Pornography And The Sex Crisis

Marty Klein Ph.D.

Pornography And The Sex Crisis:

Pornography and the Sex Crisis Susan G. Cole, 1992 Can we do something about pornography without using censorship Award winning journalist Susan G Cole says yes and presents a new argument that goes beyond the ones that have polarized the country around this issue *Pornography and the Sex Crisis* Susan Carano Cole, 1989 Pornography Embodied Joan Mason-Grant, 2004-03-12 What does it mean to reconceptualize pornography as a material practice rather than as speech Sidestepping the legal debates over their civil ordinance and drawing on phenomenology of the lived body Mason Grant returns to the innovative core of the Dworkin MacKinnon critique of mainstream pornography She develops a practice paradigm that captures and extends their insights showing how the use of mass market heterosexual pornography contributes to the cultivation of troubling forms of sexual know how **Pornography** Max Waltman, 2021-08-18 Pornography has long proven a polarizing and vexing subject in legal and feminist debates Women's social movements have fought ferociously against pornography since the 1970s emphasizing its contribution to violence against women At least two to four of ten young men consume it three times or more per week The pornography industry exploits poor populations who are multiply and intersectionally disadvantaged based on gender race or other vulnerabilities A thorough analytical review of empirical studies using complementing methods demonstrates that using pornography substantially contributes to consumers becoming more sexually aggressive on average desensitizing them and contributing to a demand for more subordinating aggressive and degrading materials Consumers are also often found wishing to imitate pornography with unwilling partners many demand sex from prostituted people who have few or no alternatives While the supporting scientific evidence of harm is growing exponentially the politics of legal challenges to pornography still constitutes an amalgam of some of the most intractable thorny and adversarial obstacles to change This book assesses American Canadian and Swedish legal challenges to the explosive spread of pornography within their significantly different democratic systems and constructs a political and legal theory for effectively challenging the sex industry under law The obstacles to this challenge are exposed as more ideological and political than strictly legal although they often play out in the legal arena Legal challenges to the harms are shown to be more effective under legal systems that promote equality and when the laws empower those most harmed in contrast to state enforced regulations e.g. criminal obscenity laws Drawing on feminist and intersectional theory among others this book argues that pornography is among the linchpins of sex inequality contending that civil rights legislation and a civil society forum can empower those harmed with representatives who have more substantial incentives to address them This book explains why democracies fail to address the harms of pornography and offers a political and legal theory for changing the status quo These insights can be applied to other intractable problems associated with hierarchies and will appeal profoundly to political theorists and those invested in civil and human rights Everyday Pornography Karen Boyle, 2010-09-13 Public and academic debate about porn culture is proliferating Ironically what is often lost in these

debates is a sense of what is specific about pornography By focusing on pornography's mainstream contemporary commercial products for a heterosexual male audience *Everyday Pornography* offers the opportunity to reconsider what it is that makes pornography a specific form of industrial practice and genre of representation *Everyday Pornography* presents original work from scholars from a range of academic disciplines Media Studies Law Sociology Psychology Women's Studies Political Science introducing new methodologies and approaches whilst reflecting on the ongoing value of older approaches Among the topics explored are the porn industry's marketing practices spam emails reviews and online organisation commercial sex in *Second Life* the pornographic narratives of phone sex and amateur videos the content of best selling porn videos how the male consumer is addressed by pornography represented within the mainstream understood by academics and contained by legislation This collection places a particular emphasis on anti pornography feminism a movement which has been experiencing a revival since the mid 2000s Drawing on the experiences of activists alongside academics *Everyday Pornography* offers an opportunity to explore the intellectual and political challenges of anti pornography feminism and consider its relevance for contemporary academic debate

Dehexing Sex Helena Goscilo, 2025-10-01 Glasnost and the collapse of the Soviet Union revolutionized Russian society What effects however did they have on the status role and image of women in Russian culture Examining the past turbulent decade of transition to democracy and a market economy *Dehexing Sex* traces the ways in which Russia's concept of womanhood both changed and remained the same taking into account dominant ideologies and social philosophies sociopolitical organizations women's writings literary criticism film and popular cultural forms such as pornography The lively engaging chapters of this book examine texts by contemporary women writers in the context of the political social economic biological psychological and aesthetic transformations that helped define them Goscilo reveals that the Russian cultural revolution has reshaped the female image in varied and often contradictory ways While increased interaction with the West fostered gender awareness it also introduced imported Western sexist practices especially the exploitation of female bodies formerly proscribed by a puritanical censorship Popular magazines newspapers and television propagated the image of woman as mother ornament and sexual object even as women's fiction conceived of womanhood in complex psychological terms that undermined the gender stereotypes which had ruled Soviet thinking for more than 70 years With the aid of feminist and cultural theory *Dehexing Sex* investigates the overt and internalized misogyny that combined with the genuinely liberalizing forces unleashed by Gorbachev's policy of glasnost and perestroika It exposes Russia's repressive romance with womanhood as a metaphor for nationhood and explores Russian women's ironic recasting of national mythologies Impressive an important contribution to Russian studies and to women's studies The author is an outstanding scholar an energetic and original thinker and her writing sparkles with imagination and wit Stephanie Sandler Amherst College Helena Goscilo is Associate Professor and Chair of Slavic Languages and Literatures University of Pittsburgh

Eclectic Views on Gay Male Pornography Todd Morrison, 2013-11-26 A unique multifaceted

look at the meaning and the specifics of gay male pornography Open any gay lifestyle magazine even the serious ones or go to any gay bar and you re likely to encounter something related to pornography be it an image of a porn superstar or advertisements for pornographic magazines DVDs calendars etc Eclectic Views on Gay Male Pornography Pornucopia examines this phenomenon with a series of provocative essays in which experts in history law media studies and psychology as well as laypeople and gay porn insiders explore the complex world of male pornography and the various ways in which it has permeated gay culture from the 1970s until today This first of its kind book examines the phenomenon of self writing and performance for gay men in the last century specifically looking at the lives of modern day performance artist Tim Miller who has received national recognition for his one man shows portraying his struggles as a gay man Wakefield Poole born 1936 the first producer of gay pornography Bijou Boys in the Sand in the era accompanying the emergence of the gay rights movement gay adult film icon Scott Spunk O Hara born 1961 and Aaron Lawrence born 1971 who worked as a gay escort actor and producer director of his own sexually explicit amateur videos In this groundbreaking analysis of gay men s relationship with pornography you ll also learn about gay pornography and the messages it carries about intimacy body image and hegemonic masculinity representations of ethnicity in gay pornography gay pornography and safer sex gay pornography and censorship viewers perceptions of gay pornography gay pornography and internalized homophobia misogyny and body fascism changes in the way gay pornography is produced and performed from the 1970s through the 1990s the meaning of the recurring settings in American gay pornographic videos prison the military and other all male environments and recurring themes leather S M dissatisfaction with heterosexual life initiation into gay life etc In addition Eclectic Views on Gay Male Pornography presents two fascinating chapters about the case of Little Sisters Book and Art Emporium in Vancouver In this landmark case the Canadian Supreme Court was asked to determine whether gay male pornography violated the sex equality protections guaranteed by the Canadian Charter of Rights and Freedoms The court also examined the way that Canada Customs treats international shipments to gay and lesbian bookstores In addition the book provides a revealing insider s perspective on the gay adult video industry that contrasts the workaday reality of making porn with the glamorous mythology of the skin trade

Sexuality and Identity Leslie J. Moran, 2017-11-30 Born in the late nineteenth century sexuality is a relatively new category within the human sciences in general and law and society scholarship in particular Despite its novelty it is now a central category through which we understand ourselves both as individuals and as members of communities This volume offers a collection of essays selected to reflect the ever widening horizons and diverse methodologies of law and society scholarship on sexual and identity in law The essays offer an insight into some of the key themes and recent developments in this body of work Each in different ways offers an evaluation of the nature meaning and effects of sexuality thereby providing a critical evaluation of the politics of sexual identity as it appears in and through the law

Gender, Sexuality and Race in the Digital Age D. Nicole Farris, D'Lane R. Compton, Andrea P. Herrera, 2020-01-01 This book

provides a unique analysis of the intersection between gender sexuality race and social media While early scholarship identified the internet as being inherently egalitarian this volume presents the internet as a real social place where inequalities matter and manifest in particular ways according to the architectures of particular platforms This volume utilizes innovative methodologies to analyze how internet users both re inscribe and resist inequalities of gender sexuality and race It describes how the internet has ameliorated and bridged geographic and numerical limits on community formation and this volume examines how the functioning of social inequalities differs on and offline

Christians, Feminists, and the Culture of Pornography Arthur J. Mielke, 1995 In this pioneering study in religion and culture Mielke acknowledges the power that pornographic images continue to assert in a culture whose conscious intention is to deny their attraction Despite efforts by Christians and feminists alike to radically alter the sexual agenda in the direction of a more tender and respectful eroticism much of contemporary America continues its sexual odyssey with unrepentant enthusiasm and with an increasing interest in overt sexual imagery Mielke's unique analysis brings together a wide range of sources contemporary as well as historical Christianity sex therapy secular feminism contemporary psychoanalysis and behavioral science research studies in an attempt to explain the prevalence of pornographic themes and imagery in human sexual arousal and fulfillment Contents Preface Acknowledgements Introduction The Problematic Place of Pornography in Culture Sexual Liberalism in America Feminists Confront Pornography Christian Perspectives on Sex and Pornography The Dynamics of Sexual Excitement The Research of Robert J. Stoller M. D. Pornography's Challenge to Theology Bibliography Readings for Further Study Index

The Quest for Sexual Health Steven Epstein, 2022-03-23 Offering an entryway into the distinctive worlds of sexual health and a window onto their spillover effects sociologist Steven Epstein traces the development of the concept and parses the debates that swirl around it Since the 1970s health professionals researchers governments advocacy groups and commercial interests have invested in the pursuit of something called sexual health Under this expansive banner a wide array of programs have been launched organizations founded initiatives funded products sold and yet no book before this one asks What does it mean to be sexually healthy When did people conceive of a form of health called sexual health And how did it become the gateway to addressing a host of social harms and the reimagining of private desires and public dreams Conjoining sexual with health changes both terms it alters how we conceive of sexuality and transforms what it means to be healthy prompting new expectations of what medicine can provide Yet the ideal of achieving sexual health remains elusive and open ended and the benefits and costs of promoting it are unevenly distributed across genders races and sexual identities Rather than a thing apart sexual health is intertwined with nearly every conceivable topical debate from sexual dysfunction to sexual violence from reproductive freedom to the practicalities of sexual contact in a pandemic In this book Steven Epstein analyzes the rise proliferation uptake and sprawling consequences of sexual health activities offering critical tools to assess those consequences expand capacities for collective decision making and identify pathways that promote

social justice *Gay Male Pornography* Christopher N. Kendall, 2004 The 2000 case of Little Sisters Book and Art Emporium v Customs Canada provided Canada's highest court with its first opportunity to consider whether the analysis set out in R v Butler in which the Supreme Court identified pornography as an issue of sex discrimination applies to pornography intended for a lesbian or gay male audience The Court held that it did finding that like heterosexual pornography same sex pornography also violates the sex equality interests of all Canadians Christopher Kendall supports this finding arguing that gay male pornography reinforces those social attitudes that create systemic inequality on the basis of sex and sexual orientation misogyny and homophobia alike by sexually conditioning gay men to those attitudes and practices The author contends that as a result of litigation efforts like those brought by lesbian and gay activists in the Little Sisters case the notion of empowerment and the rejection of those values that daily result in all that is anti gay have been replaced with a misguided community ethic and identity politic that encourages inequality This is best exemplified in the gay male pornography defended in Little Sisters as liberation and central to sexual freedom Gay Male Pornography rejects the equality claims of gay male pro pornography advocates and argues that there is little to be gained from sexualized conformity To date no one has taken the position that gay male pornography violates the legal right to sex equality This book does that and as such it will be of value to scholars of law sociology and gender studies as well as to all who have an interest in equality and justice

His Porn, Her Pain Marty Klein Ph.D., 2016-09-06 Written by an award winning author and veteran sex therapist this practical innovative and often passionate book addresses the explosion of pornography use advises couples on defusing conflict about it guides parents in helping their kids deal with it advises people concerned about their use of it and shows how honest talk about sex can resolve America's porn panic When you first logged onto the Internet in the 1990s did you ever wonder What do you suppose would happen if the United States were flooded with free high quality pornography We now know the answer says Dr Marty Klein as this is exactly what took place 15 years ago Written by an award winning author and veteran sex therapist this practical innovative and often passionate book addresses the explosion of pornography use advises couples on defusing conflict about it guides parents in helping their kids deal with it advises people concerned about their use of it and shows how honest talk about sex can resolve America's porn panic So what did happen when Internet porn flooded America The rates of sexual assault divorce and child molestation declined And yet various religious groups politicians some feminists anti trafficking activists and many marriage counselors talk unceasingly about the damage porn viewing is doing to our society They have created a PornPanic that has demonized the recreation of some 60 million Americans Americans are always ready for new reasons to feel guilty and ashamed of their sexuality and Internet porn is the newest reason Wives and girlfriends worry that they can't compete with it teens use it as a misguided substitute for sex education often disturbed by intense adults only imagery and psychologically vulnerable people get caught up in hours of compulsive porn surfing every night feeling isolated and inadequate as a result Fortunately for his many readers however

using clear reasoning clinical expertise and political savvy Klein shows that for most people porn is not the real problem With the experience gained from 34 years of doing therapy that s 35 000 sessions Klein asks a simple but profound question when we talk about porn what are we really talking about This book eases readers minds as Klein addresses common concerns and debunks common myths while identifying what we should be concerned about Most importantly the author explains how we can heal America s obsession with porn by engaging in honest talk about sex something he knows is neither simple nor easy The text includes sample conversations to help adults talk to each other about pornography and suggestions for parents on how to talk to their kids about porn healthy discussions to help their kids develop Porn Literacy This book offers honest thorough expert information desperately needed by a nation of people driven to panic about pornography Objectification Susanna Paasonen, Feona Attwood, Alan McKee, John Mercer, Clarissa Smith, 2020-08-12 This is a concise and accessible introduction into the concept of objectification one of the most frequently recurring terms in both academic and media debates on the gendered politics of contemporary culture and core to critiquing the social positions of sex and sexism Objectification is an issue of media representation and everyday experiences alike Central to theories of film spectatorship beauty fashion and sex objectification is connected to the harassment and discrimination of women to the sexualization of culture and the pressing presence of body norms within media This concise guidebook traces the history of the term s emergence and its use in a variety of contexts such as debates about sexualization and the male gaze and its mobilization in connection with the body selfies and pornography as well as in feminist activism It will be an essential introduction for undergraduate and postgraduate students in Gender Studies Media Studies Sociology Cultural Studies or Visual Arts

Opposite Sex Sara Miles, Eric Rofes, 1998-04 Filling in some perceived gaps in queer studies Fourteen essays center the analysis of lesbian and gay sexuality on sex itself and real bodies acts and desires and explore the relationships between male and female homosexuality The titles include Blackbeard Lost The Ick Factor Flesh Fluids and Cross Gender Revulsion Recognizing the Real Labor and the Economy of Banjee Desire and Los Angeles at Night Annotation copyrighted by Book News Inc Portland OR **Educating Young People About Pornography** Vanessa Rogers, 2022-06-21 At a time when pornography is more accessible than ever and many young people are inadvisably turning to pornography to learn about sex and relationships this book explores what pornography is the politics behind pornography how it can affect both sexual and non sexual relationships and the effects of pornography on mental health The book also covers the important wider topics of the making and sharing of inappropriate images and over exposure to porn contributing to what is becoming known as rape culture It includes full lesson plans activities photocopiable materials and clear information on how to implement the programme including outlines for staff CPD sessions and parent workshops This book will be vital for PSHE teachers senior leadership teams pastoral care teams school counsellors youth workers school nurses and anyone who might be involved in sex education provision for young people **Sex Equality** Catharine A. MacKinnon, 2007 Law school casebook that maps

the legal doctrine of sex equality using materials drawn from theory social science history and comparative law Cases on racism work education athletics and pregnancy are examined in detail A chapter on Sex Race and Nation expands on the connections between racism and sexism raised throughout Burdens of Proof equips the litigator with basic technical skills Explores issues that have received less attention including the law of the family rape abortion prostitution and pornography The argument that gay and lesbian rights are sex equality rights is advanced Sexual harassment in employment and education are discussed in depth **ThirdWay** , Monthly current affairs magazine from a Christian perspective with a focus on politics society economics and culture *Empowering Relationships and Sex Education* Josephine Morgan,2024-06-06 The teaching of sex and relationships is now statutory but many secondary schools and teachers are struggling with this essential topic Can we really talk about sexual pleasure How do we make our teaching LGBTQ inclusive How do we engage boys with discussions about sexual violence These and many other questions will be answered in *Empowering Relationships and Sex Education* This book helps schools understand that the statutory content is not the maximum they can do rather it is the minimum they should do Quality RSE offers young people skills for life It empowers them to love themselves and find love with other people It helps them acquire a clearer sense of themselves and their character and helps to develop empathy with others It fosters a sense of agency and reciprocal sexual citizenship It combats fear and shame around sex unhelpful messages from porn peer pressure and so much more Good RSE is everything This book is a way for you to educate yourself on the many fascinating subject areas within RSE It is a fantastic starting point for building a programme to meet student need and an essential resource for all RSE leads and teachers in secondary schools Atlantis ,1989
