Open Secret Chris Enss,2023-05-01 The discovery of gold in the southern Black Hills in 1874 set off one of the great gold rushes in America In 1876 miners moved into the northern Black Hills That s where they came across a gulch full of dead trees and a creek full of gold and Deadwood was born Practically

overnight the tiny gold camp boomed into a town that played by its own rules and attracted outlaws gamblers and gunslingers along with the gold seekers Deadwood was comprised mostly of single men In the beginning the ratio of men to women was as high as 8 to 1 The lack of affordable housing the hostile environment the high cost of travel and the expense of living in Deadwood prevented many men from bringing their wives girlfriends and families to the growing town Hordes of prostitutes and madams came to Deadwood to capitalize on the lack of women By the mid 1880s there were more than a hundred brothels in the mining community One of the most notorious cat houses in Deadwood was owned and operated by Al Swearengen Swearengen was an entertainment entrepreneur who opened a house of ill repute shortly after he arrived in town in the spring of 1876 Initially known as The Gem the brothel was host to several well known soiled doves of the Old West from Eleanora Dumont to Kitty LeRoy Among the many madams who ran other cat houses in and around Deadwood were Poker Alice Tubbs Mert O Hara and Gertrude Bell The names of some of the most popular brothels in Deadwood Gulch were the Shy Ann Room Fern s Place The Cozy Room the Beige Door and the Shasta Room After more than a hundred years of continual operation the brothels in Deadwood were forced to close in 1980 In the summer of 2020 the Beige Door reopened for business This time as a museum The Deadwood Historic Preservation Commission the Main Street Initiative Committee and Deadwood History Inc DHI developed the idea of opening the only brothel tour in the Black Hills The Brothel Deadwood has had a steady flow of visitors since the tour opened The book An Open Secret The Story of Deadwood s Most Notorious Bordellos focuses on infamous cat houses like the Beige Door those individuals who managed the businesses their employees their well known clientele the various crimes committed at the locations and their ultimate demise Mysteries and Secrets Revealed Loren Pankratz, 2021-04-01 Mysteries and Secrets Revealed uncovers the reality behind mysteries of nature and secrets of frauds that eluded common understanding The journey begins in the ancient Greek city of Delphi where priests claimed the gift of a priceless gold lion was an acknowledgement of their clairvoyant powers But their concocted story concealed an embarrassing blunder Those sufficiently savvy to catch the lie became aware of even deeper problems Author Loren Pankratz then guides us through the conflicts of Renaissance scholars including Galileo who explained things in ways that enraged philosophers and infuriated priests Galileo s methods of investigation were perpetuated by the meticulous work of the Academy of Experiment and Bernard Fontenelle s enthralling dialogue enabled common people to accept life in the rearranged sun centered universe Clairvoyants in a mesmeric trance claimed they could visit distant planets and endure brutal surgical procedures If any of this was real how was it possible One nineteenth century mesmeric savant Alexis Didier was so convincing that someone claimed no case of clairvoyance could be made for anyone if his accomplishments were not real This unchallenged declaration is now unraveled here for the first time through information gleaned from uncommon documents and rare antiquarian pamphlets The surprising manifestations of modern spiritualism quickly escalated into a psychic arms race that included mysterious tipping and turning of tables Scientist Michael Faraday devised ingenious

experiments to show how subtle muscle reactions outside of awareness created these manifestations On the other hand explanations for table levitations and mysterious writing on slates could only be solved by individuals with acute observational skills and acquainted with the methods of trickery Each story in *Mysteries and Secrets Revealed* captures the tension of conflict the thrill of discovery and the strategies of science that unmasked frauds fakes false belief and the enigmas of our natural world *Criminal Investigation* Hans Gross, 1924 **Catalog of Copyright Entries.
