Third Series* Library of Congress. Copyright Office,1976 **The Macmillan Portable World Atlas ,1998** *Reference and Information Services* Melissa A. Wong,Laura Saunders,2020-05-04 This revised and updated sixth edition of Reference and Information Services continues the book's rich tradition covering all phases of reference and information services with less emphasis on print and more emphasis on strategies and scenarios Reference and Information Services is the go to textbook for MSLIS and i School courses on reference services and related topics It is also a helpful handbook for practitioners Authors include LIS faculty and professionals who have relevant degrees in their areas and who have published extensively on their topics The first half of the book provides an overview of reference services and techniques for service provision including the reference interview ethics instruction reader's advisory and services to diverse populations including children This part of the book establishes a foundation of knowledge on reference service and frames each topic with ethical and social justice perspectives The second part of the book offers an overview of the information life cycle and dissemination of information followed by an in depth examination of information sources by type including dictionaries encyclopedias indexes and abstracts as well as by broad subject areas including government statistics and data health and legal information This second section introduces the tools and resources that reference professionals use to provide the services described in the first half of the text **The Book of Acts in its First Century**

Setting, Volume 2 David W. Gill,Conrad Gempf,2000-11-24 The results of our rapidly expanded historical and archaeological knowledge have here been brought to bear on the Book of Acts to stunning effect Outstanding as Jackson and Lake was in its day this volume on the Graeco Roman setting of Acts holds out the promise of equaling if not surpassing that great achievement Paul Barnett Bishop of North Sydney Australia This well written volume offers a remarkable up to date collection of relevant new data to assist in scenario formation for a considerate reading of the Book of Acts The largely Australian and British team of authors must be congratulated for preparing this very useful data set There are authoritative descriptions of travel of food supply of domestic and political religion of urban elites and of the Eastern Mediterranean provinces and their leadership Such information about the realm of the Graeco Roman world will enable the interpreter of Acts to bring these data to bear in the process of interpretation Of great use to ancient historians classicists and biblical scholars yet written and presented in such a way that it will be fascinating to intelligent nonprofessionals as well Bruce J Malina Creighton University *Subject Guide to Children's Books in Print 1997* Bowker Editorial Staff,R R Bowker Publishing,1996-09 *InfoWorld ,1990-07-30* InfoWorld is targeted to Senior IT professionals Content is segmented into Channels and Topic Centers InfoWorld also celebrates people companies and projects *The World's Work ,1910* The

Mapmaker's Wife Robert Whitaker,2008-11-05 In the early years of the 18th century a band of French scientists set off on a daring decade long expedition to South America in a race to measure the precise shape of the earth Like Lewis and Clark s exploration of the American West their incredible mission revealed the mysteries of a little known continent to a world hungry for discovery Scaling 16 000foot mountains in the Peruvian Andes and braving jaguars pumas insects and vampire bats in the jungle the scientists barely completed their mission One was murdered another perished from fever and a third Jean Godin nearly died of heartbreak At the expedition s end Jean and his Peruvian wife Isabel Gramesen became stranded at opposite ends of the Amazon victims of a tangled web of international politics Isabel s solo journey to reunite with Jean after their calamitous twenty year separation was so dramatic that it left all of 18th century Europe spellbound Her survival unprecedented in the annals of Amazon exploration was a testament to human endurance female resourcefulness and the power of devotion Drawing on the original writings of the French mapmakers as well as his own experience retracing Isabel s journey acclaimed writer Robert Whitaker weaves a riveting tale rich in adventure intrigue and scientific achievement Never before told The Mapmaker s Wife is an epic love story that unfolds against the backdrop of the greatest expedition the world has ever known
