Denham, 2017-05-23 An ethnography of the spirit children phenomenon in northern Ghana placing infanticide in both a deeply nuanced local context and a global public health framework **Seeds Among Weeds** Sadiri Ordinario, 2011-02-26 It is a hodgepodge of poems doctrinal dissertations letters to God and conversions with God usually with unorthodox formats conveying themes that are either discoveries of mine or what I learned from my interactions with fellow Christians people who fancied themselves to be Christians and non Christians and finally perhaps the most important distinction of all are few revelations the Lord had been nice enough to share with me Any inaccuracies are strictly mine particularly when I try to express in words what I have gathered from Him which in and of themselves always would have inherent inadequacies because of the disparity between the finite and the Infinite **The Works of Saint**

adapt together in dynamic socionatural conditions But the practice and its practitioners are easily taken for granted even as they are threatened by neoliberalisation Combining original ethnographic research with investigation of an evolving corporate seed order this book reveals seed saving not only as it occurs in fields and gardens but also as it associates with genebanking genetic engineering intellectual property rights and agrifood regulations Drawing on diverse social sciences literatures Phillips illustrates ongoing practices of thinking feeling and acting with seeds raising questions about what seed people relations should accomplish and how different ways of relating might be pursued to change collective futures
