Port Madison Washington Territory 1854-1889:

Chief Seattle and the Town that Took His Name David M. Buerge, 2017-01-01 This is the first thorough historical account of Chief Seattle and his times the story of a half century of tremendous flux turmoil and violence during which a native American war leader became an advocate for peace and strove to create a successful hybrid racial community When the British Spanish and then Americans arrived in the Pacific Northwest it may have appeared to them as an untamed wilderness In fact it was a fully settled and populated land Chief Seattle was a powerful representative from this very ancient world Historian David Buerge has been researching and writing this book about the world of Chief Seattle for the past 20 years Buerge has threaded together disparate accounts of the time from the 1780s to the 1860s including native oral histories Hudson Bay Company records pioneer diaries French Catholic church records and historic newspaper reporting Chief Seattle had gained power and prominence on Puget Sound as a war leader but the arrival of American settlers caused him to reconsider his actions He came to embrace white settlement and following traditional native practice encouraged intermarriage between native people and the settlers offering his own daughter and granddaughters as brides in the hopes that both peoples would prosper Included in this account are the treaty signings that would remove the natives from their historic lands the roles of such figures as Governor Isaac Stevens Chiefs Leschi and Patkanim the Battle at Seattle that threatened the existence of the settlement and the controversial Chief Seattle speech that haunts to this day the city that bears his name Port Madison, Washington Territory, 1854-1889 Fredi Perry, 1989 **Bainbridge Island** Donald R.

Tjossem, Bainbridge Island Historical Museum, 2013 Bainbridge Island sits in the middle of Puget Sound in Washington State Its unique history starts with the Native Americans and includes logging farming fishing and shipbuilding from the late 1800s through the present Early explorers included George Vancouver in 1792 and the Wilkes expedition of 1841 Ferry service and other means of water transport were the only ways onto the island until 1950 when a bridge was completed Bainbridge Island is only a 30 minute ferry ride from Seattle and its only bridge approaches the island from the west The City of Bainbridge Island which includes the entire 65 square mile island incorporated on February 28 1991 Its 23 000 residents today share the rich history that is told in images and captions within the pages of this book **More than Petticoats:**
