James Logan Hunt

Populist Vanguard A History Of The Sout:

Populist Vanguard Robert C. McMath Jr., 2017-10-10 Significant as a political economic and social organization the southern Farmers Alliance was the largest and most influential farmers organization in the history of the United States until the rise of the American Farm Bureau Federation McMath suggests that the ideas advanced by the People's party in the 1890s had been incubated within the alliance and that the shared experience of 15 million rural Americans helped give those ideas power in the Populist crusade Originally published 1976 A UNC Press Enduring Edition UNC Press Enduring Editions use the latest in digital technology to make available again books from our distinguished backlist that were previously out of print These editions are published unaltered from the original and are presented in affordable paperback formats bringing readers both historical and cultural value

Populism in the South Revisited James M. Beeby, 2012-01-26 The Populist Movement was the largest mass movement for political and economic change in the history of the American South until the Civil Rights Movement of the 1950s and 1960s The Populist Movement in this book is defined as the Farmers Alliance and the People's Party as well as the Agricultural Wheel and Knights of Labor in the 1880s and 1890s The Populists threatened the political hegemony of the white racist southern Democratic Party during populism's high point in the mid 1890s and the populists threw the New South into a state of turmoil Populism in the South Revisited New Interpretations and New Departures brings together nine of the best new works on the populist movement in the South that grapple with several larger themes such as the nature of political insurgency the relationship between African Americans and whites electoral reform new economic policies and producerism and the relationship between rural and urban areas in case studies that center on several states and at the local level Each essay offers both new research and new interpretations into the causes course and consequences of the populist insurgency One essay analyzes how notions of debt informed the Populist insurgency in North Carolina the one state where the Populists achieved statewide power while another analyzes the Populists failed attempts in Grant Parish Louisiana to align with African Americans and Republicans to topple the incumbent Democrats Other topics covered include populist grassroots organizing with African Americans to stop disfranchisement in North Carolina the Knights of Labor and the relationship with populism in Georgia organizing urban populism in Dallas Texas Tom Watson's relationship with Midwest Populism the centrality of African Americans in populism a comparative analysis of Populism across the Deep South and how the rhetoric and ideology of populism impacted socialism and the Garvey movement in the early twentieth century Together these studies offer new insights into the nature of southern populism and the legacy of the People's Party in the South

A History of Appalachia Richard B. Drake, 2003-09-01 Richard Drake has skillfully woven together the various strands of the Appalachian experience into a sweeping whole Touching upon folk traditions health care the environment higher education the role of blacks and women and much more Drake offers a compelling social history of a unique American region The Appalachian region extending from Alabama in the South up to the Allegheny

highlands of Pennsylvania has historically been characterized by its largely rural populations rich natural resources that have fueled industry in other parts of the country and the strong and wild undeveloped land The rugged geography of the region allowed Native American societies especially the Cherokee to flourish Early white settlers tended to favor a self sufficient approach to farming contrary to the land grabbing and plantation building going on elsewhere in the South The growth of a market economy and competition from other agricultural areas of the country sparked an economic decline of the region s rural population at least as early as 1830 The Civil War and the sometimes hostile legislation of Reconstruction made life even more difficult for rural Appalachians Recent history of the region is marked by the corporate exploitation of resources Regional oil gas and coal had attracted some industry even before the Civil War but the postwar years saw an immense expansion of American industry nearly all of which relied heavily on Appalachian fossil fuels particularly coal What was initially a boon to the region eventually brought financial disaster to many mountain people as unsafe working conditions and strip mining ravaged the land and its inhabitants A History of Appalachia also examines pockets of urbanization in Appalachia Chemical textile and other industries have encouraged the development of urban areas At the same time radio television and the internet provide residents direct links to cultures from all over the world The author looks at the process of urbanization as it belies commonly held notions about the region s rural character

The Routledge History of Nineteenth-Century America Jonathan Daniel Wells, 2017-09-14 The Routledge History of Nineteenth Century America provides an important overview of the main themes within the study of the long nineteenth century The book explores major currents of research over the past few decades to give an up to date synthesis of nineteenth century history It shows how the century defined much of our modern world focusing on themes including immigration slavery and racism women s rights literature and culture and urbanization This collection reflects the state of the field and will be essential reading for all those interested in the development of the modern United States

Greenbackers, Knights of Labor, and Populists Matthew Hild, 2010-02-25 Historians have widely studied the late nineteenth century southern agrarian revolts led by such groups as the Farmers Alliance and the People s or Populist Party Much work has also been done on southern labor insurgencies of the same period as kindled by the Knights of Labor and others However says Matthew Hild historians have given only minimal consideration to the convergence of these movements Hild shows that the Populist or People s Party the most important third party of the 1890s established itself most solidly in Texas Alabama and under the guise of the earlier Union Labor Party Arkansas where farmer labor political coalitions from the 1870s to mid 1880s had laid the groundwork for populism s expansion Third party movements fared progressively worse in Georgia and North Carolina where little such coalition building had occurred and in places like Tennessee and South Carolina where almost no history of farmer labor solidarity existed Hild warns against drawing any direct correlations between a strong Populist presence in a given place and a background of farmer laborer insurgency Yet such a background could only help Populists and was a necessary precondition for the initially farmer

oriented Populist Party to attract significant labor support Other studies have found a lack of labor support to be a major reason for the failure of Populism but Hild demonstrates that the Populists failed despite significant labor support in many parts of the South Even strong farmer labor coalitions could not carry the Populists to power in a region in which racism and violent and fraudulent elections were tragically central features of politics

The New Encyclopedia of Southern Culture James W. Ely Jr.,Bradley G. Bond,Charles Reagan Wilson,2014-02-01 Volume 10 of The New Encyclopedia of Southern Culture combines two of the sections from the original edition adding extensive updates and 53 entirely new articles In the law section of this volume 16 longer essays address broad concepts ranging from law schools to family law from labor relations to school prayer The 43 topical entries focus on specific legal cases and individuals including historical legal professionals parties from landmark cases and even the fictional character Atticus Finch highlighting the roles these individuals have played in shaping the identity of the region The politics section includes 34 essays on matters such as Reconstruction social class and politics and immigration policy New essays reflect the changing nature of southern politics away from the one party system long known as the solid South to the lively two party politics now in play in the region Seventy shorter topical entries cover individual politicians political thinkers and activists who have made significant contributions to the shaping of southern politics

The South in Modern America Dewey W. Grantham,2001-07-01 The South in Modern America is a lively and illuminating account of the Southern experience since the end of Reconstruction In the twentieth century as in the nineteenth the South has been the region most sharply at odds with the rest of the nation No other part of the country has as clear cut a sectional image The interplay between the South the North and the rest of the nation represents a rich and instructive part of the United States history illustrating much of the nation s conflict and tension the way it has tried to reconcile divergent issues and its struggles to realize its historical ideals In this new treatment of modern Southern history Dewey W Grantham illuminates the features that make the South a distinctive region while clarifying how it has converged socially and politically with the rest of the country during this century

American Reformers, 1870-1920 Steven L. Piott,2006-03-03 In this new work historian Steven L Piott explores the fascinating and provocative lives of twelve influential American reformers placed in the historical context of the Gilded Age Populist and Progressive eras From Ida B Wells to Louis Brandeis Jane Addams to Charles Ma

Marion Butler and American Populism James Logan Hunt,2003 This first full biography of North Carolina s leading Populist Marion Butler 1863 1938 details his leadership and explores his connections to the history of the Farmers Alliance Populism and progressivism

The Creation of Modern Georgia Numan V. Bartley,1990 Examines the persistence and ultimate collapse of Georgia s plantation oriented colonial society and the emergence of a modern state with greater urbanization industrialization and diversification

A New South Rebellion Karin A. Shapiro,2017-11-01 In 1891 thousands of Tennessee miners rose up against the use of convict labor by the state s coal companies eventually engulfing five mountain communities in a rebellion

against government authority Propelled by the insurgent sensibilities of Populism and Gilded Age unionism the miners initially sought to abolish the convict lease system through legal challenges and legislative lobbying When nonviolent tactics failed to achieve reform the predominantly white miners repeatedly seized control of the stockades and expelled the mostly black convicts from the mining districts Insurrection hastened the demise of convict leasing in Tennessee though at the cost of greatly weakening organized labor in the state s coal regions Exhaustively researched and vividly written *A New South Rebellion* brings to life the hopes that rural southerners invested in industrialization and the political tensions that could result when their aspirations were not met Karin Shapiro skillfully analyzes the place of convict labor in southern economic development the contested meanings of citizenship in late nineteenth century America the weaknesses of Populist era reform politics and the fluidity of race relations during the early years of Jim Crow *From Yeoman to Redneck in the South Carolina Upcountry, 1850-1915* Stephen A. West, 2008 In *From Yeoman to Redneck in the South Carolina Upcountry* Stephen A. West revises understandings of the American South by offering a new perspective on two iconic figures in the region s social landscape Yeoman a term of praise for the small landowning farmer was commonly used during the antebellum era but ultimately eclipsed by redneck an epithet that emerged at the end of the nineteenth century In popular use each served less as a precise class label than as a means to celebrate or denigrate the moral and civic worth of broad groups of white men Viewing these richly evocative figures as ideological inventions rather than sociological realities West examines the divisions they obscured and the conflicts that gave them such force The setting for this impressively detailed study is the Upper Piedmont of South Carolina the sort of upcountry region typically associated with the white plain folk West shows how the yeoman ideal played a vital role in proslavery discourse before the Civil War but poorly captured the realities of life with important implications for how historians understand the politics of slavery and the drive for secession After the Civil War the South Carolina upcountry was convulsed by the economic transformations and political conflicts out of which the redneck was born West reinterprets key developments in the history of the New South such as the politics of lynching and the phenomenon of the Southern demagogue and uncovers the historical roots of a stereotype that continues to loom large in popular understandings of the American South Drawing together periods and topics often treated separately West combines economic social and political history in an original and compelling account **Encyclopedia of Populism in America** Alexandra Kindell, Elizabeth S. Demers Ph.D., 2014-02-27 This comprehensive two volume encyclopedia documents how Populism which grew out of post Civil War agrarian discontent was the apex of populist impulses in American culture from colonial times to the present The Populist Movement was founded in the late 1800s when farmers and other agrarian workers formed cooperative societies to fight exploitation by big banks and corporations Today Populism encompasses both right wing and left wing movements organizations and icons This valuable encyclopedia examines how ordinary people have voiced their opposition to the prevailing political economic and social constructs of the past as well how the elite or leaders at the

time have reacted to that opposition The entries spotlight the people events organizations and ideas that created this first major challenge to the two party system in the United States Additionally attention is paid to important historical actors who are not traditionally considered Populist but were instrumental in paving the way for the movement or vigorously resisted Populism s influence on American culture This encyclopedia also shows that Populism as a specific movement and populism as an idea have served alternately to further equal rights in America and to limit them

A Nation under Our Feet Steven Hahn,2005-04-30 This is the epic story of how African Americans in the six decades following slavery transformed themselves into a political people an embryonic black nation As Hahn demonstrates rural African Americans were central political actors in the great events of disunion emancipation and nation building

The New South Comes to Wiregrass Georgia, 1860-1910 Mark V. Wetherington,2002-05 This first book length examination of the Georgia Pine Belt challenges the conventional view of this area as an unchanging economic backwater by examining its postbellum evolution from an independent agricultural economy to one entirely dependent upon a single unstable crop cotton Before the Civil War the Georgia Piney Woods region easily supported a population of mostly self sufficient yeomen and livestock herders After the war a variety of external forces invaded the region propelling the economy through three stages of social political and economic change that permanently altered the landscape Spearheaded by New South boosters like Henry Grady these invasions were intended to create a South with a diversified economic future bright with industry and self sufficient agriculture The first stage did see economic advancement in the form of transportation routes including railroads that opened up the Pine Belt s forests to the second stage of change industrialized sawmilling and turpentineing This second stage created new jobs but failed to bring in other industries leaving the area dependent upon an industry that destroyed the antebellum open range herding system and brought deforestation within a generation The lumber industry s demise led to the final stage of change which saw New South boosters in an attempt to curtail the economic malaise promoting the deforested lands to a wave of newcomers immigrant cotton farmers from the upcountry hungry for new lands With no other industries to compete with them cotton farmers came to dominate the area s economic life even more than before the Civil War By 1910 few Georgia pinelanders doubted that a New South had arrived but it was not the diversified landscape that Henry Grady and others had originally envisioned It was instead a land of cotton much like the one that had come to dominate life across the rest of the Pine Belt from Virginia to East Texas Mark V Wetherington s in depth study of this region sheds new light on its socioeconomic history and encourages a closer examination of the often ignored histories of other areas

Readings in Arkansas Politics and Government Kim U. Hoffman,Janine A. Parry,Catherine Reese,2020-03-06 This second edition of the authoritative Readings in Arkansas Politics and Government brings together in one volume some of the best available scholarly research on a wide range of issues of interest to students of Arkansas politics and government The twenty one chapters are arranged in three sections covering both historical and contemporary issues ranging from the

state's socioeconomic and political context to the workings of its policymaking institutions and key policy concerns in the modern political landscape Topics covered include racial tension and integration social values political corruption public education obstacles facing the state's effort to reform welfare and others Ideal for use in introductory and advanced undergraduate courses the book will also appeal to lawmakers public administrators journalists and others interested in how politics and government work in Arkansas

Prairie Populism Jeffrey Ostler, 1993 Ostler shows that economic conditions alone cannot explain why populism flourished or foundered Through a study of populism in Kansas Nebraska and Iowa Ostler demonstrates that the strength or weakness of the two dominant political parties within a state had a significant effect on the success of a third party challenge

Redeeming the South Paul Harvey, 2000-11-09 Together and separately black and white Baptists created different but intertwined cultures that profoundly shaped the South Adopting a biracial and bicultural focus Paul Harvey works to redefine southern religious history and by extension southern culture as the product of such interaction the result of whites and blacks having drawn from and influenced each other even while remaining separate and distinct Harvey explores the parallels and divergences of black and white religious institutions as manifested through differences in worship styles sacred music and political agendas He examines the relationship of broad social phenomena like progressivism and modernization to the development of southern religion focusing on the clash between rural southern folk religious expression and models of spirituality drawn from northern Victorian standards In tracing the growth of Baptist churches from small outposts of radically democratic plain folk religion in the mid eighteenth century to conservative and culturally dominant institutions in the twentieth century Harvey explores one of the most impressive evolutions of American religious and cultural history

Randall Lee Gibson of Louisiana Mary Gorton McBride, 2007-05-01 Randall Lee Gibson of Louisiana offers the first biography of one of Louisiana's most intriguing nineteenth century politicians and a founder of Tulane University Gibson 1832-1892 grew up on his family's sugar plantation in Terrebonne Parish and was educated at Yale University before studying law at the University of Louisiana in New Orleans He purchased a sugar plantation in Lafourche Parish in 1858 and became heavily involved in the pro secession faction of the Democratic Party Elected colonel of the Thirteenth Louisiana Volunteer Regiment at the start of the Civil War he commanded a brigade in the Battle of Shiloh and fought in all of the subsequent campaigns of the Army of Tennessee concluding in 1865 with the Battle of Spanish Fort As Gibson struggled to establish a law practice in postwar New Orleans he experienced a profound change in his thinking and came to believe that the elimination of slavery was the one good outcome of the South's defeat Joining Louisiana's Conservative political faction he advocated for a postwar unification government that included African Americans Elected to Congress in 1874 Gibson was directly involved in the creation of the Electoral Commission that resulted in the Compromise of 1877 and peacefully solved the disputed 1876 presidential election He crafted legislation for the Mississippi River Commission in 1879 which eventually resulted in millions of federal dollars for flood control Gibson was elected to the U S

Senate in 1880 and became Louisiana's leading minister of reconciliation with his northern colleagues and its chief political spokesman during the highly volatile Gilded Age. He deplored the growing gap between the rich and the poor and embraced a reformist agenda that included federal funding for public schools and legislation for levee construction, income taxes, and the direct election of senators. This progressive stance made Gibson one of the last patrician Democrats whose noblesse oblige politics sought common middle ground between the extreme political and social positions of his era. At the request of wealthy New Orleans merchant Paul Tulane, Gibson took charge of Tulane's educational endowment and helped design the university that bears Tulane's name, serving as the founding president of the board of administrators. Highly readable and thoroughly researched, Mary Gorton McBride's absorbing biography illuminates in dramatic fashion the life and times of a unique Louisianan.

The Rural Face of White Supremacy Mark Roman Schultz, 2010-10-01. Now in paperback. *The Rural Face of White Supremacy* presents a detailed study of the daily experiences of ordinary people in rural Hancock County, Georgia. Drawing on his own interviews with over two hundred black and white residents, Mark Schultz argues that the residents acted on the basis of personal rather than institutional relationships. As a result, Hancock County residents experienced more intimate face-to-face interactions, which made possible more black agency than their urban counterparts were allowed. While they were still firmly entrenched within an exploitive white supremacist culture, this relative freedom did create a space for a range of interracial relationships that included mixed housing, midwifery, church services, meals, and even common-law marriages.

Immerse yourself in the artistry of words with Experience Art with its expressive creation, **Populist Vanguard A History Of The Sout** . Populist Vanguard A History Of The Sout Introduction

In today's digital age, the availability of Populist Vanguard A History Of The Sout books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Populist Vanguard A History Of The Sout books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Populist Vanguard A History Of The Sout books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Populist Vanguard A History Of The Sout versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Populist Vanguard A History Of The Sout books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Populist Vanguard A History Of The Sout books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Populist Vanguard A History Of The Sout books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable

examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Populist Vanguard A History Of The Sout books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Populist Vanguard A History Of The Sout books and manuals for download and embark on your journey of knowledge?

FAQs About Populist Vanguard A History Of The Sout Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Populist Vanguard A History Of The Sout is one of the best book in our library for free trial. We provide copy of Populist Vanguard A History Of The Sout in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Populist Vanguard A History Of The Sout. Where to download Populist Vanguard A History Of The Sout online for free? Are you looking for Populist Vanguard A History Of The Sout PDF? This is definitely going to save you time and cash in something you should think about.
