Portents Promises:

The Scattering Winds Gordon Bonnet, 2023-10-01 Six hundred years have passed since a worldwide revolution followed by a devastating series of plagues and famines collapsed modern civilization The remnants of humanity without the safety and security provided by technology are forced back to the daily fight for survival In the tiny village of Klen peopled by the descendants of the little group that escaped Seattle before the earthquake and flood destroyed it even the ability to read and write were lost and all their cultural knowledge is entrusted to the memory of one person the Guardian of the Word Then the appearance of a foundling a little girl named Lanya escaped from a distant city the people of Klen didn t even know existed threatens to change everything She brings to them the most dangerous thing in the world ideas The awareness that outside their protected isolated little enclave there is a wider world in which some of the learning of the Before Time has been preserved And when the Guardian's apprentice young headstrong Kallian Dorn becomes determined to go to Lanya's city to see if he can resurrect the lost knowledge of a fallen civilization his actions may be the catalyst to overturning everything the Adam Usk's Secret Steven Justice, 2015-01-30 Adam Usk a Welsh lawyer in England and Rome people of Klen believe during the first years of the fifteenth century lived a peculiar life He was by turns a professor a royal advisor a traitor a schismatic and a spy He cultivated and then sabotaged figures of great influence switching allegiances between kings upstarts and popes at an astonishing pace Usk also wrote a peculiar book a chronicle of his own times composed in a strangely anxious and secretive voice that seems better designed to withhold vital facts than to recount them His bold starts tumble into anticlimax he interrupts what he starts to tell and omits what he might have told Yet the kind of secrets a political man might find safer to keep the schemes and violence of regime change Usk tells openly Steven Justice sets out to find what it was that Adam Usk wanted to hide His search takes surprising turns through acts of political violence persecution censorship and ultimately literary history Adam Usk's narrow eccentric literary genius calls into question some of the most casual and confident assumptions of literary criticism and historiography making stale rhetorical habits seem new Adam Usk's Secret concludes with a sharp challenge to historians over what they think they can know about literature **Promises to Keep** Rachel Moore, 2015-03-19 and to literary scholars over what they think they can know about history Pardon me for interrupting Ma am May I have the pleasure of the next dance with you He gave her that smile and she was lost Spring 1944 A group of GIs arrive in Columbine a village near Falmouth causing a stir amongst the local young women Kerry Penfold's sweetheart Tom is a serving soldier in France so she is content to stand by and watch as her best friend Claire becomes smitten with one of the handsome Americans But when charming Marvin Mcleod receives a Dear John letter from his girlfriend Kerry becomes his shoulder to cry on and they grow close When D Day arrives the GIs suddenly depart and all returns to comparative normality But the war has left its casualties and the village is grieving for its losses A few months later Tom is wounded and discharged and Kerry is secretly relieved that he will no longer have to fight But her joy

soon turns to dismay when she realises how the war has changed him Matters come to a head when dozen of the GIs return to the village including Claire's sweetheart and Marvin Will Kerry finally have to choose between the two men in her life

The Mystery of 2012 Various Various Authors, 2009-01-01 Are we coming to the end of a cosmic cycle Will there be an age of awakening or even an end to the world we know For the first time the leading authorities on the 2012 phenomenon are all given voice in a single book The Mystery of 2012 From the prophecies of the Mayan astronomers to modern predictions about social ecological and spiritual changes to our world this comprehensive anthology offers you a chance to examine the mystery from every angle and to decide for yourself whether 2012 will end with a whimper or a bang Whether you re a skeptic a true believer or simply 2012 curious here is a thought provoking exploration of this approaching landmark in human history The book includes essay by the following list of scholars scientists philosophers and cutting edge thinkers Arjuna Ardagh Jos Arg elles PhD Gregg Braden Carl Johan Calleman PhD Gill Edwards Jean Houston PhD Barbara Marx Hubbard Janosh John Major Jenkins Lawrence E Joseph John Lamb Lash Ervin Laszlo Llewellyn Vaughan Lee PhD Meg Blackburn Losey PhD Joanna R Macy PhD Karl Maret MD Corinne McLaughlin James O Dea Christine Page MD John L Petersen Daniel Pinchbeck Sharron Rose Peter Russell Robert K Sitler Geoff Stray Jay Weidner Crisis founded by W E B Du Bois as the official publication of the NAACP is a journal of civil rights history politics and culture and seeks to educate and challenge its readers about issues that continue to plague African Americans and other communities of color For nearly 100 years The Crisis has been the magazine of opinion and thought leaders decision makers peacemakers and justice seekers It has chronicled informed educated entertained and in many instances set the economic political and social agenda for our nation and its multi ethnic citizens The Promises of God Kevin P. Conway, 2014-10-29 This study is the first to investigate why Paul makes exclusive use of epangelia for the divine pledge when referring to the Abrahamic covenant a usage of the term never found in the OT LXX After examining Jewish writings and Greek literature of the classical and Hellenistic periods this study demonstrates that Paul is rather unique in his exclusive use of the epangelia word group for the divine pledge and for using the term predominantly in reference to the Abrahamic promises This exclusive usage is further deemed unexpected in that the horkos and omnymi lexemes are by far the terms most commonly associated with God's promises to Abraham in the OT the literature with which Paul was most familiar The study then moves to explain why Paul has chosen this path of discontinuity where it is argued that Paul's exclusive choice of epangelia for the divine promise is driven by its conceptual and linguistic correspondence with the euangelion one of the terms Paul adopted from the early church that forms the core of his ministry This conceptual word study of the divine promise will benefit Pauline scholars interested in Paul's use of the OT as well as his association of the euangelion and epangelia word groups

Presence, Power and Promise David G. Firth, Paul D. From the Depths of Despair to the Promise of Presence Joel Barker, 2014-01-20 For decades the prophetic book of Joel has been the focus of scrutiny that belies its brevity It captures readers with its vivid descriptions of locusts and military invasion and the distress that they cause It then reveals the concern of YHWH for the covenant community as it systematically reverses the crises that it announces The book of Joel also offers a window into the rhetorical function of the day of YHWH as it uses the phrase to announce both judgment and restoration Reflecting the creativity of the Old Testament prophetic spirit the book then guides its readers from utter anguish to the hope of restoration rooted in the presence of YHWH From the Depths of Despair to the Promise of Presence delves into Joel's rhetoric and explores the ways in which it seeks to persuade its audience to adopt its perspective in order to respond to a time of crisis Barker evaluates the state of the discussion surrounding Joel's composition and relationship to the Book of the Twelve He develops a model of rhetorical criticism that builds on the foundations of previous approaches and proposes modifications that address the specific challenges posed by the book of Joel He then puts this model into practice and demonstrates that the book of Joel moves from scenes of devastation to promises of restoration in articulating the necessity of calling and relying on YHWH in all circumstances He explores the persuasive potential of Joel by focusing on its rhetorical structures and strategy He examines the way the book of Joel engages its audience and guides the people to realize that they must turn to YHWH so that YHWH will turn and bring restoration From the Depths of Despair to the Promise of Presence invites the reader to enter into the world of Joel It calls the reader to experience the ways in which the book of Joel intertwines threats of destruction and the

hope of renewal in order to reveal the character of YHWH

Reading Prophetic Poetry Barbara Bakke Kaiser, 2019-10-08

This volume seeks to guide students in religious or literary studies or other interested readers toward understanding and appreciation of biblical prophetic poetry Each of the three sections of the book includes a chapter examining one of the literary features with brief examples from prophetic texts followed by another chapter of applied criticism of a full prophetic poem Joel 2 on parallelism Jeremiah 4 on voice and Isaiah 24 on design Among the distinct features of the book are diagrams of parallel lines promoting two dimensional binocular reading of the poems Of all the literature of the Bible prophetic poetry has probably been least accessible to the modern reader Language is dense images are obscure and logical development of ideas seems almost inaccessible Reading Prophetic Poetry seeks to help readers appreciate the luminous beauty of the language and the austere power and surprising relevance of the ideas in these relatively obscure biblical texts It introduces an accessible approach to prophetic poetry which invites readers to turn to the biblical texts on their own with new ideas for appreciating the riches of these ancient poems

The Price and Promise of Specialness Jin Li Lim, 2019-06-04 In The Price and Promise of Specialness Jin Li Lim revises narratives on the overseas Chinese and the People's Republic of China by analysing the Communist approach to overseas Chinese affairs in New China's first decade as a function of a larger political economy Jin Li Lim shows how the party state centred its approach towards the overseas Chinese on a perception of their financial utility and thus sought to offer them a special identity and place in New China so as to unlock their riches Yet this contradicted the quest for socialist transformation and as its early pragmatism fell away the radicalising party state abandoned its promises to the overseas Chinese who were left to pay the price for their difference **Mohammed Deceived By Gabriel And Muslims Deceived** By Mohammed, Doomstalker Glen Cook, 2013-07-26 The world grows colder with each passing year the longer winters and ever deepening snows awaking ancient fears within the Dengan Packstead fears of invasion by armed and desperate nomads attack by the witchlike and mysterious Silth able to kill with their minds alone and of the Grauken that desperate time when intellect gives way to buried cannibalistic instinct when meth feeds upon meth For Marika a young pup of the Packstead loyal to pack and family times are dark indeed for against these foes the Packstead cannot prevail But awakening within Marika is a power unmatched in all the world a legendary power that may not just save her world but allow her to grasp the stars themselves From Glen Cook author of the Black Company and Dread Empire novels The first book in the Darkwar series
