Portrait Of A Father:

Portrait of a Father Charles R. Swindoll, 1990 *Portrait of a Father* , Portrait of a Father Joan Crowell, Joan Lewisohn Simon, 1960 **PORTRAIT OF MY FATHER.** , 1979 **The Father you've Been Waiting For** Mark Stibbe, 2006-08-01 Mark Stibbe points the reader to a story Jesus told over 2 000 years ago which demonstrates the qualities of a perfect dad More than that the story paints the clearest picture of what Jesus thought God is really like It provides a wonderfully accessible introduction to the Father youve been waiting for and contains many new insights into a story loved by millions and known as the parable of parables This is a must read for anyone who wants a direct honest explanation of how remarkable God who created the universe and more loves and is interested in an exclusive intimate life transforming relationship with you Diane Louise Jordan *Portrait Of A Father* Robert Penn Warren, 2021-12-14 One of America s great poets writes of his father lost through death and discovered again through insistent recollection A death in the family forces a re sorting and reshaping of all that we can recall of times and people gone from us as we measure our identities by their remembered images While prowling in the past Warren is drawn to likenesses between himself and his father between himself and others of his family The poet finds that his father too in his long silent youth ventured into the writing of poetry as have so many but in time put it away for other things Gradually this elegy for his father becomes Warren s reverie on the many Warrens and Penns who live now only in his memory We encounter his mother and his mother s mother his father s Warren line thrown back over three generations as he draws forth sameness giving shape and full form and then sharp recognition to family members who were and must yet remain mysteries Then we see that Warren is delineating the tenuous threads of all our many unsettled and fragmentary American family histories that he is tracing all our steps from the coast over mountain trails into the dark wilderness to the west With him when we stop to consider our loved and lost ones we realize the delicacy of our accepted relationships In this autobiographical essay and the accompanying poem sequence that echoes it Mortmain Warren s look into the mystery of the past evokes for us the loss and recovery and wonder that death brings The Life of John Milton: 1660-1674 David Masson, 1880 **A Portrait of My Father** Dilara Mawla Monzur, 2014-12-06 My father was our fortress Come hail come storm we felt secure and shielded against all odds in his comforting presence He was positivity personified and it would not be wrong to say that this force within him was aided by my mother s optimism who always looked at the bright side of life When life partners are soul mates their home is nothing short of heaven Who is talking about worldly gains There are things that not all the wealth in the world can buy I take pride in saying we had just that Of course materialistic people may differ with my views because the present day cry is money money and more money and for good reasons too I would not censure their outlook However I uphold the values handed down to us by my father and my mother too My book comes in response to a promise i had made to myself in the year 2000 after father died I had promised myself I would write a book about my father I has been fourteen years since then

Conversations with My Father: Jack Kyle Justine Kyle McGrath, 2014-09-18 Jack Kyle was the rugby giant of his time but he was also so much more than a sporting legend Whilst he was winning a Grand Slam and touring with the Lions Jack Kyle was also studying to be a doctor When he retired from playing rugby as the world's most capped player his sense of adventure and medical ambition led him to settle in Chingola Zambia where he spent the next thirty four years of his life For many years he was the only medically trained surgeon in the town and so faced many challenges not least the appearance of and devastation caused by AIDS Written as a series of conversations with his daughter Justine *Conversations with My Father* reveals Jack Kyle as a supremely gifted rugby player a dedicated surgeon and a gentle family man **Photo-era Magazine** Juan C.
