Seeking A Sanctuary:

Seeking a Sanctuary Malcolm Bull, Keith Lockhart, 2006-12-20 The completely revised second edition further explores one of the most successful of America's indigenous religious groups Despite this the Adventist church has remained largely invisible Seeking a Sanctuary casts light on this marginal religion through its socio historical context and discusses several Adventist figures that shaped the perception of this Christian sect Seeking a Sanctuary Malcolm Bull, Keith Lockhart, 1991-06-01 Asylum-Seeking, Migration and Church Susanna Snyder, 2016-04-15 Asylum Seeking Migration and Church addresses one of the most pressing issues confronting contemporary society How are we to engage with migrants Drawing on studies of church engagement with asylum seekers in the UK and critical immigration and refugee issues in North America Snyder presents an extended theological reflection on both the issue of asylum seeking and the fears of established populations surrounding immigration This book outlines ways in which churches are currently supporting asylum seekers encouraging closer engagement with people seen as other and more thoughtful responses to newcomers Creatively exploring biblical and theological traditions surrounding the stranger Snyder argues that as well as practising a vision of inclusive community churches would do well to engage with established population fears Trends in global migration and the dynamics of fear and hostility surrounding immigration are critically and creatively explored throughout the book Inviting more complex nuanced responses to asylum seekers and immigrants this book offers invaluable insights to those interested in Christian ethics practical theology social work mission and faith and social action as well as those working in the field of migration *The Mystery of the Cross* Judith Couchman, 2010-03-05 Christianity is a religion founded on the mystery of the cross of Christ Leo the Great At the center of Christianity sits the cross of Christ From the beginning Christ's followers celebrated the cross as a symbol of their faith It was honored in church worship carved into rough tombstones pressed onto loaves of bread and set out as a sign of sanctuary The cross represented what Christians believed who they hoped for and how they approached life In this thoughtful book Judith Couchman takes up forty images of the cross from early Christianity As we discover the meaning and significance of each of these uses we learn a little more about the early church More than that she helps us focus on the meaning of the cross and the Savior's sacrifice Ideal for Lenten devotional reading and appropriate for any season of the church calendar this book includes original illustrations of each cross image The Mystery of the Cross will enrich your understanding of Christian tradition and draw you into Christ's presence No Innocent Bystanders Christopher Doucot, 2017-10-11 The struggle for justice is ongoing In answering the biblical call to act justly and love mercifully can Christians cross lines of privilege to walk humbly not only with God but with their marginalized neighbors as well No Innocent Bystanders looks at the role of allies in social justice movements and asks what works what doesn't and why It explains what allies legitimately can accomplish what they can't and what kind of humility and clarity is required to tell the difference This book is a start up guide for spiritual or religious people who are interested in working for social

justice but don't know how or where to begin drawing on the lessons of history the framework of Christian ideas and the insights of contemporary activists It offers practical guidance on how to meaningfully and mindfully advocate alongside all who struggle for a more just society Entrepreneurial Learning City Regions Judith James, Jean Preece, Raúl Valdés-Cotera, 2017-09-21 This book proposes an alternative strategy to improve and sustain prosperity through the creation of an entrepreneurial culture in learning cities or city regions The edited collection provides insights into how entrepreneurship education job creation and social inclusion can be aligned through entrepreneurial learning in the context of territorial development With rich and varied contributions from a wide field including policy makers entrepreneurs an investment banker leaders of universities and councils the voluntary sector scientists educators and students it reviews and assesses how learning cities and regions may become more prosperous by investing in the development of entrepreneurial skills throughout lifelong learning Reinforced by examples on developing and retaining entrepreneurial people this book contributes to our understanding of how entrepreneurial learning can be fostered in different city and city region contexts It makes an interesting contribution to the field in terms of mapping out complex issues and testing the practical validity of the concept while also providing rich and insightful case studies centred on the Welsh experience with entrepreneurial learning city regions The high quality international contributions demonstrate the new worldwide interest in developing an entrepreneurial culture for the benefit of a city or region rather than an entrepreneurial mind set for individual benefit This fascinating subject will be of interest to many social scientists policymakers and practitioners It will be found especially valuable for professionals involved in economic inclusive and sustainable city or regional development **Equitable Education** Sameena Choudry, 2025-02-28 Never has a book on social justice and equitable education been so relevant Recent events have highlighted the huge attainment gaps that exist for many pupils within the education system due to factors outside of their control As the diversity of the pupil population increases it is more important than ever to develop the skills knowledge and understanding within the teaching profession around issues of equality and inclusion This book provides trainees and teachers with an in depth understanding of the complex issues related to the attainment of key groups of disadvantaged pupils and practical strategies that can be deployed to address these gaps Chapters focus on social class gender English as an additional language minority ethnic achievement gypsy Roma and travellers refugee and asylum seekers and those with special educational needs and disabilities The book takes a stark look at the evidence and statistics provides an overview of the key issues and considerations for each particular group and suggests key resources and examples of good practice along with case studies and points for reflection Ultimately it encourages you to have high expectations of your pupils and to truly believe that you can help them realise their ambitions and aspirations This is a powerful and timely consideration of the ways in which education has the capacity to make a difference Packed full of evidence informed strategies this book considers the range of ways that schools can respond positively to build far greater

equity for all Sameena Choudry's contribution is authoritative and compelling and deserves our full attention Dame Alison Peacock *Forced Migration, Disability and Education* Marketa Bacakova, Wayne Veck, Julie Wharton, 2025-11-21 Offering the first book length analysis of the ways in which exclusion affects the lives and educational experiences of refugees with disabilities this book examines the right to inclusive education for displaced persons with disabilities arguing for an intersectional approach to advancing social justice in education globally Effectively encountering twice the amount of discrimination exclusion and inequality usually faced by those with either a disability or with refugee status refugees with disabilities face particular challenges in accessing education In looking to tackle these challenges and give voice to those at the centre of such experiences this book offers cutting edge and fundamentally global insights and practicable solutions on how schools and their communities might become more inclusive spaces for currently marginalized disabled refugees Chapters theorize current language and terminology and discuss concrete examples of inclusive practice along with tangible guidance for educators and professionals towards the development of inclusive educational practices policies and cultures within educational institutions Exclusion and inclusion are understood at the intersection of disability forced displacement and education Featuring an international team of thought leaders researchers practitioners and refugee and disability activists the book will be of interest to scholars practitioners and policymakers in the fields of inclusive and special education migration and social work and education more broadly Undergraduate students engaged in studies that consider aspects of educational social and global justice will also benefit from the volume *Citizenship, Migrant Activism and the Politics of Movement* Peter Nyers, Kim Rygiel, 2012-02-13 Migration is an inescapable issue in the public debates and political agendas of Western countries with refugees and migrants increasingly viewed through the lens of security This book analyses recent shifts in governing global mobility from the perspective of the politics of citizenship utilising an interdisciplinary approach that employs politics sociology anthropology and history Featuring an international group of leading and emerging researchers working on the intersection of migrant politics and citizenship studies this book investigates how restrictions on mobility are not only generating new forms of inequality and social exclusion but also new forms of political activism and citizenship identities The chapters present and discuss the perspectives experiences knowledge and voices of migrants and migrant rights activists in order to better understand the specific strategies tactics and knowledge that politicized non citizen migrant groups produce in their encounters with border controls and security technologies The book focuses the debate of migration security and mobility rights onto grassroots politics and social movements making an important intervention into the fields of migration studies and critical citizenship studies *Citizenship Migrant Activism and the Politics of Movement* will be of interest to students and scholars of migration and security politics globalisation and citizenship studies **A Just Church** Chris Howson, 2011-02-17 What does liberation theology actually look like in 21st century Britain How can the Church respond faithfully to issues like war climate change and vast global inequalities A fresh expression church in the

Encyclopedia of Community Corrections Shannon M. Barton-Bellessa,2012-04-17 In response to recognition in the late 1960s and early 1970s that traditional incarceration was not working alternatives to standard prison settings were sought and developed One of those alternatives community based corrections had been conceived in the 1950s as a system that might prove more progressive humane and effective particularly with people who had committed less serious criminal offenses and for whom incarceration with constant exposure to serious offenders and career criminals might prove more damaging than rehabilitative The alternative of community corrections has evolved to become a substantial part of the criminal justice and correctional system spurred in recent years not so much by a progressive humane philosophy as by dramatically increasing prison populations court orders to fix overextended prison settings and an economic search for cost savings Although community correction programs have been in place for some 40 years now to date no comprehensive reference resource has tackled this topic Accessible and jargon free and available in both print and electronic formats the one volume Encyclopedia of Community Corrections will explore all aspects of community corrections from its philosophical foundation to its current inception Features Benefits 150 signed entries each with Cross References and Further Readings are organized in A to Z fashion to give students easy access to the full range of topics in community corrections A thematic

Reader's Guide in the front matter groups entries by broad topical or thematic areas to make it easy for users to find related entries at a glance.
