Popular Arts Of The First World War:

Popular arts of the first world war ,1968 *British Art and the First World War, 1914-1924* James Fox,2015-07-30
The First World War is usually believed to have had a catastrophic effect on British art killing artists and movements and creating a mood of belligerent philistinism around the nation In this book however James Fox paints a very different picture of artistic life in wartime Britain Drawing on a wide range of sources he examines the cultural activities of largely forgotten individuals and institutions as well as the press and the government in order to shed new light on art s unusual role in a nation at war He argues that the conflict s artistic consequences though initially disruptive were ultimately and enduringly productive He reveals how the war effort helped forge a much closer relationship between the British public and their art a relationship that informed the country s cultural agenda well into the 1920s *British Culture and the First World War* George Robb,2017-09-16 The First World War has left its imprint on British society and the popular imagination to an extent almost unparalleled in modern history Its legacy of mass death mechanized slaughter propaganda and disillusionment swept away long standing romanticized images of warfare and continues to haunt the modern consciousness Focusing on the lives of ordinary Britons George Robb s engaging new study seeks to comprehend what it meant for an entire society to undergo the tremendous shocks and demands of total war how it attempted to make sense of the conflict explain it to others and deal with the war s legacies *British Culture and the First World War* examines the war s impact on ideologies of race class and gender the government s efforts to manage news and to promote patriotism the role of the arts and sciences and the commemoration of the war in the decades since Synthesizes much of the best and most recent scholarship on the social and cultural history of the war Reclaims a great deal of neglected or forgotten popular cultural sources such as films cartoons juvenile literature and pulp fiction Compact but comprehensive this accessible and refreshing text is essential reading for anyone interested in British society and culture during the turbulent years of the First World War **Popular Arts of the First World War** Barbara Mildred Jones,Bill Howell,1972 Popular Abstracts Ray Broadus Browne,1979 Popular Abstracts is a reference tool providing access to information appearing in past issues of three journals published by the Bowling Green Popular Press Abstracts are included for each article appearing in the first ten volumes of *The Journal of Popular Culture* 1967 1977 the first five volumes of *The Journal of Popular Film* 1972 1977 and the first four volumes of *Popular Music and Society* 1971 1975 Pop Art Richard Spilsbury,2009 This volume provides a brief overview of the pop art movement along with some of the artists who were notable in the field *Pantone: The Twentieth Century in Color* Leatrice Eiseman,Keith Recker,2011-10-19 Pantone the worldwide color authority invites you on a rich visual tour of 100 transformative years From the Pale Gold 15 0927 TPX and Almost Mauve 12 2103 TPX of the 1900 Universal Exposition in Paris to the Rust 18 1248 TPX and Midnight Navy 19 4110 TPX of the countdown to the Millennium the 20th century brimmed with color Longtime Pantone collaborators and color gurus Leatrice Eiseman and Keith Recker identify more than
