Seek Only Passion:

Psalms of Humidity David Waldrop, 2017-08-24 The reason I named this book Psalms of Humidity Psalms mean instrumental music Instrumental music stands for musical composition Psalms are a musical composition of your soul to God Humidity is my nickname My soul holds every quality the word humidity describes That is why it is my nickname Why would I use the name Humidity instead of my name My name is David Psalms of David is a book that already exists Matthew 7 7 20 Men do not show chivalry because women are supposedly weaker Men show chivalry to honor and respect the woman they would love because she is stronger Women are not helpers and created second because they weaker than men Man should not be alone because in our arrogance we think we re stronger than anything in creation and some even place themselves on the same plateau as God Woman is the mirror to a man in the sense that she shows the reflection of what true strength is while at the same time the woman is soft tender compassionate and teaches the man the true definition of submission and love When he understands that he is weaker than the woman he loves he will truly understand how to guide and lead his family in truth and passion through submission Stop focusing on the sin of the person start focusing on the soul If you do not focus on the soul of the person you will judge that person Let me ask who is Jesus The seed of man carries the Souls of both men and women The womb of a woman Carries those Souls and gives birth to them Humidity Humanities understanding must identify desire in Truths yoke

The Psychology of Passion Dr Robert J. Vallerand, 2015-05-01 Winner of the 2017 APA William James Book Award The concept of passion is one we regularly use to describe our interests and yet there is no broad theory that can explain the development and consequences of passion for activities across people s lives In The Psychology of Passion Robert J Vallerand presents the first such theory providing a complete presentation of the Dualistic Model of Passion and the empirical evidence that supports it Vallerand conceives of two types of passion harmonious passion which remains under the person s control and obsessive passion which controls the person While the first typically leads to adaptive behaviors the obsessive form of passion leads to less adaptive and at times maladaptive behaviors Vallerand highlights the effects of these two types of passion on a number of psychological phenomena such as cognition emotions performance relationships aggression and violence He also discusses the development of passion and reviews a range of literature on passion for activities

Native Bards J. L. Martin, 1831 **The Outlook** Lyman Abbott, Hamilton Wright Mabie, Ernest Hamlin Abbott, Francis Rufus Bellamy, 1898 *Interview with Jesus* Terry Dufour, 2020-12-04 Since he was a kid growing up in Escanaba Michigan he has prayed every day The prayers were usually the same but a few years ago when terrorists attacked Brussels and Paris he looked at prayer differently Terry noticed that the world wasn't the same as in the fifties and that man had forgotten about faith and instead embraced religion As the world continued to go into a tailspin he began writing Interview with Jesus a book on prayer Prayer has changed drastically in his life as the world changes and he decided to speak with instead of to Jesus Christ and ask him questions only he could answer Why Jesus and not God Jesus is both man and God and has walked this earth as we all do now He met with resistance good evil sinners saints disciples and murderers Most writers describe what their book is but Terry prefers to tell you what this book isn't It doesn't put words in our Lord's mouth but rather lets him answer the questions in his own manner using language that is his not the author's and reflects on issues according to his personal philosophy not that of Terry Dufour This book is not an editorial or opinion page from a newspaper but rather a fact based heartfelt unbiased account of the love Jesus and his father have for each one of us It is not written by a priest minister biblical scholar or evangelical but by an Everyman the author a simple man with a great trust and love in faith Finally Interview with Jesus is not a scam or sham As Terry notes in the prologue he not only heard but also listened to Jesus's voice during those extraordinary moments when he left his own designs behind and focused on the preachings and teachings of a man who was tortured and died on a cross for him a stranger and all other men women and children that he and his father love so dearly
