Secular Judaism:

Jewish Secularity David M. Gordis, Zachary I. Heller, 2012-05-04 A growing number of Jews identify themselves as secular or somewhat secular Is this expansive definition of Jewishness a new phenomenon What are its roots What are its implications for the Jewish community its institutions and its future In reflecting on secular forms of Jewishness the contributors to this book explore the sources of Jewish secularism and its articulation in Jewish thought belief literature and culture Included in this book are several personal accounts of Jewish journeys as well as analyses of the extent of the division between secular Jews and others in the Jewish community In sum Jewish Secularity The Search for Roots and the Challenges of Relevant Meaning provides an overview of a profound development in the evolving history of Jewish life in America

Secular Judaism Yaakov Malkin, 2004 The majority of Jews throughout the world are secular However few can define their secular beliefs Secular Judaism Faith Values and Spirituality attempts to articulate these beliefs and the practice of Secular Judaism It discusses Secular Humanist values Judaism as Culture and examines Judaism as both a religion and a nation It also raises the Who is a Jew issue and presents the Bible as source of collective memory and the foundation of Jewish culture and civilization going on to examine classic texts and the secular view on God as Literary Hero The idea of pluralism as being not merely desirable but as having existed in accord with ancient life and tradition is dealt with and the Talmudic mechanisms of debate and implied democratic values are described Finally the difference between pluralism and relativism and the danger of the latter is discussed together with a secular humanistic perspective on the need for spirituality with emphasis on community and principles of education Secular Judaism proposes an orientation and guidelines for a curriculum in Judaism as Culture studies and deals with both theoretical issues and practical experiences of secular Jewish communities

Not in the Heavens David Biale, 2015-10-27 The story of the origins and development of a Jewish form of secularism Not in the Heavens traces the rise of Jewish secularism through the visionary writers and thinkers who led its development Spanning the rich history of Judaism from the Bible to today David Biale shows how the secular tradition these visionaries created is a uniquely Jewish one and how the emergence of Jewish secularism was not merely a response to modernity but arose from forces long at play within Judaism itself Biale explores how ancient Hebrew books like Job Song of Songs and Esther downplay or even exclude God altogether and how Spinoza inspired by medieval Jewish philosophy recast the biblical God in the role of nature and stripped the Torah of its revelatory status to instead read scripture as a historical and cultural text Biale examines the influential Jewish thinkers who followed in Spinoza's secularizing footsteps such as Salomon Maimon Heinrich Heine Sigmund Freud and Albert Einstein He tells the stories of those who also took their cues from medieval Jewish mysticism in their revolts against tradition including Hayim Nahman Bialik Gershom Scholem and Franz Kafka And he looks at Zionists like David Ben Gurion and other secular political thinkers who recast Israel and the Bible in modern terms of race nationalism and the state Not in the Heavens demonstrates how these many Jewish paths to

secularism were dependent in complex and paradoxical ways on the very religious traditions they were rejecting and examines the legacy and meaning of Jewish secularism today **Secularism in Question** Ethan B. Katz, 2015-07-16

Secularism in Question examines how twentieth century revivals of religion prompt a reconsideration of many issues concerning Jews and Judaism in the modern era Scholars of Jewish history religion philosophy and literature illustrate how the categories of religious and secular have frequently proven far more permeable than fixed Judaism in a Secular Age Renee Kogel, Zev Katz, 1995 **Jewish Identity in Modern Israel** Naftali Rothenberg, Eliezer Schweid, 2002 A collection of articles based upon conferences of the Framework for Contemporary Jewish Thought and Identity at the Van Leer Jerusalem Institute Jewish and Arab contributors including authors educators MKs and Rabbis address such subjects as Being an Arab Citizen in a Jewish Democratic State Teaching Judaism to Secular Jews Israel as a Jewish and Democratic State and Integration of State Law and Halakha **Radical Poetics and Secular Jewish Culture** Stephen Paul Miller, Daniel Morris, 2010 This collection of essays is the first to address this often obscured dimension of modern and contemporary poetry the secular Jewish dimension Editors Daniel Morris and Stephen Paul Miller asked their contributors to address what constitutes radical poetry written by Jews defined as secular and whether or not there is a Jewish component or dimension to radical and modernist poetic practice in general These poets and critics address these questions by exploring the legacy of those poets who preceded and influenced them Stein Zukofsky Reznikoff Oppen and Ginsberg among others **Jewish Philosophy in a Secular Age** Kenneth Seeskin, 1990-01-23 Clearly written historically sophisticated Jewish Philosophy in a Secular Age presents a running dialogue between a rationalist understanding of religion and its many critics ranging from Descartes and Hume to Kierkegaard Buber and Fackenheim The author confronts such classical problems as divine attributes creation revelation suspension of the ethical ethics and secular philosophy the problem of evil and the importance of the Holocaust On each issue the author sets the terms of the debate and works toward a constructive resolution
