skies with three high flying tales of derring do We start with a story on a grim battle field and race to save a soldier's life Next up Is a jealous Cliff keeping an eye on Betty in his own inimitable way Last is a run in with a Hollywood icon in danger Another 25 pages of gorgeous art and stories and all for the price of a regular 22 page book *Popeye* Fred M. Grandinetti,2004-08-12 It's a rare comic character who can make audiences laugh for well over half a century but then again it's a pretty rare cartoon hero who can boast of forearms thicker than his waist who can down a can of spinach in a single gulp or who generally faces the world with one eye squinted completely shut When E C Segar's gruff but lovable sailor man first tooted his pipe to the public on January 7 1929 it was not in the animated cartoon format for which he is best known today and which would become the longest running series in film history Instead it was on the comics page of the New York Journal as Segar's Thimble Theatre strip Over the decades to come Popeye was to appear on radio television stage and even in a live action feature film This comprehensive and lavishly illustrated history is a

thoroughly updated and revised edition of the highly acclaimed 1994 work Animated series and films are examined noting the different directions each studio took and the changing character designs of the Popeye family Popeye in other media comics books radio and a stage play is thoroughly covered as are Robert Altman s 1980 live action film and Popeye memorabilia
