Porn Studies

Karen Boyle

Porn Studies:

Porn Studies Linda Williams, 2004 In her pioneering book *Hard Core* Linda Williams put moving image pornography on the map of contemporary scholarship with her analysis of the most popular and enduring of all film and video genres Now fifteen years later she showcases the next generation of critical thinking about pornography and signals new directions for study and teaching *Porn Studies* resists the tendency to situate pornography as the outer limit of what can be studied and discussed With revenues totaling between ten and fourteen billion dollars annually more than the combined revenues of professional football basketball and baseball visual hard core pornography is a central feature of American popular culture It is time Williams contends for scholars to recognize this and give pornography a serious and extended analysis The essays in this volume move beyond feminist debates and distinctions between a good erotica and a bad hard core Contributors examine varieties of pornography from the tradition of the soft core pin up through the contemporary hard core tradition of straight gay and lesbian videos and dvds to the burgeoning phenomenon of pornography on the Internet They explore as examples of the genre individual works as divergent as *The Starr Report* the pirated Tommy Lee Pamela Anderson honeymoon video and explicit Japanese ladies comics consumed by women They also probe difficult issues such as the sexualization of race and class and the relationship of pornography to the avant garde To take pornography seriously as an object of analysis also means teaching it *Porn Studies* thus includes a useful annotated bibliography of readings and archival sources important to the study of pornography as a cultural form Contributors Heather Butler Rich Cante Jake Gerli Minette Hillyer Nguyen Tan Hoang Despina Kakoudaki Franklin Melendez Ara Osterweil Zabet Patterson Constance Penley Angelo Restivo Eric Schaefer Michael Sicinski Deborah Shamoon Maria St John Tom Waugh Linda Williams

Pornographic Sensibilities Nicholas R. Jones, Chad Leahy, 2020-11-29 *Pornographic Sensibilities* stages a conversation between two fields Medieval Early Modern Hispanic Studies and Porn Studies that traditionally have had little to say to each other The collection offers innovative new approaches to the study of gendered and sexualized bodies in medieval and early modern textual production including literary and historical documents The volume s embrace of the interpretative tools of Porn Studies also inscribes a critical provocation in what ways can contemporary modes of reading the past serve to freshly illuminate not only the contours of that same past but also the very critical assumptions of the present upon which fields like medieval and early modern Hispanic Studies are built In this way *Pornographic Sensibilities* encourages at once both rigorous historicizations of pre and early modern culture and playful engagement with presentism considered here as a critical tool to undress the hidden assumptions of both past and present This move substantively challenges long held critical orthodoxies among scholars of pre Enlightenment periods for whom the very category of pornography itself has often problematically been framed as an anachronism when applied to their work

Pornography Peter Lehman, 2006 Brings critical insights to the reality of porn and what it can tell us about ourselves sexually culturally and economically Divided into two sections this book covers

important debates on the topic and traces the evolution of pornographic film including comparing its development to that of Hollywood cinema

Pornography Rebecca Sullivan, Alan McKee, 2015-10-19 Written for a broad audience and grounded in cutting edge contemporary scholarship this volume addresses some of the key questions asked about pornography today What is it For whom is it produced What sorts of sexualities does it help produce Why should we study it and what should be the most urgent issues when we do What does it mean when we talk about pornography as violence What could it mean if we discussed pornography through frameworks of consent self determination and performance This book places the arguments from conservative and radical anti porn activists against the challenges coming from a new generation of feminist and queer porn performers and educators Combining sensitive and detailed discussion of case studies with careful attention to the voices of those working in pornography it provides scholars activists and those hoping to find new ways of understanding sexuality with the first overview of the histories and futures of pornography

Everyday Pornography Karen Boyle, 2010-09-13 Public and academic debate about porn culture is proliferating Ironically what is often lost in these debates is a sense of what is specific about pornography By focusing on pornography's mainstream contemporary commercial products for a heterosexual male audience Everyday Pornography offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation Everyday Pornography presents original work from scholars from a range of academic disciplines Media Studies Law Sociology Psychology Women's Studies Political Science introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches Among the topics explored are the porn industry's marketing practices spam emails reviews and online organisation commercial sex in Second Life the pornographic narratives of phone sex and amateur videos the content of best selling porn videos how the male consumer is addressed by pornography represented within the mainstream understood by academics and contained by legislation This collection places a particular emphasis on anti pornography feminism a movement which has been experiencing a revival since the mid 2000s Drawing on the experiences of activists alongside academics Everyday Pornography offers an opportunity to explore the intellectual and political challenges of anti pornography feminism and consider its relevance for contemporary academic debate

The Afterglow of Women's Pornography in Post-Digital China K. Jacobs, 2015-06-03 Chinese artists activists and netizens are pioneering a new order of pornographic representation that is in critical dialogue with global entertainment media Jacobs examines the role of sex positive feminists and queer communities to investigate pornography's afterglow a state of crisis and decay within digital culture

New Views on Pornography Lynn Comella, Shira Tarrant Ph.D., 2015-02-17 This book presents thought provoking research and data about pornography that will prompt readers to reconsider their positions on a highly controversial and current issue Why do people use pornography Is porn addiction a fact or myth What is revenge porn and is it illegal Can pornography be more diverse This interdisciplinary collection presents well researched facts and up to date data that encourage informed discussion about

controversial and relevant issues in contemporary society Chapters address topics such as the history and cultural trends of pornography labor and production practices in creating porn the effects of technology current issues in obscenity law and myths and facts about the effects of pornography New Views on Pornography Sexuality Politics and the Law challenges assumptions about this popular yet controversial industry Contributors include top scholars from media studies sociology psychology gender studies criminology politics and the law This book provides a comprehensive overview of pornography that will help students educators and general readers deepen their understanding of this provocative subject

The Philosophy of Pornography Lindsay Coleman, Jacob M. Held, 2014-09-08 For many individuals pornography is a troubling and problematic issue Regardless of how the public views this topic one thing is clear Pornography is as prevalent and accessible as smartphones and laptop computers Indeed beyond traditional hardcore material a pornographic sensibility permeates many aspects of culture from tween and young teen fashions to television and commercially successful films In fact pornography is so widespread that more often than not it is taken as a given in our modern social space However the thought of engaging in intellectual discussions about the topic strikes many particularly scholars as beneath them And yet something this impactful this definitive of modern culture needs to be laid open to scrutiny In *The Philosophy of Pornography: Contemporary Perspectives* Lindsay Coleman and Jacob M Held offer a collection of essays covering a wide range of viewpoints from issues of free speech and porn's role in discrimination to the impact of porn on sexuality These essays investigate the philosophical implications of pornography as a part of how we now seek to conceive and express our sexuality in contemporary life Contributors to this volume discuss pornography as a component of gender and sexual socialization ecological understandings of sexually explicit media subordination sexualization and speech feminism and pornography pornography's depiction of love and friendship black women and pornography playfulness and creativity in porn Because its subject matter sex gender interpersonal relationships and even love is reflective of who we are and what kind of society we want to create pornography demands serious treatment So whether one chooses to accept pornography as a fact of modern culture or not this collection of timely essays represents a variety of voices in the ongoing debate As such *The Philosophy of Pornography* will be of interest to not only those who are engaged in porn studies but also to an audience educated in and conversant with recent trends in philosophy

Handbook of the Sociology of Sexualities John DeLamater, Rebecca F. Plante, 2015-06-19 This volume provides researchers and scholars with a broad overview of the contributions of social psychologists and sociologists to the study of sexual relationships and sexual expression across the life course These contributions include analyses of the dynamics of several types of contemporary sexual relationships e.g. short term long term non exclusive and committed Chapters analyze the influence of major social institutions e.g. religion family and economy on them The content and scope of this volume have been carefully chosen to balance coverage of traditional emphases dating marriage commercial sex work sex education with new and cutting edge materials embodiment Trans

asexualities Sections review major theoretical perspectives and the principal research methods Coverage of sexual orientation is integrated throughout This volume provides excellent resources for anyone interested in research on sexualities

South Asian Pornographies Darshana Sreedhar Mini, Anirban K. Baishya, 2024-06-21 South Asian Pornographies is the first consolidated volume that explores the relationships between pornography obscenity law and desire in South Asia Focusing on case studies from India Sri Lanka and Bangladesh while gesturing towards other countries in South Asia the authors of this volume come from fields as varied as history literature media and communication and the visual arts The book proposes that as a geo political location South Asia has a unique relationship to pornography given the multiplicity of cultural and legal censorial regimes that define the obscene and the permissible South Asian case studies can demonstrate how pornography in the region is often defined in oblique terms finding reflection in various modes of popular and sometimes underground culture bypassing legal and censorial constraints Like questions of identity that can only be answered in the plural identities rather than identity this book demonstrates how a range of pornographies constitutes the force field of sexualized media in South Asia It will be of interest to researchers and advanced students of Communication Studies Cultural Studies Film Studies History Sociology and Social and Cultural Anthropology The chapters in this book were originally published in the journal Porn Studies

Histories of Sex Work Around the World Catherine Phipps, 2024-08-07 This book offers snapshots of sex work in global history examining how it has differed in different places around the world at different points in time Focusing on certain moments in certain places and examinations of historical lives it offers a diverse approach with a heavy focus on lived experience to see what selling sex was like instead of what it meant Therefore this book aims to argue that selling sex has been different at different times and present the diversity of experience in sex work throughout history through case studies and comparisons Aimed for students scholars and general readers alike Histories of Sex Work Around the World provides an introduction to the history of sex work within a global perspective The case studies cover a wide range of topics and geographical regions from North America to Mexico City to Vietnam spanning across 12 different countries and over 400 years of history before considering the future of sex work in the internet age Furthermore this book features chapters with personal accounts from writers with experience selling sex managing a brothel or working as a dancer It also includes a foreword from renowned writer and historian Julia Laite author of bestselling book The Disappearance of Lydia Harvey

Ways of Life in the Late Modernity Helena Kubátová, Karel Čada, Martin Fafejta, Ivan Chorvát, Kateřina Ivanová, Eva Jarošová, Jan Kalenda, Lucie Křeménková, Dušan Lužný, Erika Moravčíková, Ivan Nový, Miloslav Petrusek, Juraj Skačan, Alois Surynek, Urszula Swadźba, Daniel Topinka, Jan Váně, Miluše Vítečková, František Zich, 2016-12-31 The aim of this monograph is to show the contexts in which ways of life are conducted in late modernity the dimensions of life in late modernity we can identify and how we can describe and understand them The fundamental starting point of the monograph is the thesis that late modernity is characterized amongst other factors by large number of life forms and ways of

life The monograph is introduced with a chapter entitled Ways of Life in Late Modernity in which the author attempts to define the concepts of way of life lifestyle and life architecture to outline different theoretical approaches to understanding way of life and to define some characteristics of late modern ways of life The monograph is further divided into three parts

Human Resource Management in the Pornography Industry David M. Kopp,2020-06-12 While pornography is stigmatized as dirty work it faces many of the same operational considerations as traditional industries From increasing competition new technology that impacts services to health and workplace safety issues the pornography industry also utilizes and applies HRM strategies that include recruiting selecting and retaining the best sex workers As a follow up to his last book on the social history of training and development 2018 Kopp writes this final installment of a system contained within an unconventional setting as he reflects and distills the facets of human resource management found in the pornography industry Specifically this book explores traditional human resource management processes and practices and examines how common HRM systems are contextualized in an organization as pariah venue Topics covered include recruiting career development performance management and workforce diversity offering readers a value neutral analytical assessment of the HR practices in the unconventional industry and stigmatized trade that is pornography

Stigma and the Shaping of the Pornography Industry Georgina Voss,2015-05-15 The idea of pornography is often employed to invoke titillation anger and disgust Stigma and the Shaping of the Pornography Industry explores the effects that this stigmatized identity has on the pornography industry itself From the video era to the emergence of the internet to trade shows white collar workers technological innovation and industry wide characteristics this book looks beyond content production to explore how stigma has shaped the structures practices norms and boundaries of the wider sector By drawing on concepts such as dirty work core stigmatized industries and outlaw innovation this book offers rich insights into the ways in which stigma is socially constructed and managed and the deep structural effects that it has on the industry

Digital Platforms and Feminist Film Discourse Rosanna Maule,2017-04-27 This project offers a critical overview of how online activities and platforms are becoming an important source for the production and promotion of women s films Inspired by a transnational feminist framework Maule examines blogs websites online services and projects related to women s filmmaking in an interrogation of the very meaning of women s cinema at the complex intersection with digital technology and globalization It discusses women s cinema 2 0 as a resistant type of cinematic expression and brings attention to the difficulties inherent in raising and expanding visibility for women s filmic expression within a global sphere dominated by neo liberalism and post feminism The author pays close attention to the challenges and contradictions involved in bringing a niche area of filmmaking and feminist discourse to the broad and diverse communities of the Internet and global media market while also highlighting the changing forms of media and feminism

Gay Pornography John Mercer,2017-03-30 Gay pornography online and onscreen is a controversial and significantly under researched area of cultural production In the first book of its kind Gay Pornography

Representations of Sexuality and Masculinity explores the iconography themes and ideals that the genre presents. Indeed John Mercer argues that gay pornography cannot be regarded as one dimensional but that it offers its audience a vision of plural masculinities that are more nuanced and ambiguous than they might seem. Mercer examines how the internet has generated an exponential growth in the sheer volume and variety of this material and facilitated far greater access to it. He uses both professional and amateur examples to explore how gay pornography has become part of a wider cultural context in which modern masculinities have become saturated by their constantly evolving status and function in popular culture.

The End of Cool Japan Mark McLelland, 2016-07-22 Today's convergent media environment offers unprecedented opportunities for sourcing and disseminating previously obscure popular culture material from Japan. However, this presents concerns regarding copyright ratings and exposure to potentially illegal content which are serious problems for those teaching and researching about Japan. Despite young people's enthusiasm for Japanese popular culture, these concerns spark debate about whether it can be judged harmful for youth audiences and could therefore herald the end of cool Japan. This collection brings together Japan specialists in order to identify key challenges in using Japanese popular culture materials in research and teaching. It addresses issues such as the availability of unofficially translated and distributed Japanese material, the emphasis on adult themes, violence, sexual scenes, and under-age characters, and the discrepancies in legislation and ratings systems across the world. Considering how these issues affect researchers, teachers, students, and fans in the US, Canada, Australia, China, Japan, and elsewhere in Asia, the contributors discuss the different ways in which academic and fan practices are challenged by local regulations. Illustrating from personal experience the sometimes fraught nature of teaching about cool Japan, they suggest ways in which Japanese Studies as a discipline needs to develop clearer guidelines for teaching and research, especially for new scholars entering the field. As the first collection to identify some of the real problems faced by teachers and researchers of Japanese popular culture, as well as the students over whom they have a duty of care, this book will be of great interest to students and scholars of Japanese Studies and Cultural Studies.

The Regulation of Sex Robots Carlotta Rigotti, 2025-06-13 This book proposes a framework for regulating sex robots: human-like machines designed to engage emotionally and sexually with users through customisable, often AI-powered features. Although they occupy a niche in the adult entertainment and technology industries, sex robots raise complex issues that extend beyond current debates. To date, sex robots are frequently portrayed either as tools for societal liberalisation and remedies for sexual inequalities, or as mediums for sexual commodification and personal degradation. These conflicting perspectives echo longstanding feminist debates which often lead to polarisation and normative deadlock, overlooking the lived experiences of individuals beyond binary and heteronormative frameworks. The evolving legal landscape further complicates these issues. Regulatory bodies such as the European Union struggle to keep pace with emerging technologies and human-machine interactions. Their tendency to evaluate innovations as products with hypothetical risks through a detached top-down approach fails to address

the intersectional dynamics of privilege and oppression This book enriches the conversation by moving beyond binary narratives of emancipation and oppression It challenges the socio legal construction of gender and sexuality critiques regulatory inertia and morality policing and advocates for nuanced context aware regulation of sex robots It will appeal to researchers in socio legal studies law and technology gender and law as well as those in sociology and gender studies offering critical insights into the regulation of gendered and sexualised technologies and their broader societal implications

Beyond Explicit Helen Hester, 2014-01-23 This original contribution to porn studies aims to interrogate previously untheorized changes in contemporary understandings of the pornographic Helen Hester argues that the words porn and pornographic are currently being applied to an ever expanding range of material and that this change in language usage reflects a wider shift in perception She suggests that we are witnessing a seemingly paradoxical move away from sex within contemporary understandings of porn as a range of other factors come to influence the concept Using examples from media literature and culture and discussing the rise of notions such as torture porn and misery porn Hester's argument ranges from sexually explicit German novels and British policy documents to a discussion of the differences between European and American editions of pornographic films She concludes that four factors in particular transgression intensity prurience and authenticity can be seen to influence the way that we think about porn

Innovation and Impact of Sex as Leisure in Research and Practice Liza Berdychevsky, Neil Carr, 2022-05-11 This book responds to the need to investigate the complex links between sex and leisure and their implications for research and practice Understanding sex as leisure aligns with sex positive culture that focuses on affirming pleasure in the contemporary sexual discourse and advocating for sexual diversity freedom empowerment and fulfilling sex lives The focus of this book is on analyzing the complexity of sex as leisure in various socio cultural and geographical contexts with particular reference to vulnerable populations and pressing sexual issues including sexual pleasure and expression biomedicalization of sexuality and social justice and sexuality Specific chapters offer diverse international coverage and address the links between a positive sexuality framework and leisure research The chapters cover sexual play and sex toys based on consumer experience perspectives using the leisure lens to analyze sex and pornography addiction quadriplegic sexuality and leisure rejection and resilience on a gay cruise relational dynamics of aging exploitation and deceit in sex tourism sexual harassment of solo female travelers and the complexity of consent in the sexualized leisure space of a pornography expo This book will be of great value to those interested in transdisciplinary scholarship as it critically broadens the bio psycho socio cultural perspective of sex as leisure The chapters in this book were originally published as a special issue of the journal Leisure Sciences
