Porcupines Kisses:

Porcupine Kisses Ryan Salvoni, 2014-08-08 Join Benny and Harper as they spread their love throughout the animal kingdom Their curiosity of how animals share kisses allows them to discover that animal affection is just as pure innocent and silly as our own Porcupine Kisses is the first installation in the Love You Most series and LYM can be found represented in each illustration

The Amazing Book of Useless Information Noel Botham, 2008 Collects whimsical trivia and features facts and statistics that cover such areas as sex inventions language food and drink celebrities religion and science and nature

The Porcupine's Kisses Stephen Dobyns, 2002 Stephen Dobyns is one of America's most respected poets his manner is tart and often sardonic his language tough funny yet at heart profoundly humane In his eleventh book of poetry he pushes the boundaries of conventional collections presenting an intriguing two part volume The first section contains ruminative prose poems dealing with a man who is looking back over the successes and failures of his life that are intercut with short considerations in the manner of the Maxims of La Rochefoucauld The second section presents an alphabetical selection of words defined by Dobyns in evocative one line phrases Punctuating the text throughout are woodcuts and line drawings by the artist Howie Michels A compelling exploration of attitudes words and concepts this is an important addition to Dobyns's body of work

The Mammoth Book of Useless Information Noel Botham, 2012-10-11 Did you know The Sumerians were the first to brew beer and all the brewers were women If you didn't then read on If you are intrigued by the odd fascinated by the fantastic or tickled by trivia then this is the book for you The Useless Information Society was formed by some of Britain's best loved journalists writers and entertainers including Keith Waterhouse Richard Littlejohn Suggs Noel Botham Ken Stott and Brian Hitchen They meet regularly to swap new nuggets of trivia This is the eighth collection of their absorbing hilarious and wholly useless facts An absolutely enormous collection lose yourself in hundreds of pages of endlessly diverting facts that will keep you amused for hours

The Amazing Book of Useless Information (Holiday Edition) Noel Botham, 2011-10-04 This collection of amazingly pointless yet fascinating facts will answer questions readers never even knew they had

Close Encounters Laura K. Guerrero, Peter A. Andersen, Ph.D., Walid A. Afifi, 2007-05-31 Using a relational approach to the study of interpersonal communication this text provides comprehensive coverage of popular theories and concepts in interpersonal communication The research base of the book draws heavily from communication but also emphasizes the interdisciplinary nature of the study of personal relationships The book focuses on communication within close relationships and is organized using a developmental approach The early chapters focus on processes that shape initial interaction and relational escalation with the caveat that some of these processes e.g. self disclosure uncertainty also play important roles in established relationships The middle chapters examine issues related to maintaining a loving fair and intimate relationship The latter chapters focus on challenges relational partners face including coping with privacy needs relational transgressions and conflict The last chapter is on relationship endings The book includes

research from various disciplines such as social psychology and family studies but the primary focus is communication research The Porcupine that wanted to be hugged Judy Kazz,2007 **The Book of Kisses** Danny Biederman,1984
