Discussing a diverse range of authors including Margaret Fuller and Pauline Hopkins Beam traces this style through a variety of literary endeavors and reconstructs the political rationale behind the writers commitments to this form of prose Beam provides both close readings of a number of familiar and unfamiliar works and an overarching account of the importance of this form of writing suggesting new ways of looking at style as a medium through which gender can be signified and reshaped *Style Gender and Fantasy in Nineteenth Century American Women s Writing* redefines our understanding of women s relation to aesthetics and their contribution to both American literary romanticism and feminist reform This illuminating account provides valuable new insights for scholars of American literature and women s writing

Caribbean Literature in Transition, 1800-1920: Volume 1 Evelyn O'Callaghan,Tim Watson,2021-01-14 This volume examines what Caribbean literature looked like before 1920 by surveying the print culture of the period The emphasis is on narrative including an enormous range of genres in varying venues and in multiple languages of the Caribbean Essays examine lesser known authors and writing previously marginalized as nonliterary popular writing in newspapers and pamphlets fiction and poetry such as romances sentimental novels and ballads non elite memoirs and letters such as the narratives of the enslaved or the working classes especially women Many contributions are comparative multilingual and regional Some infer the cultural presence of subaltern groups within the texts of the dominant classes Almost all of the chapters move easily between time periods linking texts writers and literary movements in ways that expand traditional notions of literary influence and canon formation Using literary cultural and historical analyses this book provides a complete re examination of early Caribbean literature
