## Por Tierras De Espana:

**Por tierras de Portugal y de España** Miguel de Unamuno,1911      *Antonio Machado, el poeta y su doble* Antonio Machado,1989 El libro recoge una serie de estudios presentados al Simposio conmemorativo del cincuenta aniversario de su fallecimiento en Colliure Francia en el que intervinieron especialistas en la obra de A Machado como Joaquin Marco Juan Marichal Jos Mar a Valverde Antonio Vilanova o Adolfo Sotelo      *La Residencia de Estudiantes* Isabel Pérez-Villanueva Tovar,1990 Recoge el estudio sobre la Residencia de Estudiantes y sus actividades en el periodo del reformismo regeneracionista      **Espana En La Busqueda de Su Destino** Howard Headworth,2014-08-15 It is two years after the entry in Granada by the Christians in 1492 In this brilliant sequel to his first historical novel Al Andalus His last years Howard Headworth elaborates a rich mix of personal drama and historical detail and presents a magnificent sense of the place Including the military campaigns of the great captain in Italy against the French the wedding of the Infanta Jeanne in Flanders with Philip the Beautiful the scandals of the Borgias in Rome and The Adventures of Christopher Columbus in the Indies in search of gold the Catholic Monarchs seeks To forge the future grandeur and destiny of Spain Howard Headworth lives in Almeria Spain for twenty years He was born in Wales and studied geology at the university there and at the Imperial College in London He uses his great experience as a scientific director as well as his passion for the history of his adopted country in this historical novel      **Santa tierra de España** José Muntada Bach,1942      *España en la Florida (1512-1821). Tres siglos de presencia en tierras norteamericanas* Ignacio Ruiz Rodríguez,2021-04-22 Un primer capitulo al que hemos titulado La incorporacion de La Florida a la Monarquía Hispánica en el cual hemos analizado ese inmenso proceso que se iniciaba en 1512 a través de la presencia de las primeras expediciones Fueron tiempos de contactos con los pueblos aborígenes que la poblaban de erección de nuevas localidades de cartografiar el territorio o de análisis de sus posibles vías de explotación comercial En un capítulo segundo trataremos la fortificación del territorio el castillo de San Agustín de La Florida así como algunos otros que vinieron a constituir las plazas fuertes de esa península norteamericana En esas páginas contemplaremos las vicisitudes vividas por las autoridades del territorio el coste planos arquitectos ingenieros o mano de obra que levantaron esas importantes construcciones En un tercer apartado titulado el ejército español en La Florida analizaremos el papel que tuvo la milicia allí acantonada el origen de muchos de esos militares sus mandos los distintos regimientos así como las principales batallas además de las armas ofensivas y defensivas de que dispusieron a lo largo de esos más de tres siglos de presencia Ya en cuarto lugar dedicaremos un capítulo específico a las misiones misioneros e iglesia en La Florida Española que tanto dieron en la siempre difícil tarea de trasladar la imagen de Dios a los primitivos pobladores del territorio respondiendo paralelamente con ello a la obligación asumida por los monarcas españoles en las Bulas Alejandrinas Gracias a ello fueron erigidas numerosas misiones por las distintas órdenes religiosas que estuvieron allí presentes iglesias con materiales pobres pero también las hubo construidas con piedra y otros elementos sólidos En un quinto capítulo trataremos

los primeros Borbones y la herencia de los Tratados de Utrecht en ese periodo de transición del siglo XVII poca de los Habsburgos Españolaes al siglo XVIII en donde la Monarquía Hispánica había salido ciertamente dañada de la Guerra de Sucesión que se proyectó a lo largo de d cada y media Pero también fue una nueva poca en las artes de administrar las tierras adscritas a la Corona con importantes reformas que afectaron en mayor y menor grado a esa Administración de manera general y también particular incluyendo obviamente a La Florida En un sexto capítulo trataremos el más que interesante asunto de las relaciones de España con la población indígena entre la cordialidad y la rivalidad mixta cuando las otras potencias europeas igualmente presentes en esas tierras norteamericanas intentaron ganarse a la población aborigen para luego emplearla en beneficio propio esto es para comerciar con ellas pero también para emplearlas como parte de sus tropas o como mano de obra barata En esas páginas no nos olvidaremos de incorporar a las tribus más significativas de La Florida así como los lugares en donde se encontraban asentadas sus hábitos más característicos o sus adicciones Tras ello en un séptimo capítulo analizaremos a uno de los personajes más significativos de aquella Florida bajo soberanía española al que hemos titulado William Bowles y La Florida Se trató de un líder indígena que supo aunar las voluntades de muchos nativos de ese territorio en nombre de los cuales reclamó salir de las supuestas tiranías de Unidos o España la nulidad de ciertos tratados o incluso la creación de un territorio independiente en tierras de La Florida Ya en un octavo capítulo titulado el nacimiento de los Estados Unidos crítica de una nueva potencia para el control del rea septentrional de América pondremos el foco en uno de los acontecimientos más importantes de la historia del Continente Americano derivado de la independencia de las llamadas Trece Colonias Atlánticas con respecto de Inglaterra A la larga esos autodenominados Estados Unidos o Congreso acabaron desplazando a cuantas otras potencias europeas habían previamente dominado esas tierras singularmente a españolaes y británicos Más tarde ya en noveno lugar bajo el título la Florida Española tras la independencia de los Estados Unidos de América entre alianzas y disputas analizaremos pormenorizadamente cómo fueron las relaciones de la Monarquía Hispánica y esa joven nación que comenzaba a andar pero en donde residía un profundo espíritu de expansión territorial Un décimo capítulo titulado la Guerra de la Independencia y el retorno de Fernando VII se encarga de analizar la situación existente en tierras de la metrópoli en guerra contra la Francia Napoleónica y como el vacío de poder dejado por el exilio del monarca español terminó afectando al conjunto de territorios españoles diseminados por tierras americanas por más que la soberanía nacional viniese a recaer primero en la llamada Junta Central 1808 1810 y más tarde en el Consejo de Regencia 1810 1814 Finalmente en un undécimo capítulo al que hemos titulado el Tratado Adams Onís y el fin de la presencia española en tierras de La Florida abordaremos ese espacio cronológico que abarca desde la llegada a las tierras norteamericanas del embajador español Luis de Onís a la ratificación de ese convenio entre España y los Estados Unidos en virtud del cual se habría de producir entre otros compromisos allí incluidos la cesión de La Florida a la Nación Norteamericana dando desde ese momento por finiquitada la presencia española que por espacio de tres siglos allí se había mantenido Tras ello unos anexos y el apartado

destinado a fuentes y bibliografía a completar en esta obra que espero colme las expectativas que habías puesto en la misma. Igualmente hemos tenido a bien insertar a lo largo de toda esta obra una amplia serie de planos, imágenes o cuadros en la clara intención de permitir una mejor recepción de la información.
