## **Popular Medicine In Thirteenth Century England:**

*Popular Medicine in Thirteenth-century England* Tony Hunt, 1990 Fills a big gap It is concerned with recipe collections perhaps the least studied of all medical documents and includes chants charms and prayers as well as herbal remedies for a variety of ailments Popular Medicinesucceeds in two ways the quality of its philological scholarship confirms the growing academic respectability of an interest in medical history and the abundance of primary material made available for the first time in print offers a way of reconciling opposing views on medieval English medicine It forces medical historians to think hard about the diagnostic categories they use and sanctions a pluralist approach to an equally diverse system of medicine  
TIMES LITERARY SUPPLEMENT The first study of Anglo Norman medical prescriptions to appear in print Six major collections comprising over 1000 receipts are analysed and edited A historical introduction provides the richest and most up to date account of popular medicine in the period 1100 1300 yet published Full botanical glossaries are provided TONY HUNT is a Fellow of St Peter s College Oxford *A History of Medicine: Medieval medicine* Plinio Prioreschi, 1996

## **Health, Sickness, Medicine and the Friars in the Thirteenth and Fourteenth Centuries** Angela

Montford, 2017-07-28 Health Sickness Medicine and the Friars in the Thirteenth and Fourteenth Centuries explores the attitudes and responses of the mendicant orders to illness their contribution to medical history the influence of health and sickness as a factor in the orders decision making the extent of their participation in treatments their relationship with physicians or their own involvement in medical practice and the problems which occurred as a result of these matters Apart from brief details of the last illness noted in some convent obituaries the sick friar is usually conspicuous by his absence from the records This book addresses this absence By focusing on these neglected aspects of the mendicant orders it is possible to begin to reconstruct their attitudes and practices towards sickness health and medical treatment In so doing a picture begins to emerge which provides a much fuller understanding of both mendicant and wider medical history Through such an approach the book demonstrates how preserving health as well as treating illness were matters of interrelated and vital concern to the friars a concern that coincided with a rising interest in health matters in wider society during the thirteenth and fourteenth centuries Dictionary of Medical Vocabulary in English, 1375-1550 Juhani Norri, 2016-06-10 Medical texts written in English during the late Middle Ages have in recent years attracted increasing attention among scholars From approximately 1375 onwards the use of English began to gain a firmer foothold in medical manuscripts which in previous centuries had been written mainly in Latin or French Scholars of Middle English and editors of medical texts from late medieval England are thus faced with a huge medical vocabulary which no single volume has yet attempted to define This dictionary is therefore an essential reference tool The material analysed in the Dictionary of Medical Vocabulary in English 1375 1550 includes edited texts manuscripts and early printed books and represents three main types of medical writing surgical manuals and tracts academic treatises by university trained physicians and remedybooks The dictionary covers four

lexical fields names of sicknesses body parts instruments and medicinal preparations Entries are structured as follows 1 headword 2 scribal variants occurring in the texts 3 etymology 4 definition s each definition followed by relevant quotations 5 references to corresponding entries in the Dictionary of Old English Middle English Dictionary and The Oxford English Dictionary 6 references to academic books and articles containing information on the history and or meaning of the term

Medicine in the English Middle Ages Faye Getz,1998-11-02 This book presents an engaging detailed portrait of the people ideas and beliefs that made up the world of English medieval medicine between 750 and 1450 a time when medical practice extended far beyond modern definitions The institutions of court church university and hospital which would eventually work to separate medical practice from other duties had barely begun to exert an influence in medieval England writes Faye Getz Sufferers could seek healing from men and women of all social ranks and the healing could encompass spiritual legal and philosophical as well as bodily concerns Here the author presents an account of practitioners English Christians Jews and foreigners of medical works written by the English of the emerging legal and institutional world of medicine and of the medical ideals present among the educated and social elite How medical learning gained for itself an audience is the central argument of this book but the journey as Getz shows was an intricate one Along the way the reader encounters the magistrates of London who confiscate a bag said by its owner to contain a human head capable of learning to speak and learned clerical practitioners who advise people on how best to remain healthy or die a good death Islamic medical ideas as well as the poetry of Chaucer come under scrutiny Among the remnants of this far distant medical past anyone may find something to amuse and something to admire *Household Medicine in Seventeenth-Century England* Anne

Stobart,2016-09-08 How did 17th century families in England perceive their health care needs What household resources were available for medical self help To what extent did households make up remedies based on medicinal recipes Drawing on previously unpublished household papers ranging from recipes to accounts and letters this original account shows how health and illness were managed on a day to day basis in a variety of 17th century households It reveals the extent of self help used by families explores their favourite remedies and analyses differences in approaches to medical matters Anne Stobart illuminates cultures of health care amongst women and men showing how kitchen physick related to the business of medicine which became increasingly commercial and professional in the 18th century **Everyday Magicians** Sharon Hubbs Wright, Frank Klaassen,2023-10-31 Most of the women and men who practiced magic in Tudor England were not hanged or burned as witches despite being active members of their communities These everyday magicians responded to common human problems such as the vagaries of money love property and influence and they were essential to the smooth functioning of English society This illuminating book tells their stories through the legal texts in which they are named and the magic books that record their practices In legal terms their magic fell into the category of sin or petty crime the sort that appeared in the lower courts and most often in church courts Despite their relatively lowly status scripts for the sorts of

magic they practiced were recorded in contemporary manuscripts Juxtaposing and contextualizing the legal and magic manuscript records creates an unusually rich field to explore the social aspects of magic practice Expertly constructed for both classroom use and independent study this book presents in modern English the legal documents and magic texts relevant to ordinary forms of magic practiced in Tudor England These are accompanied by scholarly introductions with original perspectives on the subjects Topics covered include the London cunning man Robert Allen magic to identify thieves love magic magic for hunting fishing and gambling and magic for healing and protection

**Women in Christianity in the Medieval Age** Laura Kalas, Roberta Magnani, 2024-12-10 This volume offers a comprehensive introduction to and investigation of the multivocality of women's experience in the Middle Ages In medieval Europe women saw their role in the Christian Church and society progressively confined to conflicting models of femininity epitomised by the dichotomy of Eve Mary Classical views of gender predicated on misogynistic dichotomies which confined women to matter and the corruption of the flesh were consolidated in powerful male dominated clerical institutions and widely disseminated Towards the end of the Middle Ages however women's corporeality and somatic spirituality contributed to and influenced burgeoning modes of piety centred around the cult of the Virgin Mary and the veneration of the suffering body of Christ on the Cross This shift in devotional practices afforded women as bodily beings the space for an increased level of self expression self realisation and authority Ranging from philosophical and theological enquiry to education and art as well as medical sciences and popular beliefs the essays in this collection account for the complexities and richness of the conceptualisations and lived experiences of medieval Christian women The book will be especially relevant to students and scholars of religion and history with an interest in medieval studies and gender Whilst expounding the key strands of thinking in the field it engages with and contributes to some of the latest scholarly research

*Bonoure and Buxum* Sue Niebrzydowski, 2006 If married in church medieval women vowed before God and their husbands to be bonoure and buxum that is meek and obedient in bed and at table This book is a study of wives in a variety of fourteenth and fifteenth century romance fabliaux cycle drama life writing lyrics and hagiography The volume examines key moments that defined life as a married woman her eligibility to become a wife the wedding ceremony her conjugal rights and duties childbirth and her contribution to the family economy The book explores the way in which the literary representation of wives is in dialogue with discourses that strove to construct and regulate the role of wife canon and secular law marriage liturgy medical treatises on the female body sermons manuals of spiritual instruction biblical paradigms conduct books and misogynous writings Moreover the volume examines the possibilities for subversion of these paradigms by listening to literary wives speak both within and against these discourses Real women's attitudes and strategies of subversion are woven into the volume throughout as recorded in church and manorial court records in their wills and in their writing

**Compound Remedies** Paula S. DeVos, 2020-12-22 *Compound Remedies* examines the equipment books and remedies of colonial Mexico City's Herrera pharmacy natural substances with

known healing powers that formed part of the basis for modern day healing traditions and home remedies in Mexico Paula S De Vos traces the evolution of the Galenic pharmaceutical tradition from its foundations in ancient Greece to the physician philosophers of medieval Islamic empires and the Latin West and eventually through the Spanish Empire to Mexico offering a global history of the transmission of these materials knowledges and techniques Her detailed inventory of the Herrera pharmacy reveals the many layers of this tradition and how it developed over centuries providing new perspectives and insight into the development of Western science and medicine its varied origins its engagement with and inclusion of multiple knowledge traditions the ways in which these traditions moved and circulated in relation to imperialism and its long term continuities and dramatic transformations De Vos ultimately reveals the great significance of pharmacy and of artisanal pursuits more generally as a cornerstone of ancient medieval and early modern epistemologies and philosophies of nature

English Medieval Books Alan Coates,1999 This history of the books of Reading Abbey covers the period from the abbey s foundation to its dissolution and follows up the dispersal of the book collections to c 1610 It provides valuable material on the use ways in which books were used and about the intellectual life of a medieval monastery By continuing the story beyond the Dissolution and charting the initial stages of the dispersal of the Abbeys books many into the large institutional collections which are their homes today Alan Coates makes a valuable contribution to our understanding of the fate of monastic books and book collecting in the post Dissolution period Sixteenth-Century Readers, Fifteenth-Century Books

Margaret Connolly,2019-01-17 Explores the reception of fifteenth century English manuscripts and two generations of a Tudor family who owned and read them **The Penguin Guide to the Superstitions of Britain and Ireland** Steve Roud,2006-04-06 Are black cats lucky or unlucky What should you do when you hear the first cuckoo Since when have people believed that it s unlucky to shoot an albatross Why does breaking a mirror lead to misfortune This fascinating collection answers these and many other questions about the world of superstitions and forms an endlessly browsable guide to a subject that continues to obsess and intrigue Encountering Crises of the Mind ,2018-09-24 Mental health and madness

have been challenging topics for historians The field has been marked by tension between the study of power expertise and institutional control of insanity and the study of patient experiences This collection contributes to the ongoing discussion on how historians encounter mental crises It deals with diagnoses treatments experiences and institutions largely outside the mainstream historiography of madness in what might be described as its peripheries and borderlands from medieval Europe to Cold War Hungary from the Atlantic slave coasts to Indian princely states and to the Nordic countries The chapters highlight many contests and multiple stakeholders involved in dealing with mental suffering and the importance of religion lay perceptions and emotions in crises of mind Contributors are Jari Eilola Waltraud Ernst Anssi Halmesvirta Markku Hokkanen Kalle Kananoja Tuomas Laine Frigr n Susanna Niiranen Anu Rissanen Kirsi Tuohela and Jesper Vaczy Kragh

*Handbook of Medieval Studies* Albrecht Classen,2010-11-29 This interdisciplinary handbook provides extensive

information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together

**The Origins and Development of Emigrant Languages** Hans Frede Nielsen, Lene Schøsler, 1996-01-01 The Origins and Development of Emigrant Languages is the proceedings from the Second Rasmus Rask Colloquium held at Odense University November 1994

*Wounds in the Middle Ages* Anne Kirkham, Cordelia Warr, 2016-02-11 Wounds were a potent signifier reaching across all aspects of life in Europe in the middle ages and their representation perception and treatment is the focus of this volume Following a survey of the history of medical wound treatment in the middle ages paired chapters explore key themes situating wounds within the context of religious belief writing on medicine status and identity and surgical practice The final chapter reviews the history of medieval wounding through the modern imagination Adopting an innovative approach to the subject this book will appeal to all those interested in how past societies regarded health disease and healing and will improve knowledge of not only the practice of medicine in the past but also of the ethical religious and cultural dimensions structuring that practice

**Textual Magic** Katherine Storm Hindley, 2023-08-16 An expansive consideration of charms as a deeply integrated aspect of the English Middle Ages Katherine Storm Hindley explores words at their most powerful words that people expected would physically change the world Medieval Europeans often resorted to the use of spoken or written charms to ensure health or fend off danger Hindley draws on an unprecedented archive of more than a thousand such charms from medieval England more than twice the number gathered transcribed and edited in previous studies and including many texts still unknown to specialists on this topic Focusing on charms from 1100 to 1350 CE as well as previously unstudied texts in Latin French and English Hindley addresses important questions of how people thought about language belief and power She describes seven hundred years of dynamic shifting cultural landscapes where multiple languages alphabets and modes of transmission gained and lost their protective and healing power Where previous scholarship has bemoaned a lack of continuity in the English charms Hindley finds surprising links between languages and eras all without losing sight of the extraordinary variety of the medieval charm tradition a continuous deeply rooted part of the English Middle Ages

Textual Situations Andrew Taylor, 2002-02-20 Taylor contributes new insights to material philology and makes a brilliant demonstration of its concerns Stephen Nichols The Johns Hopkins University

**New Approaches to Disease, Disability and Medicine in Medieval Europe** Erin Connelly, Stefanie Künzel, 2018-09-30 An interdisciplinary collection of papers focussing on infections chronic illness and the impact of infectious diseases on medieval society with contributions by academics from a variety of disciplines and a diverse range of international institutions

### **Popular Medicine In Thirteenth Century England Introduction**

In this digital age, the convenience of accessing information at our fingertips has become a necessity. Whether its research papers, eBooks, or user manuals, PDF files have become the preferred format for sharing and reading documents. However, the cost associated with purchasing PDF files can sometimes be a barrier for many individuals and organizations. Thankfully, there are numerous websites and platforms that allow users to download free PDF files legally. In this article, we will explore some of the best platforms to download free PDFs. One of the most popular platforms to download free PDF files is Project Gutenberg. This online library offers over 60,000 free eBooks that are in the public domain. From classic literature to historical documents, Project Gutenberg provides a wide range of PDF files that can be downloaded and enjoyed on various devices. The website is user-friendly and allows users to search for specific titles or browse through different categories. Another reliable platform for downloading Popular Medicine In Thirteenth Century England free PDF files is Open Library. With its vast collection of over 1 million eBooks, Open Library has something for every reader. The website offers a seamless experience by providing options to borrow or download PDF files. Users simply need to create a free account to access this treasure trove of knowledge. Open Library also allows users to contribute by uploading and sharing their own PDF files, making it a collaborative platform for book enthusiasts. For those interested in academic resources, there are websites dedicated to providing free PDFs of research papers and scientific articles. One such website is Academia.edu, which allows researchers and scholars to share their work with a global audience. Users can download PDF files of research papers, theses, and dissertations covering a wide range of subjects. Academia.edu also provides a platform for discussions and networking within the academic community. When it comes to downloading Popular Medicine In Thirteenth Century England free PDF files of magazines, brochures, and catalogs, Issuu is a popular choice. This digital publishing platform hosts a vast collection of publications from around the world. Users can search for specific titles or explore various categories and genres. Issuu offers a seamless reading experience with its user-friendly interface and allows users to download PDF files for offline reading. Apart from dedicated platforms, search engines also play a crucial role in finding free PDF files. Google, for instance, has an advanced search feature that allows users to filter results by file type. By specifying the file type as "PDF," users can find websites that offer free PDF downloads on a specific topic. While downloading Popular Medicine In Thirteenth Century England free PDF files is convenient, its important to note that copyright laws must be respected. Always ensure

that the PDF files you download are legally available for free. Many authors and publishers voluntarily provide free PDF versions of their work, but its essential to be cautious and verify the authenticity of the source before downloading Popular Medicine In Thirteenth Century England. In conclusion, the internet offers numerous platforms and websites that allow users to download free PDF files legally. Whether its classic literature, research papers, or magazines, there is something for everyone. The platforms mentioned in this article, such as Project Gutenberg, Open Library, Academia.edu, and Issuu, provide access to a vast collection of PDF files. However, users should always be cautious and verify the legality of the source before downloading Popular Medicine In Thirteenth Century England any PDF files. With these platforms, the world of PDF downloads is just a click away.

### FAQs About Popular Medicine In Thirteenth Century England Books

**What is a Popular Medicine In Thirteenth Century England PDF?** A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Popular Medicine In Thirteenth Century England PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Popular Medicine In Thirteenth Century England PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Popular Medicine In Thirteenth Century England PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Popular Medicine In Thirteenth Century England PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to

share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
