Popular Trials Rhetoric Mass Media And The Law

Lawrence J. Prelli

Popular Trials Rhetoric Mass Media And The Law:

Judgment Calls John Sloop, 2018-05-04 The concept of judgment has occupied a place of special importance in the tradition of Western thought In antiquity and especially in the Enlightenment judgment served as the rubric under which Western thinkers struggled to come to terms with how the world of human concerns is constituted in thought and perhaps more important how humans call for timely and appropriate actions Recently judgment has again emerged as a highly contestatory site for philosophical rhetorical and cultural reflection and inquiry This book puts into contact a variety of responses to the question of judgment in a postmodern age seeking out the question of how once solid ground is pulled out from underneath the position of the judge one continues to tread judgment to meet obligations while remaining afloat The essays in this edited volume investigate judgment as a rhetorical problem to be discussed philosophically and examines the standards by which judgments are made and can be made in contemporary culture The essays clarify the links between rhetoric and judgment as they are played out on public and meta critical levels **Sourcebook on Rhetoric** James Jasinski, 2001-07-19 This book is designed to introduce readers to the language of contemporary rhetorical studies The book format is an alphabetized glossary with appropriate cross listings of key terms and concepts in contemporary rhetorical studies An introductory chapter outlines the definitional ambiguities of the central concept of rhetoric itself The primary emphasis is on the contemporary tradition of rhetorical studies as it has emerged in the discipline of speech communication Each entry in the glossary ranges in length from a few paragraphs to a short essay of a few pages Where appropriate examples are provided to further illustrate the term or concept Each entry will be accompanied by a list of references and additional readings to direct the reader to other materials of possible interest Rhetorics of Display Lawrence J.

Prelli, 2021-12-24 Groundbreaking case studies mapping the rhetoric inherent in acts of presentation and concealment Rhetorics of Display is a pathbreaking volume that brings together a distinguished group of scholars to assess an increasingly pervasive form of rhetorical activity Editor Lawrence J Prelli notes in his introduction that twenty first century citizens continually confront displays of information and images from the verbal images of speeches and literature to visual images of film and photography to exhibits in museums to the arrangement of our homes to the merchandising of consumer goods The volume provides an integrated comprehensive study of the processes of selecting what to reveal and what to conceal that together constitute the rhetorics of display Surveying major historical transformations in the relationship between rhetoric and display this book also identifies the leading themes in relevant scholarship of the past three decades Seventeen case studies canvass a representative and diverse range of displays from body piercing to a civil rights memorial to a Titanic exhibition to imagery found in gambling casinos and examine the ways that phenomena persons places events identities communities and cultures are exhibited before audiences Collectively the contributors shed light on rhetorics that are nearly ubiquitous in contemporary communication and culture The SAGE Handbook of Rhetorical Studies Andrea A. Lunsford, Kirt H. Wilson, Rosa A. Eberly, 2008-10-29 The SAGE Handbook of Rhetorical Studies surveys the latest advances in rhetorical scholarship synthesizing theories and practices across major areas of study in the field and pointing the way for future studies Edited by Andrea A Lunsford and Associate Editors Kirt H Wilson and Rosa A Eberly the Handbook aims to introduce a new generation of students to rhetorical study and provide a deeply informed and ready resource for scholars currently working in the field Key Features Brings together scholars from across the disciplines of Speech Communication English and Writing Studies While rhetoric is by definition interdisciplinary self identified scholars in the field are most often institutionally separated from one another This Handbook bridges this divide by providing a refreshing range of transdisciplinary views on the nature status definition and scope of rhetoric today Offers a thorough going overview of rhetorical studies today Organized in four sections Historical Studies in Rhetoric Rhetoric Across the Disciplines Rhetoric and Pedagogy and Rhetoric and Public Discourse the volume provides a single resource for engaging rhetorical studies Underscores the importance of rhetoric to education across a wide range of disciplines as well as to effective participation in public arenas Thus the volume connects rhetoric s long teaching tradition to an activist agenda for informed civic engagement Addresses methodological and theoretical difficulties and offers means of negotiating them Provides one of the first introductions to rhetorical studies across cultures and to the related debates concerning comparative and contrastive Cultural Analysis, Cultural Studies, and the Law Austin D. Sarat, Jonathan Simon, 2003-07-03 This rhetorics interdisciplinary collection demonstrates the purchase of cultural studies frameworks for thinking about legal questions beyond the reach of the Law Economics framework The Rule of Justice Elizabeth Dale, 2001 The Rule of Justice explores a sensational homicide case that took place in Chicago in 1888 Zephyr Davis a young African American man accused of

murdering an Irish American girl who was his coworker was pursued captured tried and convicted amid public demands for swift justice and the return of social order Through a close study of the case Dale explores the tension between popular ideas about justice and the rule of law in industrial America As Dale observes mob justice despite the presence of a professional police force was quite common in late nineteenth century Chicago and it was the mob that ultimately captured Davis Once Davis was apprehended the public continued to make its will known through newspaper articles and public meetings called by various civic organizations to discuss or protest the case Dale demonstrates that public opinion mattered and did in fact exert an influence on criminal law and criminal justice She shows in this particular instance the public was able to limit the authority of the legal system and the state with the result that criminal law conformed to popular will The Rule of Justice is sure to appeal to historians of criminal justice legal historians those interested in Chicago history and those interested in the history of race relations in America **Documentary Trial Plays in Contemporary American Theater** Jacqueline O'Connor, 2013-06-21 From the Chicago Conspiracy Trial and the O J Simpson trial to the Clarence Thomas Anita Hill congressional hearings legal and legislative proceedings in the latter part of the twentieth century kept Americans spellbound Situated on the shifting border between imagination and the law trial plays edit arrange and reproduce court records media coverage and first person interviews transforming these elements into a performance In this first book length critical study of contemporary American documentary theater Jacqueline O Connor examines in depth ten such plays all written and staged since 1970 and considers the role of the genre in re creating and revising narratives of significant conflicts in contemporary history Documentary theater she shows is a particularly appropriate and widely utilized theatrical form for engaging in debate about tensions between civil rights and institutional power the inconsistency of justice and challenges to gender norms For each of the plays discussed including The Trial of the Catonsville Nine Unquestioned Integrity The Hill Thomas Hearings and The Laramie Project O Connor provides historical context and a brief production history before considering the trial the play focuses on Grouping plays historically and thematically she demonstrates how dramatic representation advances our understanding of the law s power while revealing the complexities that hinder society Ghost Dancing the Law John William Sayer, 1997 This study of the Wounded Knee trials demonstrates s pursuit of justice the impact that legal institutions and the media have on political dissent Sayer draws on court records news reports and interviews to show how both the defense and the prosecution had to respond continually to legal constraints media coverage and political events outside the courtroom The Search for Justice in a Media Age Siobhan Holohan, 2017-11-28 What can we learn from the legal cases of Stephen Lawrence and Louise Woodward How do the legal system and the media contribute to a collective understanding of class nation race and gender In this book Siobhan Holohan explores media representations of law and order in the context of notions of multi culturalism and victim centred politics Two high profile cases the murder of Stephen Lawrence and the US trial of the British au pair Louise Woodward are examined Holohan

argues that the stories built up around Woodward and Lawrence the organization of public discourse around a sacrificial figure have contributed to exclusionary patterns of social order The book offers a perceptive account of what makes some criminal legal cases prone to scrutiny and spectacle and provides a vivid illustration of the presence of power relations in legal decisions In conclusion the author draws on the model of the Macpherson report to propose a more inclusive form of social and legal judgement that takes into account social inequalities The Scopes "Monkey Trial" Randy Moore, 2022-11-07 This book introduces readers to the Trial of the Century revealing how the trial originated what caused and happened during and after the trial what happened to the trial's participants and why the trial still matters nearly 100 years later Ongoing controversies about school curricula such as the teaching of Critical Race Theory and the role of parents in public education can all be traced to the Scopes Trial Today the question remains who controls the school curriculum This was a foundational issue in the Scopes Trial and we have been debating this question ever since This book will help readers understand where these controversies originated and how courts politicians and the public handled these issues nearly a century ago Featuring new information from previously untapped sources and providing an in depth study of John Scopes himself this book interrogates the facts fictions and legend of the Scopes Trial which historians rank as one of the defining events of the 20th century It is an ideal resource for anyone interested in the ongoing controversy about evolution science **Trials** Martha Merrill Umphrey, 2017-11-30 This volume gathers a collection and religion in education and American life of the most seminal essays written by leading experts in the fields of law and cultural studies which address the cultural dimension of trials Taken together these essays conceive of trials as sites of legal performance and as critical public spaces in which the law both encounters and interacts dialogically with the culture in which it is embedded Inquiring into the contours of that dialogic relation these essays trace the paths of cultural stories as they circulate in and through trial settings examine how trials emerge out of particular social and historical contexts and suggest ways in which trials themselves as both singular events and generic forms circulate and signify in culture High-Profile Crimes Lynn S. Chancer, 2010-02-15 O J Simpson The Central Park jogger Bensonhurst William Kennedy Smith Rodney King These are more than crimes and criminals more than court cases They are cultural events that for better or worse gave concrete expression to latent social conflicts in American society In High Profile Crimes Lynn Chancer explores how these cases became conflated with larger social causes on a collective level and how this phenomenon has affected the law the media and social movements An astute and incisive chronicle of some of the most polarizing cases of the 1980s and 1990s High Profile Crimes shows that their landmark status results from the overlapping interaction of diverse participants The merging of legal cases and social causes Chancer argues has wrought ambivalent effects on both social movements and the law On the one hand high profile crimes offer important opportunities for emotional expression and raise awareness of social issues But on the other hand social problems cannot be resolved through the either or determinations that are the goals of the legal system creating frustration

for those who look to the outcome of these cases for social progress Guilt or innocence through the lens of the media leads to either defeat or victory for a social cause a confounding situation that made the O J Simpson case for example unable to resolve the issues of domestic violence and police racism that it had come to symbolize Based on nearly two hundred interviews Chancer's discussions of the infamous Central Park jogger and Bensonhurst cases as well as the rape trials of William Kennedy Smith and Mike Tyson the assault cases of Rodney King and Reginald Denny and finally the O J Simpson murder trial provide a convincing multidimensional and innovative analysis of the most charged public dramas of the last two decades The Trial in American Life Robert A. Ferguson, 2008-08-05 In a bravura performance that ranges from Aaron Burr to O J Simpson Robert A Ferguson traces the legal meaning and cultural implications of prominent American trials across the history of the nation His interdisciplinary investigation carries him from courtroom transcripts to newspaper accounts and on to the work of such imaginative writers as Emerson Thoreau William Dean Howells and E L Doctorow Ferguson shows how courtrooms are forced to cope with unresolved communal anxieties and how they sometimes make legal decisions that change the way Americans think about themselves Burning questions control the narrative How do such trials mushroom into major public dramas with fundamental ideas at stake Why did outcomes that we now see as unjust enjoy such strong communal support at the time At what point does overexposure undermine a trial s role as a legal proceeding Ultimately such questions lead Ferguson to the issue of modern press coverage of courtrooms While acknowledging that media accounts can skew perceptions Ferguson argues forcefully in favor of full television coverage of them and he takes the Supreme Court to task for its failure to grasp the importance of this issue Trials must be seen to be understood but Ferguson reminds us that we have a duty currently ignored to ensure that cameras serve the court rather than the media The Trial in American Life weaves Ferguson's deep knowledge of American history law and culture into a fascinating book of tremendous contemporary relevance A distinguished law professor accomplished historian and fine writer Robert Ferguson is uniquely qualified to narrate and analyze high profile trials in American history This is a superb book and a tremendous achievement The chapter on John Brown alone is worth the price of admission Judge Richard Posner A noted scholar of law and literature Ferguson offers a work that is broad in scope yet focuses our attention on certain themes notably the possibility of injustice as illustrated by the Haymarket and Rosenberg prosecutions the media s obsession with pandering to baser instincts and the future of televised trials One of the best books written on this subject in quite some time Library Journal starred review

The Body in the Reservoir Michael Ayers Trotti,2008 Centered on a series of dramatic murders in nineteenth and early twentieth century Richmond Virginia The Body in the Reservoir uses these gripping stories of crime to explore the evolution of sensationalism in southern culture In Richmond a Political Trials in Theory and History Jens Meierhenrich,Devin O. Pendas,2017-02-27 From the trial of Socrates to the post 9 11 military commissions trials have always been useful instruments of politics Yet there is still much that we do not understand about them Why do governments use trials to pursue

political objectives and when What differentiates political trials from ordinary ones Contrary to conventional wisdom not all political trials are show trials or contrive to set up scapegoats This volume offers a novel account of political trials that is empirically rigorous and theoretically sophisticated linking state of the art research on telling cases to a broad argument about political trials as a socio legal phenomenon All the contributors analyse the logic of the political in the courtroom From archival research to participant observation and from linguistic anthropology to game theory the volume offers a genuinely interdisciplinary set of approaches that substantially advance existing knowledge about what political trials are how they work and why they matter Lady Gaga and the Remaking of Celebrity Culture Amber L. Davisson, 2013-08-08 Lady Gaga represents both the height of celebrity and a disruption of the norms surrounding the social position This book charts the way the pop star manages the celebrity persona in her relationships with her fans the development of her gender identity her parodying of other celebrities and her navigation of the legal and economic system that make up the music industry Much of Gaga's ability to maintain ownership of her identity comes from her early decisions to characterize herself as a performance artist For Gaga this means living the persona 24 hours a day seven days a week Gaga mimicks celebrity life in a self conscious way that makes the mimicry apparent Her performance of celebrity is an on going project despite what she may claim she was not born this way The excess of her celebrity is magnified by her title Mother Monster Historically media narratives of celebrities monsters and mothers have centered on uncontrolled excesses that must be contained Gaga adopts these personas but refuses to submit to the containment that comes with each Instructors considering this book for use in a course may request an examination copy here

Popular Trials Rhetoric Mass Media And The Law Introduction

In todays digital age, the availability of Popular Trials Rhetoric Mass Media And The Law books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Popular Trials Rhetoric Mass Media And The Law books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Popular Trials Rhetoric Mass Media And The Law books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Popular Trials Rhetoric Mass Media And The Law versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Popular Trials Rhetoric Mass Media And The Law books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether youre a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Popular Trials Rhetoric Mass Media And The Law books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Popular Trials Rhetoric Mass Media And The Law books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students

and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Popular Trials Rhetoric Mass Media And The Law books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Popular Trials Rhetoric Mass Media And The Law books and manuals for download and embark on your journey of knowledge?

FAQs About Popular Trials Rhetoric Mass Media And The Law Books

What is a Popular Trials Rhetoric Mass Media And The Law PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. How do I create a Popular Trials Rhetoric Mass Media And The Law PDF? There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. How do I edit a Popular Trials Rhetoric Mass Media And The Law PDF? Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. How do I convert a Popular Trials Rhetoric Mass Media And The Law PDF to another file format? There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. How do I password-protect a Popular Trials Rhetoric Mass Media And The Law PDF? Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and

editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
