

SEEING WITH YOUR EARS

The image features a woman's face in profile on the left, looking towards a large, glowing ear in the center. The ear is surrounded by golden musical notes, a white dove in flight, and swirling golden light patterns. The background is a dark blue space with stars and light trails.

Websites and Web based sources of images The NIV Matthew Henry Commentary in One Volume Matthew Henry, 1992

Time has sealed the reputation of Matthew Henry's classic commentary as a rich source of insight into God's word. Three centuries after its first publication, it remains one of the best-loved, most popular commentaries ever written. However, while its wisdom is timeless, the English language has changed much through the years. Words that meant one thing in Matthew Henry's day have taken on different meanings today. In addition, Henry's often wordy reflections are generations removed from the crisp style that communicates most effectively to contemporary readers. The Zondervan NIV Matthew Henry Commentary is a masterful response to these concerns. It delivers the heart and soul of Henry's incomparable writings in a style that is easy to read and understand. Dr. Leslie Church's meticulous abridgment retains the essential content of the original work. Easily misunderstood words have been replaced with modern ones while keeping Henry's style. Use of the New International Version (NIV) instead of the King James Version makes this edition fully compatible with today's most widely used Bible translation. In one volume, here is a wealth of exposition, metaphors, analogies, and illustrations, ideal for personal devotions, Bible study, sermon, and lesson preparation.
