[The Adversity Maze](#) Cheryl Bignell,2024-12-01 If there was an overall equation for every adversity what would it be If there was an answer to every adversity where would it originate from Does our constant overturning of a

problem enable us to work it out Truthfully not always Some problems and adversities seem like enigmas How do we find our way out of the Adversity Maze What about that constant daily problem that grinds at our energy Day in and day out we wake up with it like Groundhog Day It steals our time our energy and our joy There is no problem that is unique to one individual Meaning somebody has gone through something you are going through right now and come out the other side That gives us hope that we can be on the other side of it too What did they do that you need to do Let s unpack that in our book This book is meant to be an encouragement for you I want to join you on your journey towards living with the Lord in a way which embraces this time of difficulty with an overcoming mindset Our problems can cloud our minds so much that we struggle to see the Lord in the midst of them Or to even turn to the Lord Don t let that happen Don t give up your hope and faith in God
