Seeing Is Deceiving A Phoebe Fairfax Mystery:

Seeing Is Deceiving Suzanne North,1997 Seeing is Deceiving is Suzanne North s second Phoebe Fairfax mystery and it more than delivers on the promise of the first The sardonic Phoebe and Candi Sinclair her apparently ditzy colleague at the TV program A Day in the Lifestyle are back this time in New Age territory Phoebe and Candi are filming at the Okotoks Psychic Fair when one of the exhibitors the sleazy Jonathan Webster collapses A few hours later he is dead poisoned in a rather extreme way and the police immediately suspect his common law wife Tracy of murder The fractured bones and bruises Webster has dealt her over the years give her ample motive Frightened Tracy turns to her old friend Candi for help and Candi is off sleuthing to clear Tracy s name dragging Phoebe along reluctantly in her wake Phoebe s filmmaking efforts and her unenthusiastic crusade to prove Tracy s innocence take her into the fantastic world of fortune tellers and pet channellers to the race track and through the foothills to the icy Sheep River En route she encounters an ensemble of odd and delightful characters including Maud Gellman who s suing the Queen for a wrong done to her in a past life Two Bob a retired but not retiring bookie and Sadie Nightingale wilderness gardener and card reader extraordinaire Fast paced wickedly funny and with a twisty ending that will make readers cheer this second Phoebe Fairfax mystery demonstrates that sometimes seeing really is deceiving

Mystery Women, Volume Three (Revised) Colleen Barnett,2010-12-31 Like other fictional characters female sleuths may live in the past or the future They may represent current times with some level of reality or shape their settings to suit an agenda There are audiences for both realism and escapism in the mystery novel It is interesting however to compare the fictional world of the mystery sleuth with the world in which readers live Of course mystery readers do not share one simplistic world They live in urban suburban and rural areas as do the female heroines in the books they read They may choose a book because it has a familiar background or because it takes them to places they long to visit Readers may be rich or poor young or old conservative or liberal So are the heroines What incredible choices there are today in mystery series This three volume encyclopedia of women characters in the mystery novel is like a gigantic menu Like a menu the descriptions of the items that are provided are subjective Volume 3 of Mystery Women as currently updated adds an additional 42 sleuths to the 500 plus who were covered in the initial Volume 3 These are more recently discovered sleuths who were introduced during the period from January 1 1990 to December 31 1999 This more than doubles the number of sleuths introduced in the 1980s 298 of whom were covered in Volume 2 and easily exceeded the 347 series and some outstanding individuals described in Volume 1 which covered a 130 year period from 1860 1979 It also includes updates on those individuals covered in the first edition changes in status short reviews of books published since the first edition through December 31 2008 *Canadian Crime Fiction* David Skene Melvin,1996
