## **Popup Buck Rogers:**

**Buck Rogers Pop Up Book** Ramboro Books,1997-06      **Buck Rogers, 25th Century** Dick Calkins,Phil Nowlan,1935  
**Heritage Comics Auctions, 2005 Larry Jacobs Catalog #816** Ivy Press,2005-03      *Heritage Rare Books & Manuscripts Auction Final Session # 683* ,      *Movie Comics* Blair Davis,2017-01-03 As Christopher Nolan s Batman films and releases from the Marvel Cinematic Universe have regularly topped the box office charts fans and critics alike might assume that the comic book movie is a distinctly twenty first century form Yet adaptations of comics have been an integral part of American cinema from its very inception with comics characters regularly leaping from the page to the screen and cinematic icons spawning comics of their own *Movie Comics* is the first book to study the long history of both comics to film and film to comics adaptations covering everything from silent films starring Happy Hooligan to sound films and serials featuring Dick Tracy and Superman to comic books starring John Wayne Gene Autry Bob Hope Abbott Costello Alan Ladd and Dean Martin and Jerry Lewis With a special focus on the Classical Hollywood era Blair Davis investigates the factors that spurred this media convergence as the film and comics industries joined forces to expand the reach of their various brands While analyzing this production history he also tracks the artistic coevolution of films and comics considering the many formal elements that each medium adopted and adapted from the other As it explores our abiding desire to experience the same characters and stories in multiple forms *Movie Comics* gives readers a new appreciation for the unique qualities of the illustrated page and the cinematic moving image      **Equipping Space Cadets** Emily Midkiff,2022-04-19 Winner of the 2023 Science Fiction Research Association SFRA Book Award 2022 Longlist Nominee for the Best Non Fiction Award from the British Science Fiction Association *Equipping Space Cadets Primary Science Fiction for Young Children* argues for the benefits and potential of primary science fiction or science fiction for children under twelve years old Science fiction for children is often disregarded due to common misconceptions of childhood When children are culturally portrayed as natural and simple they seem like a poor audience for the complex scientific questions brought up by the best science fiction The books and the children who read them tell another story Using three empirical studies and over 350 children s books including *If I Had a Robot Dog* *Bugs in Space* and *Commander Toad in Space* *Equipping Space Cadets* presents interdisciplinary evidence that science fiction and children are compatible after all Primary science fiction literature includes many high quality books that cleverly utilize the features of children s literature formats in order to fit large science fiction questions into small packages In the best of these books authors make science fiction questions accessible and relevant to children of various reading levels and from diverse backgrounds and identities *Equipping Space Cadets* does not stop with literary analysis but also presents the voices of real children and practitioners The book features three studies a survey of teachers and librarians quantitative analysis of lending records from school libraries across the United States and coded read aloud sessions with elementary school students The results reveal how children are interested in and capable of reading

science fiction but it is the adults including the most well intentioned librarians and teachers who hinder children s engagement with the genre due to their own preconceptions about the genre and children
