Barbara J. Guzzetti

Portfolio Primer Teaching Collecting And Assessing Student Writing:

A Portfolio Primer Geof Hewitt,1995 This book explains how any teacher can build a community of writers using portfolios to demonstrate progress across the curriculum *Perspectives on Writing* Roselmina Indrisano,James R. Squire,2000 This book brings together the contributions of a group of distinguished researchers teacher scholars to present the significant theory research related to the writing process the implications of this knowledge for practice the directions future research **Assessing Performance** Robert L. Johnson,James A. Penny,Belita Gordon,2008-10-10 A comprehensive resource for assessment practitioners this book provides step by step guidance for developing administering scoring and validating a range of performance tasks including literacy and other types of proficiency assessments The authors explore how to establish the purpose of the assessment and how to develop scoring tools train raters reduce rater bias review scores and report results and use item level and test level analyses to optimize reliability and validity Clearly written and well organized the book includes many practical examples and accessible explanations of concepts and statistical procedures It encompasses the breadth of applications of performance assessment today from educational testing and the credentialing of professionals to research and program evaluation User friendly features include Checklists of activities to complete at each stage of a performance assessment End of chapter questions to facilitate self study Annotated suggestions for further reading A quick reference glossary of terms Examples drawn from multiple educational and professional licensure contexts

Handbook of Family Literacy , Le Québec et l'Ontario de Via Collectif,1997-09-03 **A Closer Look** Lynne Dorfman,Diane Dougherty,2023-10-10 In *A Closer Look* Lynne Dorfman and Diane Dougherty provide the tools and strategies you need to use formative assessment in writing workshop Through Lynne and Diane s ideas you will be able to establish an environment where students will internalize ways that they can assess their own writing and become independent writers Lynne and Diane share methods for collecting and managing information and show practical simple and concise ways to document student thinking In the accompanying online videos they demonstrate conferences with individual writers small groups and whole groups Quick easy to manage assessment methods emphasize that formative assessment does not have to take a long time to be worthwhile and effective Vignettes from classroom teachers principals and authors add a variety of perspectives and classroom experiences on this important topic *A Closer Look* shows that when students are in charge of their own writing process and set and reach their own goals writing becomes a vibrant energetic part of the day *Teacher Training and Effective Pedagogy in the Context of Student Diversity* Liliana Minaya-Rowe,2002-06-01 The purpose of this volume is two fold First the book attempts to initiate a research based dialogue from a variety of perspectives specifically about teacher training and teaching in the context of student linguistic and cultural diversity and second to cast a wide net over three major areas of professional development that have the potential to impact on teacher quality and on the educational services provided to ELLs at all levels of instruction This book represents a first attempt to a quiet revolution

going on in teacher education Johnson 2000 It allows the reader to uncover research activities and experiences that constitute individual teacher education program initiatives A revolution because it is stirring the very essence of what stands at the core of teacher education a core that has long been based more on training to teach monolingual English speaking students and less on teaching ELLs their first and second language development using their bilingualism to teach academics and on the process of becoming an effective teacher of ELLs This state of the art review brings together research on effective pedagogy and teacher training The nine feature chapters are directly concerned with effective new structures and practices for professional development and are presented in a framework that considers a wide spectrum of topics to address issues such as what teachers need to understand about English language learners what kind of professional experiences are likely to facilitate those understandings and what kinds of teacher education programs and school settings are able to support their ongoing learning The authors also discuss the implications of their work for helping English language learners connect and benefit from school from the points of view of 1 school reform 2 teachers bilingual proficiencies 3 teachers knowledge and beliefs and 4 teacher training programming and sustainability
