Portrait of Latin America as Seen by Her Print Makers. Anne Lyon Haight, Editor. Monroe Wheeler, Foreword. Jean Charlot, Introduction. (Retrato de la América Latina, Etc.) Eng. & Span. [With Reproductions.]. Anne Lyon HAIGHT, 1946

Reading Portrait Photographs in Proust, Kafka and Woolf Marit Grotta, 2024-03-05 Portrait photography increased in popularity during the modernist period and offered new ways of seeing and understanding the human face This book examines how portrait photographs appeared as literary motifs in the works of three modernist writers with personal experience of the medium Marcel Proust Franz Kafka and Virginia Woolf Combining perspectives from literary visual and media studies Marit Grotta discusses these writers ambivalent views on portrait photographs and the uncertain status of technical images in the early twentieth century more generally In reconsidering the attention paid to analogue photographs in literature this book throws light on both modernist reactions to portrait photography and on our relationships to photographs today Portrait of Latin America Anne Lyon Haight, 1946 Portrait of Latin America as Seen by Her Print Makers Anne Lyon Haight, 1946 **Portraits in the Andes** Jorge Coronado, 2018-05-22 Portraits in the Andes examines indigenous and mestizo self representation through the medium of photography from the early to mid twentieth century As Jorge Coronado reveals these images offer a powerful counterpoint to the often slanted predominant view of indigenismo produced by the intellectual elite Photography offered an inexpensive and readily available technology for producing portraits and other images that allowed lower and middle class racialized subjects to create their own distinct rhetoric and vision of their culture The powerful identity marking vehicle that photography provided to the masses has been overlooked in much of Latin American cultural studies which have focused primarily on the elite s visual arts Coronado s study offers close readings of Andean photographic archives from the early to mid twentieth century to show the development of a consumer culture and the agency of marginalized groups in creating a visual document of their personal interpretations of modernity

Leonard's Price Index of Latin American Art at Auction Susan Theran, 1999-11-29 The new Leonard s Price Index of Latin American Art at Auction focuses on a category of art that covers a wide range of periods and styles It is unique in its coverage of 30 years of sale results and the inclusion of over 1 100 scholarly essays and biographies some never before published in the English language Entries covering the years 1969 to 1999 number over 30 000 lots The prices realized are from every auction house in North America and are listed in descending order by price within each auction season

American Photo , 1989-04 *Portraits of Adult Jewish Learning* Diane Tickton Schuster, 2022-06-16 What do we mean by adult Jewish learning Where is contemporary adult Jewish learning taking place What kinds of learning matter to adult Jewish learners in the twenty first century Portraits of Adult Jewish Learning boldly tackles these questions through the exploration of various learners experiences in diverse circumstances couples exploring a Jewish museum actors co creating a Jewish themed play social justice activists consolidating their Jewish values and identities Jewish preschool educators visiting

Israel Jewish and non Jewish staff at a Jewish social service agency studying traditional texts together Latinx converts seeking to understand how to be a good Jew members of a Torah study group producing their own commentaries Jewish community leaders coming to terms with the challenges of Jewish pluralism Using the social science methodology of portraiture the authors provide nuanced detail about the wide range of participants settings subject matter and ways of meaning making that characterize adult Jewish learning today Viewing these narratives side by side enables readers to think outside the frame about programming curricula pedagogies and contexts that encourage meaningful adult learning This book will capture the imagination of educational leaders clergy policymakers philanthropists teachers and adult learners and will spark conversation about how to enrich the field of adult Jewish learning overall **Praying to Portraits** Adam

Jasienski,2023-09-14 In *Praying to Portraits* art historian Adam Jasienski examines the history meaning and cultural significance of a crucial image type in the early modern Hispanic world the sacred portrait Across early modern Spain and Latin America people prayed to portraits They prayed to true effigies of saints to simple portraits that were repainted as devotional objects and even to images of living sitters depicted as holy figures Jasienski places these difficult to classify image types within their historical context He shows that rather than being harbingers of secular modernity and autonomous selfhood portraits were privileged sites for mediating an individual's relationship to the divine Using Inquisition records hagiographies art theoretical treatises poems and plays Jasienski convincingly demonstrates that portraiture was at the very center of broader debates about the status of images in Spain and its colonies Highly original and persuasive *Praying to Portraits* profoundly revises our understanding of early modern portraiture It will intrigue art historians across geographical boundaries and it will also find an audience among scholars of architecture history and religion in the early modern Hispanic world **Film + Travel North America, South America** Museyon Guides,2009-06-01

Featuring color photographs of movie locations sites and landmarks this guide for film buffs and travel lovers provides information about notable scenes from nearly 200 movies shot throughout North and South America Report a fire at the hook ladder company 8 if you want to see Ghostbusters headquarters in New York City When in San Francisco stop for a cup of coffee at the caf where Steve McQueen's Bullitt meets an informant Bring your own box of chocolates to Chippewa Square Savannah and reenact the iconic scenes from Forrest Gump Visit the Marine Building in Vancouver and be transported to Clark Kent's employer the Daily Planet in Smallville Find out what part of Puerto Rico posed for The Lord of the Flies why Madonna evaded Argentina when playing Eva Peron and much much more [Portraits of Global Christianity](#) Gina A. Zurlo,2023-03-29 Living in Light of the Global Body of Christ Books on global Christianity have been growing substantially in the last ten years The importance of studying Christianity beyond White Western history and theology has taken on a special relevance in an increasingly globalized world The study of Global Christianity is about recognizing the diversity of Christians around the world in terms of their cultures languages ethnicities worldviews and approaches to the faith World Christianity is about making global local

connections and providing Christians the opportunity to learn from one another to enhance their faith and broaden their perspectives Most World Christianity books are written for scholarly audiences only However Portraits of Global Christianity moves beyond that sphere and into the lives of Christians who have learned about and continue to experience the global church in their everyday lives No other global Christianity book on the market provides this kind of self understanding on the relationship between World Christianity and individual experience In doing it aims to make a unique contribution to the field This book is geared toward a general Christian audience and is written in an accessible style with attractive full color charts maps and graphs to make quantitative data on Christianity and other religions come alive The reflections and essays in this book in honor of Todd M Johnson provide readers with concrete examples of how knowledge and experience of Christianity worldwide has fundamentally changed their worldviews perspectives of the faith and vocational callings It encourages readers to reflect on their attitudes toward people who do not look like them or live out the faith like them to more seriously consider the growth of Christianity in the global South and its impact on their own lives and seek opportunities to reach across ethnic class and gender boundaries for the sake of Christian hospitality discipleship and friendship

Current History, 1925 *Essays on 20th Century Latin American Art* Francine Birbragher-Rozencwaig, 2022-03-31 Essays on 20th Century Latin American Art provides a broad synthesis of the subject through short chapters illustrated with reproductions of iconic works by artists who have made significant contributions to art and society Designed as a teaching tool for non art historians the book s purpose is to introduce these important artists within a new scholarly context and recognize their accomplishments with those of others beyond the Americas and the Caribbean The publication provides an in depth analysis of topics such as political issues in Latin American art and art and popular culture introducing views on artists and art related issues that have rarely been addressed Organized both regionally and thematically it takes a unique approach to the exploration of art in the Americas beginning with discussions of Modernism and Abstraction followed by a chapter on art and politics from the 1960s to the 1980s The author covers Spanish speaking Central America and the Caribbean regions not usually addressed in Latin American art history surveys The chapter on Carnival as an expression of popular culture is a particularly valuable addition This book will be of interest to students and scholars of Latin American history culture art international relations gender studies and sociology as well as Caribbean studies

Visions of Empire in Colonial Spanish American Ekphrastic Writing Kathryn M Mayers, 2011-12-16 The process of shaping and asserting cultural identity in viceregal Spanish America occurred as much through the medium of pictures as through the medium of writing Focused on writing that references visual texts ekphrasis Visions of Empire in

Colonial Spanish American Ekphrastic Writing examines the way words about pictures in the writing of three Spanish American Creoles Hernando Domínguez Camargo Juan de Espinosa Medrano and Sor Juana Inés de la Cruz negotiate the challenges that confronted the American born ruling elite in Spanish America during the contentious transitional period between the Conquest and Independence In Spanish America pictures have long served as a crucial medium for cultural communication In vast rural and urban regions where print culture is not deeply rooted and being cultured is not synonymous with being literate visual texts ranging from pre Hispanic pictographic codices to Baroque architectural surfaces to postmodern painted murals have played an essential role in shaping and asserting cultural identity During the viceregal era texts that referenced such visual texts proliferated in Latin America particularly among Creole elites who found themselves trapped in an ambiguous political and social position between Spain and America At the level of content Creole ekphrases bear little obvious connection to categories of social privilege On the level of form however these ekphrases engage conventions of representation that reveal the social contingencies of the poetic gaze They refract the visual object through an ideologically charged language that invokes differentials of race class gender sexuality nationality and position within the colonial power structure *Visions of Empire* brings recent scholarship on visuality and ekphrasis to bear on twenty first century reexaminations of criollismo to explore how cultural productions of the Spanish American Creole elite exercised relations of power mediated social differences and presented symbolic organizations of social space Focusing on the way Creole adaptations of Gongoran ekphrases placed the Creoles in a position of epistemological economic or moral authority over peninsular Spaniards and Amerindian and casta majorities around them this book illustrates how Creole words about pictures propose alternate visions of empire symbolically reordering Spain's empire in the Americas around the figure of the Creole

Portraits of 21st Century Chinese Universities: Ruth Hayhoe, Jun Li, Jing Lin, Qiang Zha, 2012-12-03 This book examines the ways in which China's universities have changed in the dramatic move to a mass stage which has unfolded since the late 1990s Twelve universities in different regions of the country are portrayed through the eyes of their students faculty and leaders The book begins with the national level policy process around the move to mass higher education This is followed by an analysis of the views of 2 300 students on the 12 campuses about how the changes have affected their learning experiences and civil society involvement The 12 portraits in the next section are of three comprehensive universities three education related universities three science and technology universities and three newly emerging private universities The final chapter sketches the contours of an emerging Chinese model of the university and explores its connections to China's longstanding scholarly traditions

Bicentennial Times, 1974 *Pictured Politics* Emily Engel, 2020-03-23 The Spanish colonial period in South America saw artists develop the subgenre of official portraiture or portraits of key individuals in the continent's viceregal governments Although these portraits appeared to illustrate a narrative of imperial splendor and absolutist governance they instead became a visual record of the local history that

emerged during the colonial occupation Using the official portrait collections accumulated between 1542 and 1830 in Lima Buenos Aires and Bogot as a lens *Pictured Politics* explores how official portraiture originated and evolved to become an essential component in the construction of Ibero American political relationships Through the surviving portraits and archival evidence including political treatises travel accounts and early periodicals Emily Engel demonstrates that these official portraits not only belie a singular interpretation as tools of imperial domination but also visualize the continent s multilayered history of colonial occupation The first stand alone analysis of South American portraiture *Pictured Politics* brings to light the historical relevance of political portraits in crafting the history of South American colonialism *Sor Juana Inés de la Cruz: Selected Works (First International Student Edition) (Norton Critical Editions)* Juana Inés de la Cruz, 2016-05-30 A wealth of background and analytical material makes Sor Juana s proto feminist writings newly translated all the more compelling 2014 PEN USA Literary Award for Translation Finalist This Norton Critical Edition includes Edith Grossman s acclaimed translations of the Tenth Muse s best known works Introductory materials and explanatory footnotes by Anna More along with numerous images Additional works by Sor Juana related writings by Ovid Saint Teresa of vila and Diego Calleja and historical interpretations Seven critical essays by Marcelino Men ndez y Pelayo Irving Leonard Octavio Paz Georgina Sabat de Rivers Yolanda Martinez San Miguel Emilie Bergmann and Charlene Villasenor Black Diana Taylor s interview with Jesusa Rodr guez about performing *First Dream* A Chronology and Selected Bibliography [Picture History of British Ocean Liners, 1900 to the Present](#) William H. Miller, 2001-01-01 This fascinating text and picture tribute documents both interiors and exteriors of majestic British ships such as the Viceroy of India the Orion Queen Mary Queen Elizabeth Windsor Castle Pacific Princess Royal Princess Crown Princess and Aurora Over 200 rare black and white illustrations provide views of the ships at sea and in port
