## **Portraits Of Charles V Of France:**

The Portraits of Charles V of France (1338-1380) Claire Richter Sherman,1969 This volume of the College Art Association Monograph series examines the portraits of King Charles V of France

**The Portraits of Charles V of France (1338-1380) by Claire Richter Sherman ...** Claire Richter Sherman,1964

**Medieval Women and Their Objects** Jennifer Adams,Nancy Bradbury,2021-03-11 The essays gathered in this volume present multifaceted considerations of the intersection of objects and gender within the cultural contexts of late medieval France and England Some take a material view of objects showing buildings books and pictures as sites of gender negotiation and resistance and as extensions of women s bodies Others reconsider the concept of objectification in the lives of fictional and historical medieval women by looking closely at their relation to gendered material objects taken literally as women s possessions and as figurative manifestations of their desires The opening section looks at how medieval authors imagined fictional and legendary women using particular objects in ways that reinforce or challenge gender roles These women bring objects into the orbit of gender identity employing and relating to them in a literal sense while also taking advantage of their symbolic meanings The second section focuses on the use of texts both as objects in their own right and as mechanisms by which other objects are defined The possessors of objects in these essays lived in the world their lives documented by historical records yet like their fictional and legendary counterparts they too used objects for instrumental ends and with symbolic resonances The final section considers the objectification of medieval women s bodies as well as its limits While this at times seems to allow for a trade in women authorial attempts to give definitive shapes and boundaries to women s bodies either complicate the gender boundaries they try to contain or reduce gender to an ideological abstraction This volume contributes to the ongoing effort to calibrate female agency in the late Middle Ages honoring the groundbreaking work of Carolyn P Collette

**A Descriptive Catalogue of the Books Forming the Library of Clarence H. Clark ...** Clarence Howard Clark,1888

*The Grove Encyclopedia of Medieval Art and Architecture* Colum Hourihane,2012 This volume offers unparalleled coverage of all aspects of art and architecture from medieval Western Europe from the 6th century to the early 16th century Drawing upon the expansive scholarship in the celebrated Grove Dictionary of Art and adding hundreds of new entries it offers students researchers and the general public a reliable up to date and convenient resource covering this field of major importance in the development of Western history and international art and architecture

**Bradshaw's illustrated hand-book to Germany** George Bradshaw,1867

*Coronations* János M. Bak,2024-03-29 Fascination with royal pomp and circumstance is as old as kingship itself The authors of *Coronations* examine royal ceremonies from the ninth to the sixteenth century and find the very essence of the monarchical state in its public presentation of itself This book is an enlightened response to the revived interest in political history written from a perspective that cultural historians will also enjoy The symbolic and ritual acts that served to represent and legitimate monarchical power in medieval and early modern Europe include not only royal

and papal coronations but also festive entries inaugural feasts and rulers funerals Fifteen leading scholars from North America Britain France Germany Poland and Denmark explore the forms and the underlying meanings of such events as well as problems of relevant scholarship on these subjects All the contributions demonstrate the importance of in depth study of rulership for the understanding of premodern power structures Emphasis is placed on interdisciplinary approaches drawing on the findings of ethnography and anthropology combined with rigorous critical evaluation of the written and iconic evidence The editor s historiographical introduction surveys the past and present of this field of study and proposes some new lines of inquiry For reality is not a one dimensional matter even if we can establish what actually transpired we still need to ask how it was perceived by those present This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1990

*Pictures of the Old French Court* Catherine Mary Bearne,1900 **Pictures of the old French court. Jeanne de Bourbon, Isabeau de Bavière, Anne de Bretagne** Mrs. Bearne,2023-10-28 In Mrs Bearne s book *Pictures of the old French court* Jeanne de Bourbon Isabeau de Bavi re Anne de Bretagne readers are immersed in the lavish and opulent world of the French court depicted through detailed portraits of prominent figures such as Jeanne de Bourbon Isabeau de Bavi re and Anne de Bretagne Bearne s literary style elegantly captures the essence of the time period painting vivid pictures of the extravagant courtly life and political intrigues of the old French monarchy This book serves as a valuable resource for those interested in historical literature and the cultural milieu of medieval France Mrs Bearne a seasoned historian with a deep understanding of French history brings to life the intricate details of courtly life and the fascinating personalities that shaped the old French court Her expertise in the subject matter shines through in the meticulous research and engaging narrative of the book I highly recommend *Pictures of the old French court* to readers who are passionate about history art and the intricacies of royal life in medieval France

*Luxury Arts of the Renaissance* Marina Belozerskaya,2005-10-01 Today we associate the Renaissance with painting sculpture and architecture the major arts Yet contemporaries often held the minor arts gem studded goldwork richly embellished armor splendid tapestries and embroideries music and ephemeral multi media spectacles in much higher esteem Isabella d Este Marchesa of Mantua was typical of the Italian nobility she bequeathed to her children precious stone vases mounted in gold engraved gems ivories and antique bronzes and marbles her favorite ladies in waiting by contrast received mere paintings Renaissance patrons and observers extolled finely wrought luxury artifacts for their exquisite craftsmanship and the symbolic capital of their components paintings and sculptures in modest materials although discussed by some literati were of lesser consequence This book endeavors to return to the mainstream material long marginalized as a result of historical and ideological biases of the intervening centuries The author analyzes how luxury arts went from being lofty markers of

ascendancy and discernment in the Renaissance to being dismissed as decorative or minor arts extravagant trinkets of the rich unworthy of the status of Art Then by re examining the objects themselves and their uses in their day she shows how sumptuous creations constructed the world and taste of Renaissance women and men

**Vision, Devotion, and Self-Representation in Late Medieval Art** Alexa Sand,2014-03-31 Focuses on one of the most attractive features of late medieval manuscript illumination the portrait of the book owner at prayer within the pages of her prayer book

**"Agency, Visuality and Society at the Chartreuse de Champmol "** SherryC.M. Lindquist,2017-07-05 Grounded in archival sources this interdisciplinary study explores the profound historical significance of the mausoleum of the Valois Dukes of Burgundy the Chartreuse de Champmol Although the monument is well known as the site of pivotal works of art by Claus Sluter Melchior Broederlam Jean de Beaumetz and others until now art historians have not considered how these works functioned at the center of a complex social matrix Sherry Lindquist here considers the sacred subjects of the various sculptures and paintings not merely as devotional tools or theological statements but as profoundly influential social instruments that negotiated complex interactions of power Lindquist s sophisticated discussion coordinates analysis of primary sources with the most up to date scholarship in the field of art history not only with respect to late medieval Burgundian art but also to more theoretical questions pertaining to reception

**Feminism And Art History** Norma Broude,2018-02-23 A long needed corrective and alternative view of Western art history these seventeen essays by respected scholars are arranged chronologically and cover every major period from the ancient Egyptian to the present While several of the essays deal with major women artists the book is essentially about Western art history and the extent to which it has been distorted in every period by sexual bias With 306 illustrations

**Virtue Ethics for Women 1250-1500** Karen Green,Constant Mews,2011-04-05 This book locates Christine de Pizan s argument that women are virtuous members of the political community within the context of earlier discussions of the relative virtues of men and women It is the first to explore how women were represented and addressed within medieval discussions of the virtues It introduces readers to the little studied *Speculum Dominarum* Mirror of Ladies a mirror for a princess compiled for Jeanne of Navarre which circulated in the courtly milieu that nurtured Christine Throwing new light on the way in which Medieval women understood the virtues and were represented by others as virtuous subjects it positions the ethical ideas of Anne of France Laura Cereta Marguerite of Navarre and the Dames de la Roche within an evolving discourse on the virtues that is marked by the transition from Medieval to Renaissance thought *Virtue Ethics for Women 1250 1500* will be of interest to those studying virtue ethics the history of women s ideas and Medieval and Renaissance thought in general

**Living Pictures** Noa Turel,2020-09-25 A significant new interpretation of the emergence of Western pictorial realism When Jan van Eyck c 1390 1441 completed the revolutionary Ghent Altarpiece in

1432 it was unprecedented in European visual culture His novel visual strategies including lifelike detail not only helped make painting the defining medium of Western art they also ushered in new ways of seeing the world This highly original book explores Van Eyck s pivotal work as well as panels by Rogier van der Weyden and their followers to understand how viewers came to appreciate a world depicted in two dimensions Through careful examination of primary documents Noa Turel reveals that paintings were consistently described as *au vif* made not from life but into life Animation not representation drove Van Eyck and his contemporaries Turel s interpretation reverses the commonly held belief that these artists were inspired by the era s burgeoning empiricism proposing instead that their living pictures helped create the conditions for empiricism Illustrated with exquisite fifteenth century paintings this volume asserts these works key role in shaping rather than simply mirroring the early modern world

*Northern France, from Belgium and the English Channel to the Loire, Excluding Paris and Its Environs* Karl Baedeker (Firm),1909

**Handbook for Travellers in Southern Germany: Being a Guide to Würtemberg, Bavaria, Austria, Tyrol, Salzburg, Styria, &c., the Austrian and Bavarian Alps, and the Danube from Ulm to the Black Sea** John Murray (Firm),1871

## Whispering the Secrets of Language: An Emotional Journey through **Portraits Of Charles V Of France**

In a digitally-driven world where screens reign supreme and immediate transmission drowns out the subtleties of language, the profound strategies and emotional subtleties hidden within phrases frequently get unheard. However, located within the pages of **Portraits Of Charles V Of France** a captivating literary prize blinking with organic emotions, lies an exceptional quest waiting to be undertaken. Penned by a skilled wordsmith, this charming opus invites readers on an introspective journey, lightly unraveling the veiled truths and profound influence resonating within the very fabric of every word. Within the emotional depths of the emotional evaluation, we can embark upon a genuine exploration of the book's primary styles, dissect their captivating publishing design, and fail to the effective resonance it evokes strong within the recesses of readers' hearts.
