Popular Jewish Literature And Its Role In The Making Of An Identity:

Popular Jewish Literature and Its Role in the Making of an Identity Danièle Kahn-Paycha, 2000 **Political Initiation in the Novels of Philip Roth** Claudia Franziska Bruhwiler, 2013-04-25

Political Initiation in the Novels of Philip Roth exemplifies how literature and specifically the work of Philip Roth can help readers understand the ways in which individuals develop their political identity learn to comprehend political ideas and define their role in society Combining political science literary theory and anthropology the book describes an individual's political coming of age as a political initiation story which is crafted as much by the individual himself as by the circumstances influencing him such as political events or the political attitude of the parents Philip Roth's characters constantly re write their own stories and experiment with their identities Accordingly Philip Roth's works enable the reader to explore for instance how individuals construct their identity against the backdrop of political transformations or contested territories and thereby become initiands or fail to do so Contrary to what one might expect initiations are not only defining moments in childhood and early adulthood instead Roth shows how initiation processes recur throughout an individual's life

Samuel Roth, Infamous Modernist Jay A. Gertzman, 2013-04-01 Samuel Roth is known to most literary scholars as a bold literary pirate for issuing unauthorized editions of modernist sensations including *Ulysses* and *Lady Chatterley's Lover* In the absence of an international copyright agreement and because works deemed obscene could not be copyrighted what he did was not illegal But it did violate the protocols of mutual fair dealing between publishers and authors Those publications provoked an unprecedented international protest of writers publishers and intellectuals who eventually vilified Roth on two continents Roth was a man with an uncanny ability to recognize good contemporary writing and make it accessible to popular audiences Ultimately his dedication to the publication of these works broke down many of the censorship laws of the time though he suffered greatly for his efforts His story portrays a struggle with literary censorship in the mid twentieth century while providing insights into how modernism was marketed in America

The American Revelation Neil Baldwin, 2007-04-01 Neil Baldwin one of the most exciting intellectual historians has written extensively about the great thinkers and innovators who have shaped our unique American identity In *THE AMERICAN REVELATION* he turns his energies to the unfolding story of how the American spirit developed over 400 years This inspiring examination of the ideals that have grown to inform our national identity and of the figures who set the course for our evolving self image covers City on a Hill John Winthrop 1630 Common Sense Thomas Paine 1776 E pluribus unum Pierre Eugene Du Simitiere 1776 Self Reliance Ralph Waldo Emerson 1841 Manifest Destiny John L O Sullivan 1845 Progress and Poverty Henry George 1879 The Sphere of Action Jane Addams 1902 The Melting Pot Israel Zangwill 1908 The Negro in Our History Carter Woodson 1922 The Marshall Plan George C Marshall 1947 Neil Baldwin writes of figures both familiar and forgotten in this work of popular history that seeks to illuminate and enliven the current debate about American's role in the world Meticulously researched and entertainingly written *THE AMERICAN*

Contemporary Islamic Political Thought in Egypt Ebtisam Aly Hussein,2024-02-22 This book takes a hermeneutic approach toward reading the writings of Jamal al Banna and Tariq al Bishri across several decades in order to explore contemporary Islamic political thought under authoritarianism Ebtisam Aly Hussein uses the framework of meta languages in relation to the writings of these two particular Islamic intellectuals to examine how authority over the public sphere is established in both religious and political terms Chapters outline the major themes of Islamic political thought in the writings of al Banna and al Bishri mainly the state in Islam Shari a application political violence as jihad and identity politics and how in their writings they have interacted with a variety of autocratic practices under Nasir Sadat and Mubarak The book puts forward a unique study of the role of politics and religion in establishing authority over the public sphere and how this authority is manifested in the intellectual output of these two Islamic intellectuals **Saul Lieberman, (1898-1983),**

Talmudic Scholar Saul Lieberman,2002 Long acknowledged as one of the pre eminent scholars of his generation this book provides a sense of the multi faceted nature of Lieberman s greatness his method of establishing the correct reading of given rabbinic text his mastery of Greek and Latin in their historical and cultural contexts the incredible literary sophistication that Lieberman utilized in approaching ancient texts his salient contribution to medieval history and literature and his guidance in biblical exegesis **Inventing the Israelite** Maurice Samuels,2009-12-07 In this book Maurice Samuels brings to light little known works of literature produced from 1830 to 1870 by the first generation of Jews born as French citizens These writers Samuels asserts used fiction as a laboratory to experiment with new forms of Jewish identity relevant to the modern world In their stories and novels they responded to the stereotypical depictions of Jews in French culture while creatively adapting the forms and genres of the French literary tradition They also offered innovative solutions to the central dilemmas of Jewish modernity in the French context including how to reconcile their identities as Jews with the universalizing demands of the French revolutionary tradition While their solutions ranged from complete assimilation to a modern brand of orthodoxy these writers collectively illustrate the creativity of a community in the face of unprecedented upheaval **Making German**

Jewish Literature Anew Katja Garloff, 2022-12-06 In *Making German Jewish Literature Anew* Katja Garloff traces the emergence of a new Jewish literature in Germany and Austria from 1990 to the present. The rise of new generations of authors who identify as both German and Jewish and who often sustain additional affiliations with places such as France, Russia, or Israel affords a unique opportunity to analyze the foundational moments of diasporic literature. *Making German Jewish Literature Anew* is structured around a series of founding gestures performing authorship, remaking memory, and claiming places. Garloff contends that these founding gestures are literary strategies that reestablish the very possibility of a German Jewish literature several decades after the Holocaust. *Making German Jewish Literature Anew* offers fresh interpretations of second-generation authors such as Maxim Biller, Doron Rabinovici, and Barbara Honigmann, as well as of third-generation authors, many of whom come from Eastern European and/or mixed-religion backgrounds. These more recent writers include Benjamin Stein, Lena Gorelik, and Katja Petrowskaja. Throughout the book, Garloff asks what exactly marks a given text as Jewish: the author's identity, intended audience, thematic concerns, or stylistic choices, and reflects on existing definitions of Jewish literature.

Mapping Jewish Identities Laurence J. Silberstein, 2000-07 Is Jewish identity flourishing or in decline? Community leaders and scholarly researchers continually seek to determine the attitudes, beliefs, and activities that best measure Jewish identity. At issue according to these studies is the very survival of the Jewish community itself. But such studies rarely ask what actually is being examined when we attempt to assess Jewish identity or any identity. Most tend to assume that identity is a preexisting, relatively fixed frame of reference reflecting shared cultural and historical experiences. Drawing on recent work in such fields as cultural studies, poststructuralist theory, postmodern philosophy, and feminist theory, *Mapping Jewish Identities* challenges this premise. Contesting conventional approaches to Jewish identity, contributors argue that Jewish identity should be conceptualized as an ongoing, dynamic process of becoming in response to changing cultural and social conditions, rather than as a stable, defining body of traits. Contributors including Daniel Boyarin, Laura Levitt, Adi Ophir, and Gordon Bearn examine such topics as American Jews' desires to connect with a lost immigrant past through photography, the complicated function of the Holocaust in the identity formation of contemporary Jews, the impact of the struggle with the Palestinians on Israeli group identity construction, and the ways in which repressed voices such as those of women Mizrahim and Israeli Arabs have changed our ways of thinking about Jewish and Israeli identity.

German-Jewish Literature in the Wake of the Holocaust P. Bos, 2005-06-03 Combining cultural history and literary analysis, this study proposes a new and thought-provoking reading of the changing relationship between Germans and Jews following the Holocaust. Two Holocaust survivors whose work became uniquely successful in the Germany of the 1980s and 1990s, Grete Weil and Ruth Kluger, emerge as exemplary in their contributions to a postwar German discussion about the Nazi legacy that had largely excluded living Jews. While acknowledging that the German audience for the works of Holocaust survivors began to change in the 1980s, this study disputes the common tendency to interpret this as a sign of greater

willingness to confront the Holocaust arguing instead that it resulted from a continued German misreading of Jews criticisms By tracing the particular cultural political impact that Weil s and Kluger s works had on their German audience it investigates the paradox of Germany s confronting the Holocaust without necessarily confronting the Jews as Germans Furthermore for the authors this literature also had a psychological impact their return to the German language and to Germany is read not as an act of mourning or nostalgia but rather as a public call to Germans for a dialogue about the Nazi past as a way to move into the public realm the private emotional and psychological battles resulting from German Jews exclusion from and persecution by their own national community **The Jew and His History** Lionel Kochan,1977-06-17

profound social turmoil Breaking new ground in the study of perceptions and realities within a pivotal segment of the Viennese population Jewish Women in Fin de Si cle Vienna applies the lens of gender in important new ways **Writing a Modern Jewish History** Susannah Heschel,Arthur Hertzberg,2006-01-01 In this insightful book an eclectic and distinguished group of writers explore the Jewish experience in the Americas and celebrate the legacy of Salo Wittmayer Baron 1895 1989 a preeminent scholar who revolutionized the study of Jewish history during his lengthy tenure at Columbia University Baron s important ideas are reflected throughout these texts which concern strategies for the continuous identity of a dispersed people Featured essays discuss the meaning and significance of colonial portraits of American Jews the history of an extraordinary group of Jews in the remote Amazon the charitable fairs organized by Jewish women to raise money for various causes in nineteenth century America the place of Jews in postmodern American culture the Jewish unconscious of the art critic Meyer Schapiro and Salo Baron s influence as a historian and teacher A group of poems by Robert Pinsky accompanies the essays Together these writings form a dynamic interplay of ideas that encourages readers to think deeply about Jewish history and identity **A Club of Their Own** Eli Lederhendler,Gabriel N. Finder,2016-10-05 Volume XXIX of Studies in Contemporary Jewry takes its title from a joke by Groucho Marx I don t want to belong to any club that will accept me as a member The line encapsulates one of the most important characteristics of Jewish humor the desire to buffer oneself from potentially unsafe or awkward situations and thus to achieve social and emotional freedom By studying the history and development of Jewish humor the essays in this volume not only provide nuanced accounts of how Jewish humor can be described but also make a case for the importance of humor in studying any culture A recent survey showed that about four in ten American Jews felt that having a good sense of humor was an essential part of what being Jewish means to them on a par with or exceeding caring for Israel observing Jewish law and eating traditional foods As these essays show Jewish humor has served many functions as a form of insider speech It has been used to ridicule to unite people in the face of their enemies to challenge authority to deride politics and politicians in America to ridicule conspicuous consumption in Israel to contrast expectations of political normalcy and bitter reality However much of contemporary Jewish humor is designed not only or even primarily as insider speech Rather it rewards all those who get the punch line A Club of Their Own moves beyond general theorizing about the nature of Jewish humor by serving a smorgasbord of finely grained historically situated and contextualized interdisciplinary studies of humor and its consumption in Jewish life in the modern world **Jewish Bialystok and Its Diaspora** Rebecca Kobrin,2010-05-07 The mass migration of East European Jews and their resettlement in cities throughout Europe the United States Argentina the Middle East and Australia in the late 19th and early 20th centuries not only transformed the demographic and cultural centers of world Jewry it also reshaped Jews understanding and performance of their diasporic identities Rebecca Kobrin s study of the dispersal of Jews from one city in Poland Bialystok demonstrates how the act of migration set in motion a wide range of transformations that led the migrants to imagine

themselves as exiles not only from the mythic Land of Israel but most immediately from their east European homeland Kobrin explores the organizations institutions newspapers and philanthropies that the Bialystokers created around the world and that reshaped their perceptions of exile and diaspora Coexisting Contemporary Civilizations Guy Ankerl,2000 Some important questions are discussed in this book Are there any civilisations other than the Western one living in our so called Global Age Eastern civilisation Is the concept of East anything more than non West Or does there exist in reality a distinct Chinese Indian Arabo Muslim and Western civilisation Is the construction of large civilisation states such as China and India an unparalleled historical achievement Do economic ties always eclipse other forms of affiliation such as those formed through kinship or between speech communities What is the role of the Latin and the Jewish Peoples in our Anglo American led Western world Is English today the global language or merely an international one Is the Chinese thought pattern closely related to its writing system Is today s world one of symmetrical interdependence Or rather one of hegemony If the so called North South or East West dialogue fails in constructing a universally accepted world civilisation then what is the appropriate arrangement for reaching such a consensus within humankind **Trauma in 20th Century Multicultural American**

Poetry Jamie D. Barker,2020-02-06 In Trauma in 20th Century Multicultural American Poetry Jamie D Barker argues that by using literary trauma theory in conjunction with a reader response approach readers can gain a better understanding of how poetry can work towards building community and encouraging empowerment over oppression by establishing collectives of people who may share similar stories and experiences connected to trauma Rather than demonstrating how the poetry may fail or trying to establish what traumatic events the speaker or poet in some studies may have encountered and the significance thereof this study focuses on how the reader may find community with the ideas represented within the poem The poetry of various ethnicities are examined including African American poets Amiri Baraka and Lucille Clifton Native American poets Robin Coffee Linda Hogan and Peter Blue Cloud as well as Japanese American poets Mitsuye Yamada Keiho Soga and Lawson Fusao Inada Although many of these poets have had their poems examined in the past none have been explored through this type of approach Furthermore very few studies have expanded upon the ideas of literary trauma theory by using reader response and no writings have examined the idea of ambivalence in poetry as this study does
