Adventures in Spirituality Robert P. Vande Kappelle, 2020-02-17 Contrary to popular culture the goal of life is not happiness but meaning Those who seek happiness by trying to avoid or finesse conflict suffering doubt and change will find life increasingly superficial Feeling good is a flawed measure of life but living meaningfully is transformative for then one is living a developmental rather than a regressive agenda The ego does whatever it can to make itself comfortable whereas spirituality is about wholeness *Adventures in Spirituality* represents the culmination of Dr Vande Kappelle's forty year teaching career incorporating in one volume his views on topics as varied as theology Christology biblical interpretation spirituality ethics world religions religion and science faith and reason and church history Reared in Costa Rica the son of missionary parents Dr Vande Kappelle describes his journey from belief to faith as a transition from precritical to postcritical understanding from evangelical Christianity to what he calls alternative orthodoxy Narrating the shift from first to second half of life experience he introduces readers to core principles that shaped his values thinking and way of life Useful for individual or group study *Adventures in Spirituality* encourages readers to take risks with their lives and faith affirming that this is how one grows spiritually

Heart to Heart--The Journey Inward Robert P. Vande Kappelle, 2023-01-20 Whether religiously theists atheists agnostics or simply seekers each of us is on a journey of faith spiraling through stages seasons or phases of spirituality On this journey we discover that spirituality is more caught than taught and that faith enriched more by subtraction than by addition is more about unlearning than learning At the center of Jesus life and message stands the exhortation to receive and share divine love The two volumes of *Heart to Heart* excerpted from Dr Vande Kappelle's published writings examine the meaning and implications of the biblical Great Commandment to love God and others as oneself This volume examines the spiritual journey inward and its companion volume the journey

outward Ultimately there is only one spiritual journey the journey Godward and there is only one commandment Divine love is the key to everything Unloved people misbehave fail to love or fail to change Loved people aren't concerned with rules regulations or beliefs Rather because they are loved they take proper care of themselves and in so doing care for nature and others as extensions of themselves Heart to Heart is written for those who affirm the value of lifelong spiritual growth realize the limits of logic and embrace the paradoxes in life If you are willing to commit less than ten minutes a day over a seven month period you will undertake a spiritual journey of epic proportions guaranteed to transform you morally and spiritually In addition you will come to embrace Christianity as the transformative movement envisioned by Jesus for humanity a way of life grounded in compassion justice service humility and love of others
