Seeing And Believing Religion And Values In The Movies:

Seeing and Believing Margaret Ruth Miles,1997-09-04 Enriched by a cultural studies approach a deep understanding of religion and history and a love for the movies *Seeing and Believing* explores what popular films of the 1980s and 1990s say about religion and the values by which we live **The Bloomsbury Companion to Religion and Film** William L.

Blizek,2013-01-17 Originally published as the *The Continuum Companion to Religion and Film* this Companion offers the definitive guide to study in this growing area Now available in paperback the *Bloomsbury Companion to Religion and Film* covers all the most pressing and important themes and categories in the field areas that have continued to attract interest historically as well as topics that have emerged more recently as active areas of research Twenty nine specifically commissioned essays from a team of experts reveal where important work continues to be done in the field and provide a map of this evolving research area Featuring chapters on methodology religions of the world and popular religious themes as well as an extensive bibliography and filmography this is the essential tool for anyone with an interest in the intersection between religion and film *100 Spiritual Movies to See before You Die* John A. Zukowski,2023-11-15 Spiritual themes are common in movies The unconventional savior The hero's journey The redemption tale The balance of creation Journalist John A Zukowski reflects on twelve major spiritual themes in the world of cinema discussing films from *Dead Man Walking* to *Bruce Almighty* from *Groundhog Day* to *Chariots of Fire* and many more See them all read them all before you die

Encyclopedia of Religion and Film Eric Michael Mazur,2011-03-08 Comprising 91 A Z entries this encyclopedia provides a broad and comprehensive introduction to the topic of religion within film Technology has enabled films to reach much wider audiences enabling today's viewers to access a dizzying number of films that employ diverse symbolism and communicate a vast array of viewpoints *Encyclopedia of Religion and Film* will provide such an audience with the tools to begin their own exploration of the deeper meanings of these films and grasp the religious significance within Organized alphabetically this encyclopedia provides more than 90 entries on the larger religious traditions the major film producing regions of the globe the films that have stirred controversy the most significant religious symbols and the more important filmmakers The included topics provide substantially more information on the intersection of religion and film than any of the similar volumes currently available While the emphasis is on the English speaking world and the films produced therein there is also substantial representation of non English non Western film and filmmakers providing significant intercultural coverage to the topic *Seeing Film and Reading Feminist Theology* U. Vollmer,2007-09-03 Using feminist theory and

examining films that describe women artists who see others through the lens of feminist theology this book puts forward an original view of the act of seeing as an ethical activity a gesture of respect for and belief in another person's visible and invisible sides which guarantees the safekeeping of the Other's memory **Bible and Cinema: Fifty Key Films** Adele Reinhartz,2013 *Bible and Cinema Fifty Key Films* introduces a wide range of those movies among the most important

critically acclaimed and highest grossing films of all time which have drawn inspiration either directly or indirectly from the Bible

Reframing Theology and Film (Cultural Exegesis) Robert K. Johnston, 2007-11-01 The connection between theology and film is a hot topic in the academy and the church But research and writing on methodology and hermeneutics is lacking This comprehensive collection identifies the overlooked or undervalued areas in the current discussions of film and theology Including contributions from the leaders in the field Reframing Theology and Film helps deepen the conversation while bringing it to a new level of prominence Professors and students of theology and film libraries pastors and film buffs will benefit from this much needed resource

Theology and Survival Movies Ioan Buteanu, 2023-03-03 This book provides an innovative analysis of the survival movie genre from an Orthodox Christian anthropological perspective Grounded in the Orthodox tradition the approach builds from the first chapter of Genesis where man is described as made in the image and after the likeness of God It offers a nuanced theological exploration of the concept of the survival movie and examines a number of significant cinematic creations illustrating how issues of survival intersect romantic Western science fiction and war films The author reflects on how survival movies offer a path for the study of human nature given they depict people in crisis situations where they may reveal their true characters As well as discussing the role of a limit situation as a narrative element the book highlights the spiritual aspect of survival and points to the common hope in survival movies for something more than biological survival It is valuable reading for scholars working in the field of religion and film

Sensational Devotion Jill Stevenson, 2013-04-15 In Sensational Devotion Jill Stevenson examines a range of evangelical performances including contemporary Passion plays biblical theme parks Holy Land re creations creationist museums and megachurches to understand how they serve their evangelical audiences while shaping larger cultural and national dialogues Such performative media support specific theologies and core beliefs by creating sensual live experiences for believers but the accessible familiar forms they take and the pop culture motifs they employ also attract nonbelievers willing to try out these genres even if only for curiosity s sake This familiarity not only helps these performances achieve their goals but it also enables them to contribute to public dialogue about the role of religious faith in America Stevenson shows how these genres are significant and influential cultural products that utilize sophisticated tactics in order to reach large audiences comprised of firm believers extreme skeptics and those in between Using historical research coupled with personal visits to these various venues the author not only critically examines these spaces and events within their specific religious cultural and national contexts but also places them within a longer devotional tradition in order to suggest how they cultivate religious belief by generating vivid sensual affectively oriented and individualized experiences

Film as Religion John C. Lyden, 2003-06-01 Choice Outstanding Academic Title 2003 Film as Religion argues that popular films perform a religious function in our culture Like more formal religious institutions films can provide us with ways to view the world and values to confront it Lyden contends that approaches which interpret films only ideologically or theologically miss the mark in

understanding their appeal to viewers He develops an alternative method which shows how films can be understood as representing a religious worldview in their own right Lyden surveys the state of the study of religion and film offering an overview of previous methods before presenting his own Rather than seeking to uncover hidden meanings in film detectable only to scholars Lyden emphasizes how film functions for its audiences the beliefs and values it conveys and its ritual power to provide emotional catharsis He includes a number of brief cases studies in which he applies this method to the study of film genres including westerns and action movies children s films and romantic comedies and individual films from The Godfather to E T showing how films can function religiously
