Seeking The White Root An Australian Story:

Seeking the White Root Cinda Wombles Pettigrew, Robyn D. Warner, 1998 **The Publishers Weekly** ,2005

Witnessing Australian Stories Kelly Jean Butler, 2017-07-28 This book is about how Australians have responded to stories about suffering and injustice in Australia presented in a range of public media including literature history films and television Those who have responded are both ordinary and prominent Australians politicians writers and scholars All have sought to come to terms with Australia s history by responding empathetically to stories of its marginalized citizens Drawing upon international scholarship on collective memory public history testimony and witnessing this book represents a cultural history of contemporary Australia It examines the forms of witnessing that dominated Australian public culture at the turn of the millennium Since the late 1980s witnessing has developed in Australia in response to the increasingly audible voices of indigenous peoples migrants and more recently asylum seekers As these voices became public they posed a challenge not only to scholars and politicians but also most importantly to ordinary citizens When former Prime Minister Kevin Rudd delivered his historic apology to Australia s indigenous peoples in February 2008 he performed an act of collective witnessing that affirmed the testimony and experiences of Aboriginal Australians The phenomenon of witnessing became crucial not only to the recognition and reparation of past injustices but to efforts to create a more cosmopolitan Australia in the present This is a vital addition to Transaction s critically acclaimed Memory and Narrative series **Independent Publisher** ,1999

An Immigrant Nation Seeks Cohesion James Jupp, 2018-04-10 An Immigrant Nation Seeks Cohesion presents Australian traditions myths and legends in an understanding but often critical light in the belief that such devices have often been used by interested parties and even governments to maintain social solidarity and to mould a very complex people into a coherent and obedient whole Australia is not and never has been an equal society It has not always been a peaceful and tolerant society but it is more so than most other states and especially many of those sending immigrants It is not a perfect democracy Many have been mistreated and even persecuted but that most of those suffering at present are either indigenous or refugees should not be a cause of indifference Australians may be suspicious of foreigners and social and political deviants But they have passed a whole series of reforming laws since the Federation in 1901 not all of which have been as racist as the White Australia policy An Immigrant Nation Seeks Cohesion attempts to get a little bit closer to the truth of two hundred years of creating a liveable society in what was a remote and unknown part of the world **Vulnerability and Resilience**

Jione Havea, 2020-01-28 In Vulnerability and Resilience vulnerability is not the final word Rather resilience provides the cutting edge and living breath in the stories of subjects who are vulnerable And they have many stories stories of being trapped in bodies teachings and or situations that make them and others like them vulnerable to discrimination hatred and rejection stories of being trapped because of their bodies theologies and or cultures and stories of being trapped for no good reason For subjects who are vulnerable life is like a maze of traps and stories of resilience keep them going The contributors

to Vulnerability and Resilience refuse to be trapped At the intersection of body and liberation theologies they tell their stories in the hope that they will expose cultures that make individuals and communities vulnerable and that those stories will encourage vulnerable subjects to be resilient and bring change to theological institutions that conserve vulnerability Because of the location of the contributors the Americas Africa Asia Europe Caribbean and Oceania this book is a testimony that vulnerability is present all over the world and that resilience is a liberating alternative *Looking for Elizabeth* Helen

Trinca,2025-07-15 The full story of an Australian literary enigma Why did Elizabeth Harrower one of Australia s most important postwar authors stop writing at the height of her powers After publishing four books that earned the admiration of Patrick White Shirley Hazzard and Christina Stead Harrower published no more novels She faded from the literary landscape until being rediscovered decades later to international acclaim In *Looking for Elizabeth* Helen Trinca unravels this mystery Exploring the personal and artistic forces that shaped Harrower s writing she draws a sensitive portrait of a wounded divorced child and the legacy of abandonment she carried throughout her life She probes the contradictions of a woman who wielded extraordinary insight into others lives but guarded her own fiercely And she vividly brings to life the literary circles of this fascinating era in Australian culture Based on interviews with Harrower and full access to her archive *Looking for Elizabeth* is the first full biography of this significant figure in Australian letters A masterful deep dive into the enigmatic life of a writer who stunned and then stopped This is a monumental addition to Australian literary biography that s destined to become a classic Nikki Gemmell A biography that is every bit as beguiling and complex as its towering subject Exacting exhaustive and utterly essential The more I read the more compelled I felt to cut out a picture of Elizabeth Harrower and stick it above my writing desk Trent Dalton **The ON-nibus** Various Various,2009-12-01 If you missed the first eight titles in MUP s acclaimed Little Books on Big Themes series this is your chance to collect the whole set Released in time for Christmas the ON nibus brings together eight 10 000 word essays on the big themes in life by leading Australian thinkers Featured authors are Germaine Greer On Rage David Malouf On Experience Blanche d Alpuget On Longing Barrie Kosky On Ecstasy Don Watson On Indignation Gay Bilson On Digestion Malcolm Knox On Obsession and Anne Summers On Luck

On Rage Germaine Greer,2020-04-28 ON RAGE is Germaine Greer s timeless essay about Aboriginal dispossession With characteristic acuity and passion Greer looks to the causes of rage and its consequences in Indigenous Australians Originally published six months after Prime Minister Kevin Rudd s Apology to the Stolen Generations in 2008 this is an urgent and provocative examination of disempowerment by one of Australia s leading polemicists **History Of Australia (Volumes 5 & 6)** Manning Clark,1999-09-13 Manning Clark s six volume history is one of the masterpieces of Australian writing It is also one of the most passionately debated visions of Australian history in which the struggle to realise an Australian nation is played out on an epic scale A History of Australia 1888 1945 covers Federation the Boer War and World War I s Gallipoli It finishes with the story of an emerging Australian identity at the point of its greatest trial the outbreak of World War II This is

not a general Australian history it does not attempt to cover all aspects and it is not a definitive or quantitative analysis It is a work of art a living and breathing account of the remaking of a primitive continent history come alive
