Jacobsen, 2018-08-14 This collection of original essays provides fascinating insights into yoga as a historical and pluralistic phenomenon flourishing in a variety of religious and philosophical contexts They cover a wide variety of traditions and topics related to Yoga Classical Yoga S khya Tantric Yoga Bhakti Yoga the Guru Indic Islamic traditions of Yoga Yoga and asceticism in contemporary India and the reception of Yoga in the West The essays are written by eighteen professors in the field of the history of religions most of them former graduate students of Gerald James Larson Larson is Rabindranath Tagore Professor Emeritus Indiana University Bloomington Professor Emeritus Religious Studies University of California Santa Barbara an internationally acclaimed scholar on the history of religions and philosophies of India and one of the world s foremost authorities on the Samkhya and Yoga traditions The publication is in honour of him

Pop Culture Yoga Kristen C. Blinne, 2020-01-23 Pop Culture Yoga A Communication Remix was born out of a series of questions about the paradoxical nature of yoga How do individuals and groups define yoga What does it mean to practice yoga and what does this practice involve What are some of the most important principles guidelines or philosophical tenets of yoga that shape people s

definitions and practices Who has the power and authority to define yoga What are the limits if any of shared definitions of yoga Kristen C Blinne explores the myriad ways yoga is communicatively constructed and defined in and through popular culture in the United States In doing so Blinne offers insight into the many identity work processes in play in the construction of yoga categories illuminating how individuals and groups words and actions represent practices of claiming part of a complex communicative process centered around membership categorization based on a range of authenticity discourses Employing popular culture writing styles Blinne ultimately contends that the majority of yoga styles practiced in the United States are remixes that can be classified as pop culture yoga a distinct way of understanding this complex phenomenon
