Seed Beneath The Snow:

Anarchist Seeds Beneath the Snow David Goodway, 2006-10-01 From William Morris to Oscar Wilde to George Orwell left libertarian thought has long been an important but neglected part of British cultural and political history In *Anarchist Seeds beneath the Snow* David Goodway seeks to recover and revitalize that indigenous anarchist tradition This book succeeds as simultaneously a cultural history of left libertarian thought in Britain and a demonstration of the applicability of that history to current politics Goodway argues that a recovered anarchist tradition could and should be a touchstone for contemporary political radicals Moving seamlessly from Aldous Huxley and John Cowper Powys to the war in Iraq this challenging volume will energize leftist movements throughout Britain and the rest of the world **The Seed Beneath the Snow** Ignazio
