Mao Zedong Maurice Meisner, 2006-12-22 Revolutionary and ruler Marxist and nationalist liberator and despot Mao Zedong takes a place among the iconic leaders of the twentieth century In this book Maurice Meisner offers a balanced portrait of the man who defined modern China From his role as leader of a communist revolution in a war torn and largely rural country to the disasters of the Great Leap Forward and the Cultural Revolution the relationship between Mao s ideas and his political action is highly disputed With unparalleled authority Meisner shows how Mao s unique sinification of Marxism provides the key to looking at this extraordinary political career The first part of the book is devoted to Mao s revolutionary leadership before 1949 in particular the influence of the liberal and anarchist ideas of the May Fourth era his discovery of Marxism Leninism and his conviction that peasants held the potential for revolution In the second part Meisner analyses Mao s early successes as a nationalist unifier and modernizer the failure of his socialism and his eventual transformation into a tyrant *Mao* Alexander V. Smith Jr.,2023-04-11 China has produced a tremendous amount of propaganda justifying its invasion and occupation of Tibet This book reproduces excerpts from some of the most notable of these articles along with a critical analysis The primary themes of Chinese propaganda about Tibet are that Tibet has always been a part of China thus there is no question about Tibetan independence or a Chinese invasion of Tibet that the traditional Tibetan social system was a dark cruel savage feudal hell on earth from which Tibetans welcomed their liberation by the CCP and that China has selflessly assisted Tibetan social and economic development ever since while taking nothing from Tibet China denies the legitimacy of any issues of Tibetan nationalism self determination or any desire by Tibetans for an independent political existence Despite China s claims about the happiness of the Tibetan people Tibetan resistance has continued These excerpts from propaganda articles and documents reveal the political and cultural ideology of the Chinese as they attempt to maintain and justify their control over Tibet
