**PORTRAIT OF MY FATHER.** ,1979      *Portrait of my Father* ,1979      *Portrait of My Father, Alive* Fatimah Asghar,2019      Stephen Kaltenbach: Portrait of My Father ,2025-10-14 Kaltenbach s staggering psychedelic portrait of his dying father is a transcendent meditation on life afterlife and symbiosis with the universe For much of the 1970s the artist Stephen Kaltenbach born 1940 developed a monumental painting called Portrait of My Father inside a rented Northern California barn where he lived without plumbing or insulation Sustained by a formidable love for his father experience with psychedelics and a blooming spiritual life it took him nearly seven years to finish Since 2001 the work has held pride of place at the Crocker Art Museum in Sacramento This book length study is the definitive history of a painting that is mind boggling from across the room as a larger than life depiction of a man on death s door and from up close as each trippy beard whisker explodes a window onto eternity It consists of an epic interview with the artist conducted and annotated with context corrections images and observations by curator and writer Jordan Stein who also offers an introduction alongside a trove of newly discovered archival material      *Portrait of My Father in an English Landscape* ,1998      **A Portrait of My Father** Dilara Mawla Monzur,2014-12-06 My father was our fortress Come hail come storm we felt secure and shielded against all odds in his comforting presence He was positivity personified and it would not be wrong to say that this force within him was aided by my mother s optimism who always looked at the bright side of life When life partners are soul mates their home is nothing short of heaven Who is talking about worldly gains There are things that not all the wealth in the world can buy I take pride in saying we had just that Of course materialistic people may differ with my views because the present day cry is money money and more money and for good reasons too I would not censure their outlook However I uphold the values handed down to us by my father and my mother too My book comes in response to a promise i had made to myself in the year 2000 after father died I had promised myself I would write a book about my father I has been fourteen years since then
