**Poppies From Heaven** Faye Schindelka,2011-03-16 Does consciousness continue after death Are the deceased capable of communicating with the loved ones they ve left behind Do our thoughts reach the deceased In this book I share the answers that I ve received regarding these urgent questions In 2005 my brother Murray died unexpectedly while sleeping Minutes after saying goodbye to his lifeless body he began communicating with me He hasn t stopped since Whether Murray speaks to me directly or through varied and often humorous physically occurring signs his message is always one of love and light He dispels the fear of what the transition from this plane to the next means for all of us and offers comfort to those grieving the loss of a loved one Skeptics and believers alike are astounded by these accounts of contact between two worlds
