Seekers And The Sword:

The Seekers and the Sword Michael Jan Friedman, 2016-06-23 Created in dark dwarven caverns by a master smith with mystic runes carved into its gleaming hilt and spells of blood to bind it with power this was the legendary sword of Frey the magical brand that brought victory to its wielder Now two mighty gods seek the sword Ygg the Destroyer who longs to obliterate Asgard and Earth and Vidar the bastard son of Odin trying to save both worlds from Ygg's mad campaign Through the Gates between Worlds with the forces of the Aesir mortals elves and giants behind him Vidar must race the deadly pawns of a crazed deity to prevent a second Twilight of the Gods *The Seekers and the Sword* Michael Jan Friedman, 1985 Vidar the bastard son of Odin battles the evil schemes of Ygg the Destroyer who seeks to destroy Asgard using the legendary Sword of Frey a magical and invincible weapon **A Wanderer's Legacy** Arjun Baokar, 2010-08 Alaric always knew his goal in life was to become one of the elite magician soldiers in the army of Erados On the eve of the realization of his dream one man's foul play thrusts him and an unlikely companion into the raging civil war that engulfs the world outside Forced out of the shelter of their lifelong home Alaric and Colbert must face the reality of war and dangers that they have only heard of carefully trying to balance their ideals without losing their lives As if that wasn't enough an ageless demon awakens from his slumber determined to overrun the world with his kin Faced with a power that threatens to corrupt their world Alaric and Colbert are faced with no option but to fight and perhaps sacrifice far more than they could have ever dreamed **The Fate of Destiny Book 1** Shannon Rouchelle, 2018-08-20 Destiny Blake discovers as a young woman that she is destined to complete a quest and save the world from the ruthless hands of an evil ruler She escapes her meager existence and travels through the desolate prairie in search of answers On her travels she meets a handsome young warrior who is designated to protect and accompany her But their journey is not easy Danger and deceit lurk along the path Can their newfound love withstand the ultimate test *At Sword's Point, Part 1* William P. MacKinnon, 2016-10-27 The Utah War of 1857-58 the unprecedented armed confrontation between Mormon Utah Territory and the U S government was the most extensive American military action between the Mexican and Civil wars *At Sword's Point* presents in two volumes the first in depth narrative and documentary history of that extraordinary conflict William P MacKinnon offers a lively narrative linking firsthand accounts most previously unknown from soldiers and civilians on both sides This first volume traces the war's causes and preliminary events including President Buchanan's decision to replace Brigham Young as governor of Utah and restore federal authority through a large army expedition Also examined are Young's defensive aggressive reactions the onset of armed hostilities and Thomas L Kane's departure at the end of 1857 for his now famous mediating mission to Utah MacKinnon provides a balanced comprehensive account based on a half century of research and a wealth of carefully selected new material Women's voices from both sides enrich this colorful story *At Sword's Point* presents the Utah War as a sprawling confrontation with regional and international as well as territorial impact As a nonpartisan definitive work it

eclipses previous studies of this remarkably bloody turning point in western military and Mormon history *SWORD OF A SEEKER* JARED. DUNN,2023 *The Pesher Nahum Scroll from Qumran* Shani Berrin,2018-11-01 The underlying premise of this study is the close relationship between Pesher Nahum 4Q169 and its biblical base text Historical and literary considerations as well as theological sociological halakhic textual and linguistic data are examined in terms of their exegetical functions This edition includes a transcription and translation of 4QpNah with textual notes The treatment of 4QpNah follows the natural division of the extant text into five thematic literary sections or pericopes each consisting of a series of lemma pesher units For each pericope proposed historical contextualizations are evaluated on the basis of exegetical criteria Equivalents are mapped for each unit such that individual elements of each lemma are aligned with corresponding elements from the biblical base text A focus upon lemma pesher correspondence provides the framework for systematic exegetical analysis of 4QpNah **VERSO IGNOTA DESTINAZIONE** BRUNO SEBASTIANI,2019-01-31 The Destiny Adventure Series features two exciting stories Follow Destiny Blake and her companion Chase Tanner as they complete a daring quest to conquer the evil Viktor Stark and his followers the Soul Seekers But the journey won't be easy The two must face dire threats and harsh realities to save the ones they love from an eternity of agony Can Destiny and Chase make the ultimate sacrifices to end the sinister deeds overtaking the world or will they fall victim to them *Space Knight*.
