Sects Cults And Spiritual Communities A Sociological Analysis

Frank Graziano

Sects Cults And Spiritual Communities A Sociological Analysis:

Sects, Cults, and Spiritual Communities Marc Petrowsky, William W. Zellner, 1998-06-30 American society is culturally diverse with a variety of religious denominations sects cults and self help groups vying for members This volume analyzes nine of these groups chosen both for their intrinsic interest and because they illustrate a variety of sociological concepts The groups included in this study are Heaven's Gate Jesus People USA the Love Family The Farm Amish Women Scientology El Niño Fidencio Santería and Freedom Park The contributors are social scientists with first hand knowledge of the groups they examine

Extraordinary Groups Richard T. Schaefer, William W. Zellner, 2015-10-22 Extraordinary Groups has had a storied history of excellence over multiple editions Now available from Waveland Press at the start of its fifth decade of availability its interdisciplinary approach to groups engaged in unconventional lifestyles makes it a popular textbook choice in hundreds of college courses across the social sciences including anthropology religion history and psychology Written by sociologists using and illustrating sociological principles the book is appealing because it is descriptive and explanatory rather than analytical Descriptions of the groups are interwoven with basic sociological concepts but systematic analysis and inductive reasoning are left to the discretion of the instructor Extraordinary Groups is a compelling overview of the broad tapestry of social life that constitutes the United States The illustrated full featured Ninth Edition includes a glossary and end of chapter key terms sources on the Web and selected readings

The Power of Religious Publics William H. Swatos Jr., James K. Wellman, 1999-08-30 Currently public religion is in a time of flux and the notion of the common good once associated with the Protestant voice in America is openly contested by new religious coalitions seeking to communicate their version of the truth and plant their stake in the public domain This edited volume reflects on the changing tone and form of the public voice of religion on its function in American society and on its relationship to the private world of religion It proposes that public religion when exercised in a civil and accountable way can be a responsible and prophetic voice in public life and enrich the American experiment in liberal democracy The contributors first rate scholars including Martin Marty and Robert Bellah focus on public religion's influence on controversial issues such as multiculturalism economic inequality abortion and homosexuality

Decent and in Order Ronald R. Stockton, 2000-02-28 This is a systematic study of how a congregational conflict involving allegations of sexual harassment and power abuse against a minister was seriously mishandled by church authorities The conflict escalated to entangle regional and national authorities and worked its way into the civil courts Stockton focuses on the interaction of organizational dynamics and ill defined Christian concepts such as reconciliation and discipline showing that in conflict situations the ideals of pastoral care are squeezed by an organizational mentality Key themes involve the role of women in the church the complex question of sexual harassment and the interface between church law and civil law The narrative which is based on interviews and official documents captures the human dimensions of the story while simultaneously giving unique insight into congregational disputes and organizational behavior

Borderlands Curanderos Jennifer Koshatka Seman, 2021-01-19 A refreshing new perspective reframes borderlands history by focusing not only on faith healers but squarely on the populations that they served Western Historical Quarterly 2022 Americo Paredes Award Center for Mexican American Studies at South Texas College Santa Teresa Urrea and Don Pedrito Jaramillo were curanderos faith healers who in the late nineteenth and early twentieth centuries worked outside the realm of professional medicine seemingly beyond the reach of the church state or certified health practitioners whose profession was still in its infancy Urrea healed Mexicans Indigenous people and Anglos in northwestern Mexico and cities throughout the US Southwest while Jaramillo conducted his healing practice in the South Texas Rio Grande Valley healing Tejanos Mexicans and Indigenous people there Jennifer Koshatka Seman takes us inside the intimate worlds of both living saints demonstrating how their effective healing curanderismo made them part of the larger turn of the century worlds they lived in as they attracted thousands of followers validated folk practices and contributed to a modernizing world along the US Mexico border While she healed Urrea spoke of a Mexico in which one did not have to obey unjust laws or confess one's sins to Catholic priests Jaramillo restored and fed drought stricken Tejanos when the state and modern medicine could not meet their needs Then in 1890 Urrea was expelled from Mexico Within a decade Jaramillo was investigated as a fraud by the American Medical Association and the US Post Office *Borderlands Curanderos* argues that it is not only state and professional institutions that build and maintain communities nations and national identities but also those less obviously powerful

The Jesus People Movement Richard A. Bustraan, 2014-02-13 Who would have imagined that the hippies those long haired psychedelia influenced youth of the 1960s would have initiated a spiritual revolution that has transformed American Christianity If you are unfamiliar with the 1960s the counterculture the hippie movement and the Jesus People then this book will transport you to that era and introduce you to the generation and the decade that turned American culture upside down If you have read other books on the Jesus People this account will take you by surprise A refreshingly different narrative that unveils a storyline and characters not commonly known to have been associated with the movement this book argues that the Jesus People though often trivialized and stigmatized as a group of lost and vulnerable youth who strayed from the Fundamentalism of their childhood helped American Christianity negotiate a way forward in a post 1960s culture It examines the narrative of the Holy Spirit and the phenomenon called Pentecostalism Although utterly central the Jesus People's Pentecostalism has never been examined and their story has been omitted from the historiography of Pentecostalism This account uniquely redresses this omission

Cultures of Devotion Frank Graziano, 2007 Spanish America has produced numerous folk saints venerated figures regarded as miraculous but not officially recognized by the Catholic Church Some of these have huge national cults with hundreds perhaps millions of devotees In this book Frank Graziano provides the first overview in any language of these saints offering in depth studies of the beliefs rituals and devotions surrounding seven representative figures These case studies are illuminated by comparisons to some hundred additional saints from

contemporary Spanish America Among the six primary cases are Difunta Correa at whose shrines devotees offer bottles of water and used auto parts in commemoration of her tragic death in the Argentinean desert Gaucho Gil is only one of many gaucho saints whose characteristic narrative involves political injustice and Robin Hood crimes on behalf of the exploited people The widespread cult of the Mexican saint Nino Fidencio is based on faith healing performed by devotees who channel his powers Nino Compadrito is an elegantly dressed skeleton of a child whose miraculous powers are derived in part from an Andean belief in the power of the skull of one who has suffered a tragic death Graziano draws upon site visits and extensive interviews with devotees archival material media reports and documentaries to produce vivid portraits of these fascinating popular movements In the process he sheds new light on the often fraught relationship between orthodox Catholicism and folk beliefs and on an important and little studied facet of the dynamic culture of contemporary Spanish America **End of Days** Wendell G. Johnson, 2017-07-14 Covering religious traditions ranging from Buddhism to Christianity to Zoroastrianism and modern apocalyptic movements such as Arun Shinrikyo and the Branch Davidians this book addresses prophesied end of days from a breadth of perspectives and includes material on often neglected themes and genres End of Days An Encyclopedia of the Apocalypse in World Religions describes apocalyptic writings in the world's major religious traditions including Judaism Christianity Islam Hinduism and Buddhism The cross referenced entries address ancient traditions Zoroastrianism as one example as well as modern apocalyptic movements such as Arun Shinrikyo the Branch Davidians and the Order of the Solar Temple This book's broad scope offers coverage of overlooked traditions such as Mayan Apocalyptic Norse Apocalyptic Native American eschatological literatures and the Tibetan Book of the Dead Readers seeking detailed information on the eschatological and apocalyptic movements and proponents of End Times can reference entries about individuals such as Harold Camping Jerry Falwell David Koresh of the Branch Davidians and James Jones and the People's Temple This single volume encyclopedia also contains numerous historical entries on subjects such as the Great Disappointment the Great Awakening periods of religious revival Joachim of Flora the Maccabean Revolt and the Plymouth Brethren The influence of apocalyptic ideas far outside the realm of religion itself is documented through entries on film including well known modern movies such as The Hunger Games and Apocalypse Now literature by writers such as Dante and works of fine art like Wagner's Götterdämmerung The inclusion of entries related to literature film and other art forms further attests to the wide ranging social influence of belief in the end of days **Contemporary Perspectives on Religions in Africa and the African Diaspora** Carolyn M. Jones Medine, Ibigbolade S. Aderibigbe, Hans D Seibel, 2015-10-14 Contemporary Perspectives on Religions in Africa and the African Diaspora explores African derived religions in a globalized world The volume focuses on the continent on African identity in globalization and on African religion in cultural change Beyond the Threshold Christopher M. Moreman, 2017-09-13 Beyond the Threshold introduces readers to afterlife beliefs and experiences in world religions The second edition has been revised and updated throughout

including a new chapter on afterlife beliefs and practices in selected African traditions new research on the afterlife and near death experiences the addition of key words and definitions to each chapter and more Christopher M Moreman offers an introduction to afterlife beliefs in ancient cultures which are essential to understanding the roots of many modern ideas about death He examines the folklore and doctrines of major world religions including Judaism Christianity Islam Hinduism Buddhism Chinese religions and several African traditions He also discusses psychic phenomena across traditions such as mediums near death and out of body experiences and past life memories While ultimately the afterlife remains unknowable the second edition of this unique in depth exploration of both beliefs and experiences can help readers reach their own understanding of the afterlife and how to live

Sects Cults And Spiritual Communities A Sociological Analysis Introduction

In today's digital age, the availability of Sects Cults And Spiritual Communities A Sociological Analysis books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sects Cults And Spiritual Communities A Sociological Analysis books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sects Cults And Spiritual Communities A Sociological Analysis books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sects Cults And Spiritual Communities A Sociological Analysis versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sects Cults And Spiritual Communities A Sociological Analysis books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sects Cults And Spiritual Communities A Sociological Analysis books and manuals, several platforms offer an extensive collection of resources. One such platform is Project

Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sects Cults And Spiritual Communities A Sociological Analysis books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sects Cults And Spiritual Communities A Sociological Analysis books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sects Cults And Spiritual Communities A Sociological Analysis books and manuals for download and embark on your journey of knowledge?

FAQs About Sects Cults And Spiritual Communities A Sociological Analysis Books

1. Where can I buy Sects Cults And Spiritual Communities A Sociological Analysis books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores.
