and aesthetic questions What does it mean to call a film sadistic and how has this term been used to shut down critical debate In what sense does torture porn respond to current events and in what ways does it draw from much older tropes How has torture porn been influenced by earlier horror film cycles from slasher movies to J horror And in what ways has the torture porn aesthetic gone mainstream popping up in everything from the television thriller Dexter to the reality show Hell's Kitchen Reflecting a deep knowledge and appreciation for the genre Torture Porn in the Wake of 9 11 is sure to resonate with horror fans Yet Kerner's arguments should also strike a chord in anyone with an interest in the history of American violence and its current and future ramifications for the War on Terror
