**Flatpicking** Jeff Troxel,2024-06-20 In this book journalist composer songwriter teacher and 2003 Winfield Flatpicking Guitar Champion Jeff Troxel delivers a masterclass in arranging fiddle tunes for flatpicking guitar These 20 themes and variations on favorite bluegrass melodies are designed to improve overall musicianship and augment your own arranging skills Ideal for the intermediate to advanced flatpicking guitarist the author reveals techniques for enabling readers to create their own theme and variations settings Suggested rhythm guitar chords and light left hand fingerings are also provided Troxel points out that one of the unexpected benefits of learning and memorizing themes with variations is that the process will ultimately facilitate linear and harmonic improvisation It would be a painstaking process to learn this skill from a teacher or a harmony textbook but once memorized the scale and arpeggio patterns within these tunes and variations will set you on a viable path towards original improvised lines As a bonus the author includes a generous appendix containing several of his Flatpicking Guitar Magazine articles that deal with aspects of musicianship that every guitarist should know While written in standard notation and tab if you have relied solely on tablature and recordings in the past this book can provide the key to understanding essential music theory and reading standard notation If you're not quite ready to learn to read standard notation you can still use the tab and the author's excellent online recordings to learn these delightful arrangements In any case it will be fun to get these settings of standard bluegrass tunes in hand and use them in future jam sessions **Tunes**

**from 17th Century Scotland Arranged for Flatpicking Guitar** Rob MacKillop,2019-11-15 Many great Scottish traditional tunes can be traced back to 17th century lute music In this collection multi instrumentalist Rob MacKillop has transcribed and arranged 25 popular tunes derived from various lute manuscripts While idiomatic to the guitar some of these arrangements include fast runs and chord changes so are best suited to the intermediate level flatpicking guitarist This guitar collection consists of the same melodies in the same keys found in its mandolin counterpart Tunes From 17th Century Scotland Arranged for Mandolin Mel Bay Publications In both books suggested chords are provided wherever appropriate Consequently the settings work fine as either mandolin violin and guitar duets or as solos for either instrument Until now most of these appealing dance tunes and airs have not been available as guitar arrangements Here except for two tunes in drop D tuning all are in standard guitar tuning With MacKillop's spirited online recording generous performance notes and
